What is your favorite place to visit in Portland and why? Arlene Schnitzer Concert Hall. This building holds so many memories that I treasure in my heart.

What are you most proud of during your high school career? I feel the most proud of my ability to balance my personal and school life during the school year. This is my proudest accomplishment because I am serving my mental health well while also being a successful and engaged student.

What is your favorite Rose Festival event and why? Starlight Parade. This parade is unbelievably special to me because I went almost every year with my Nana before she sadly passed away in 2023. She was a former Horizon Air employee so we always sat in the Alaska valet section. I have fond memories of playing in the street before the parade started, cheering on the runners in fun costumes, and when it finally got dark, the dazzling parade.
