Hobbies and special interest:

I am a Varsity Songleader, a dance-focused team, after being a Varsity Cheerleader for three years. I cheer at football and basketball games and perform at assemblies. I also work two jobs being a Camp Counselor and an Apparel Associate. I've volunteered at Kaiser Permanente Hospital in the Oncology Department, restocking medical carts and conversing with patients. I'm involved in the UNCF Portfolio Project and Les Femmes, Inc; programs that support college preparation, empowerment, and career development.

What is your favorite place to visit in Portland and why?

My favorite place to visit in Portland is the Oregon Humane Society. I enjoy seeing the furry new cats since that is my favorite animal. Seeing how they interact with one another and petting them is relaxing for me and reminds me of my own cat, Georgia Peach. One day, I hope to foster lots of cats, but for now, I just look and admire them.

What are you most proud of during your high school career?

During my high school career, I'm most proud of cheering at the Pearl Harbor Parade in Honolulu, Hawaii, my freshman year, in 2022, and being named "All-American" all four years of high school for Cheerleading and Songleading. All-American is an award given to select Cheerleaders/Songleaders after trying out during camp in the summer, and scoring on precision, and very minimal mistakes. Being able to cheer in Hawaii with four of my teammates was a very special experience for me.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event is the Starlight Parade. I watched my mom and older sister perform in the parade for two years with the BodyVox dance company. Being immersed in the lively marching band music, the creative parade floats, and the glowing lights is my favorite time of the year.
