

Princess Bio

Name: Avari Brocker

School: La Salle Catholic College Preparatory

Year in school: Senior

Future education plans: Bachelor's degree in biomedical engineering, a minor in business, and later a masters in prosthetics engineering.

Career plans: My career plan is to start a prosthetics company that will work with people with limb differences one-on-one and make prosthetics that will help them achieve their dreams.

High School Activities & Honors:

- Service immersion program
- Student Council (Student Body President, Officer of Faith, and first ever Freshman Class President)
- Lasallian Leadership Scholar Award
- Speech and Debate (Captain)
- First back-to-back state finalist (Speech and Debate)
- Academic All-American
- Merit Level of Superior Destination Awarded (NSDA)
- Coaches Award of Excellence recipient
- President and Founder of All Minds All Bodies
- National Honor Society
- Volleyball (Captain)

Hobbies and special interest: I work at Mathnasium as an Assistant Center Director. I also volunteer my time to the Oregon Branch of the International Dyslexia Association as President of the Student Empowerment Group. I engage in hobbies I enjoy such as photography and poetry.

What is your favorite place to visit in Portland and why? Rose Garden because of all the memories I have shared there. One of my favorite memories is my parents' impromptu vow renewal.

What are you most proud of during your high school career? I am most proud of the way I persevered through high school and used the adversity I faced as a student with a disability to better the school for my community.

What is your favorite Rose Festival event and why? My favorite rose festival event is the milk carton boat race. I have been interested in boats made out of unusual material ever since I heard about the concrete canoe engineering challenge at my aunt's college.
