What is your favorite place to visit in Portland and why?

In Portland, my favorite place to visit is the Oregon Zoo. I have made numerous memories and will forever have a lifelong love for it. As a child, I looked forward to the days that I got to visit and see all of the animals. Now as I get older, I get to experience the zoo with my younger cousins and see their joy for the place that brought me joy as a child.

What are you most proud of during your high school career?

I am most proud of my academic excellence in high school. When it comes to school, my grades are very important to me and I do anything and everything to make sure I keep my straight A's. My teachers have always said that I am a very dedicated student that cares about my grades.

What is your favorite Rose Festival event and why?

The Junior Parade is my favorite event. It's actually a legacy in my family. Our family home was a block away from the parade route. Throughout my childhood, I heard all the stories of kids decorating their bikes and the whole community coming together. My aunt and uncle participated, my mother marched in her school band, and finally, it was my turn! I was so proud to continue our family legacy. To me, it's the best event at the festival.
