### **What is your favorite Rose Festival event and why?**

The [Fred Meyer] Junior Parade holds many fond memories in my heart. When I was a little girl, my family would meet at another family's house to sit along the parade route and immerse ourselves in the parade as it passed by. This event would consume our entire day as we enjoyed packing lunch and gathering snacks that we could eat outside on the grass. It was so wonderful to enjoy a parade that was focused entirely on kids and their interests, music, heroes, and superstars.
