What is your favorite place to visit in Portland and why?

I love to visit the Willamette River, but more specifically, I like to be on the river. I love paddling down the river. I love seeing Portland from a different point of view that most people don't get to see.

What are you most proud of during your high school career?

I am most proud of the community I have found at Cleveland. When I first arrived at Cleveland High School, I didn't know anyone. I had gone to middle school across town, so I felt really alone at first. I joined clubs and theater, and through those spaces I slowly found my people.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event has to be the Dragon Boat Races. As soon as I turned 13, I joined dragon boat racing, and I've been competing in the Rose Festival races ever since. I got to live out my dream of being pushed onto the nose of the dragon to catch my team's flag. The whole community comes together to celebrate, and that's what makes it so special.
