WAITLIST

If you are not selected for retail booth space you will be notified by mail or e-mail no later than September 1, 2021, and placed on a waitlist in the event of a cancellation. We encourage all vendors who are not selected to consider other shows and events during this time as there are no guarantees that space will become available. The waitlist will be cleared at the conclusion of the 2022 Show. Vendors interested in participating in the 2023 event must re-apply as a new vendor. We begin accepting new applications for vendors in May of each year.

BASIC BOOTH GUIDELINES

1. All booths must have a Western or Southwestern type theme. How you plan to achieve this can be done in your use of backdrop, fencing, props, or accents. We encourage you to get creative! Failure to incorporate this guideline may impact the decision on your invitation to return for 2023.

2. All vendors must supply their own hard backdrop and sides for their booth. The booth must be free standing and may not rely on building structure for support. Vendors may not rely on neighboring backdrop or side walls as their own. Pipe and drape is not provided and pop-up tents are not allowed inside buildings.

3. The back height for each indoor booth must be at least 8' and not to exceed 10'. This includes signage and displays for the booth. A solid back wall is required- no free standing mannequins or overstock may be displayed if unaccompanied by a solid back wall.

4. Vendors must supply all of their own display equipment, including tables and chairs. Vendors may rent display equipment from the decorator service at their own expense.

5. All merchandise, displays, fixtures, signs, chairs, and property of retail vendor must fit into the designated booth space and may not extend into the aisle in any way.

6. Side walls and merchandise displays may not exceed 4' in height for the first 4' of booth depth.

7. Vendor must display their booth name within the 8'-10' height of the booth. All signage must be of professional quality.

8. Tentative hours of operation:

Daily	10 AM - 8 PM
Closing Day 2/27/21	10 AM - 6 PM
