

Princess Bio

Name: Daniela Gray

School: Grant High School

Year in school: Junior

Career plans: I plan to enter the medical field and become a nurse.

High School Activities & Honors:

Volleyball Team Captain and play on the softball team.

Hobbies and special interests:

Outside of school, I engage in sewing, cooking, snowboarding, volleyball, softball, hanging out with friends, biking, thrifting, and working out.

What are you most proud of during your high school career?

So far in high school, I am most proud of my willingness to take risks and try new things. Freshman year, I signed up for acting. I didn't know much about it, only that my friends weren't interested in it. The following year, I continued acting because I enjoyed it. The same year I auditioned for a play. I didn't make callbacks, but I was always super proud of myself for going out there with little background and giving it my everything.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event is the [Fred Meyer] Junior Parade. The [Fred Meyer] Junior Parade is special to me because my house is two blocks away from where the parade would run through. My mom, brothers, and the neighbor kids would all walk down to get an early seat. I'll never forget the feeling of anticipation for the sight of the first marching band or a float around the corner. Colors, music, and thrill filled my body. When I was 9, I was in the Girl Scouts. Being in the Girl Scouts meant we joined the parade and walked down the streets with the rest of the floats.
