

# 2022 COMPETITIVE EVENTS PREMIUM LIST

**San Antonio**  
Stock Show & Rodeo®

LET'S RODEO SAN ANTONIO!  
**FEBRUARY 10-27, 2022**  
SARODEO.COM

Welcome!

We are celebrating the 73<sup>rd</sup> San Antonio Stock Show & Rodeo and are delighted to have you here as our guests as exhibitors and contestants! The San Antonio Livestock Exposition, Inc. is a volunteer organization emphasizing agriculture and education to develop the youth of Texas. Our 6,000 volunteers and an outstanding staff are the ones who make this show possible.

We appreciate your cooperation as we worked through numerous challenges last year. We are excited to see you February 2022. We currently offer a wide assortment of junior livestock shows and educational contests along with junior agricultural mechanics and junior shoot-out contests. All of these provide youth an opportunity to showcase their agriculture-based knowledge and skills in a competitive environment. While we celebrate all of our current shows and contests, we are also committed to developing and expanding our reach by offering even more opportunities to youth exhibitors.

Scholarship winners will join a special group of scholars. Currently there are over 1,500 active S.A.L.E. scholars enrolled in more than 100 colleges and universities throughout Texas. Since the inception of our show, we have provided over \$232 million to the youth of Texas in the form of scholarships, grants, endowments, auctions, calf scramble and show premiums.

My deep appreciation and thanks to the Livestock Committee Chairman and Vice-chairman, Sarah Franklin and Ryan Coble, respectively; Ag Mechanics Committee Chairman and Vice-Chairman, Lawrence Padalecki and John Brogdon, respectively; Junior Shoot-Out Committee Chairman and Vice-Chairman, Wade Mayfield and Tinker Lawson, respectively; Competitive Events Director and Manager, Dr. Brian Faris and Mikhaila Adcox, respectively; and all the Livestock, Ag Mechanics, and Junior Shoot-Out Volunteers. Your commitment and enthusiasm are what make it all possible.

God Bless,

David White  
President

## DIRECTIONS

### To FAIRGROUNDS...

**From Houston:** IH 10W. Take Houston Street Exit. Turn Right on the first street (Commerce Street). At the light turn Right on Houston Street. At the next light turn right on AT&T Center Parkway.

**From Kerrville:** IH 10E to IH 35N. Take IH 35N to Walters Street/AT&T Center Parkway Exit. Cross Walters Street and go to AT&T Center Parkway. Turn Right on AT&T Center Parkway.

**From Corpus Christi:** IH 37N to IH 10E. Take IH 10E to the Houston Street Exit. Turn left on Houston Street and cross under I10. Continue across Commerce Street to AT&T Center Parkway. Turn right on AT&T Center Parkway.

**From Blanco:** 281 S to IH35N. Take IH35N to Walters Street/AT&T Center Parkway. Cross Walters Street and go to AT&T Center Parkway. Turn Right on AT&T Center Parkway.

### To SAN ANTONIO STOCK SHOW & RODEO- SALADO CREEK PROPERTY (Livestock Staging/Trailer Lot)...

**From Fairgrounds East Gate:** From the East Gate turn Left (North) onto AT&T Center Parkway. Turn Right just before the I-35 overpass and travel North on the Frontage Road (Do not merge onto I-35). Proceed approximately 1 mile and turn Right on the street (Pace Picante Place) located between S.W. Brake & Alignment and the Truck Accessory Outlet. Proceed over 3 sets of active railroad tracks and onto the lot. (2201 Pace Picante Place; San Antonio, Texas 78219)

### To HEB Kirby Distribution Center...

**From Fairgrounds East Gate:** Turn Left out of the East Gate. Turn right onto Interstate 35 Frontage Road. Turn left onto I-410 Access Rd/Interstate 35 Frontage Rd. Sharp right onto Binz-Engleman Rd. Turn left onto I-410 Access Rd/NE Interstate 410 Loop. Turn right onto Greatfare. The warehouse is on the right at 4300 Industry Park Dr.

### To NATIONAL SHOOTING COMPLEX (Wildlife Recreation & Management Contest)...

**From Fairgrounds East Gate:** Turn Right out of the East Gate. At the first street, turn Left onto Houston Street toward I-10. Enter the ramp onto I-10 West. Merge onto Hwy. 90 West. Continue on Hwy 90 West and merge onto Stotzer Parkway/Hwy 151 toward Sea World. Stay straight to go onto 1604 Loop North. Turn Left onto Culebra Road (FM 471). Turn Left onto Rofit Road. The complex is on the right at 5931 Rofit Road.

## SHOW SCHEDULE TERMINOLOGY

**Arrival\*:** The term “Arrival” shall refer to the time at which animal and ag mechanics projects (projects) may arrive at Salado Creek Property. **All Projects must arrive at Salado Creek Property before entering East Gate (Gate E).** Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

\*The Salado Creek Property will be open twenty-four hours a day for exhibitors’ convenience.

**Arrival Deadline:** The term “Arrival Deadline” shall refer to the time at which Projects must have arrived at Salado Creek Property. Projects not having arrived at Salado Creek Property by the Arrival Deadline of the respective show/contest are subject to disqualification.

**Exhibitor Check-In:** The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Registration Papers, Animal Entry, Disposition Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an online check-in or kiosk system. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Late Arrival:** The term “Late Arrival” shall refer to rare exceptions to the Arrival Deadline approved exclusively by Show Management. Exhibitors should contact the Livestock Office at 210-225-0575 prior to the arrival deadline of the respective show to request a Late Arrival. When requesting a Late Arrival, be prepared to provide the following information:

Exhibitor’s Name(s)	Number of Head
Club or Chapter	Truck Information ( <i>make, model, color, license plate</i> )
Project Type	Trailer Information ( <i>type, length, color, license plate</i> )
Breed	Expected time of arrival

**Release:** The term “Release” shall refer to the time at which exhibitors may remove their Projects and tack from the grounds. Projects removed prior to the Release time are subject to disqualification and forfeiture of all premiums and awards. No livestock may exit the grounds between 10 PM and 7 AM.

**San Antonio Stock Show & Rodeo – Salado Creek Property:** The term “Salado Creek Property” or “SCP” shall refer to the area located at 2201 Pace Picante Place; San Antonio, Texas 78219 dedicated to receiving and staging Projects. No animal projects may be unloaded at Salado Creek Property at any time. Each vehicle must have a representative who remains at Salado Creek Property at all times. No open flames or BBQ pits will be allowed at the Salado Creek Property. Personnel at Salado Creek Property may move exhibitor trailers as necessary.

**Tack Vehicles:** The term “Tack Vehicle” shall refer to any vehicle or vehicle/trailer combination associated with animal projects transporting tack/equipment only. Tack vehicles must obtain a staging credential before entering the East Gate (Gate E). *Show Management reserves the right to determine what constitutes an acceptable tack truck.*

# GENERAL RULES

## Junior Show Entry Deadline: December 1, 2021

The San Antonio Stock Show & Rodeo is committed to the humane treatment of all animals exhibited. Every reasonable precaution is taken to promote the animals' safety and well-being. The production practices in the livestock industry are based on good principles of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

### Civil Authority Evacuation

The San Antonio Stock Show & Rodeo, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the San Antonio Stock Show & Rodeo, or classified by the authorities, and therefore the San Antonio Stock Show & Rodeo could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our show.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. San Antonio Police Department (SAPD) and San Antonio Stock Show & Rodeo uniformed Police Officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately.

The evacuation plan calls for certain, designated Law Enforcement personnel, San Antonio Stock Show & Rodeo management, and maintenance personnel to remain on the Show Grounds to secure the premises.

In the unfortunate event this occurs, the San Antonio Stock Show & Rodeo will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the Show Grounds. No one will be allowed back on to the Grounds until the authorities issue that order. San Antonio Stock Show & Rodeo Police and SAPD will enforce the order strictly and in accordance with instructions from the authorities.

**Your entry and participation in the 2022 San Antonio Stock Show & Rodeo is conditioned on your understanding and agreement that none of the San Antonio Livestock Exposition, Inc. ("S.A.L.E."); Bexar County, Texas ("County"); Bexar County Community Arenas Board ("CAB"); Community Arena Management ("CAM"); San Antonio Spurs, LLC ("Spurs"), or their respective Directors, Officers or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals during or after such an event, particularly with respect to an evacuation of the premises in the event of an emergency.**

**Important Definitions:**

**Arrival\*:** The term “Arrival” shall refer to the time at which animal and agricultural mechanics projects (projects) may arrive at the Salado Creek Property. All projects must arrive at Salado Creek Property before entering East Gate. Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

**Exhibitor Check-In:** The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Original Registration Papers, Kiosk Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an entry kiosk. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Project:** The term “project” shall be defined as any animal, agricultural mechanics project, agricultural science fair project or any entry competing in the San Antonio Stock Show & Rodeo Livestock Show.

**S.A.L.E.:** The term “S.A.L.E.” means San Antonio Livestock Exposition, Inc. and includes all of S.A.L.E.’s officers, directors, volunteers, veterinarians, agents, employees and members, as well as all of its affiliates, subsidiaries, successors and assigns. As used in paragraphs 6a and 6b, “S.A.L.E.” also includes Bexar County, Texas; Bexar County Community Arenas Board; Community Arena Management; San Antonio Spurs, LLC; and their respective officers, directors, managers, volunteers, agents, employees and members. S.A.L.E. is sometimes referred to in these Rules as the San Antonio Stock Show & Rodeo.

**Show Management:** The term “Show Management” shall be defined as any full-time staff member of the San Antonio Stock Show & Rodeo, show/contest Superintendent, or volunteer leader within the Livestock Committee.

**Tack Vehicle:** The term “Tack Vehicle” shall refer to any vehicle or vehicle/trailer combination associated with animal projects transporting tack/equipment only. Tack vehicles must obtain a staging credential before entering the East Gate (Gate E). *Show Management reserves the right to determine what constitutes an acceptable tack vehicle.*

**AST:** Agricultural Science Teacher (FFA Supervisor)

**CEA:** County Extension Agent (4-H Supervisor)

**Club/Chapter:** County 4-H Club or FFA Chapter

- 1. Interpretation and Violation of Rules:** Exhibitors are requested to report any rule violation to Show Management immediately so that appropriate action may be taken. S.A.L.E. reserves the final and absolute right to interpret these rules, and to settle and determine all matters, questions and differences in regard thereto or otherwise arising out of or connected with, or incident to, the San Antonio Stock Show & Rodeo; and to amend or add to these rules as its judgment may determine. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as S.A.L.E. may order.
- 2. Special Rules:** Special Rules are published in any department where necessary. If there is a conflict between the Special Rules and the General Rules, Show Management will make a ruling as to such conflict, which shall be binding and final.
- 3. Decisions:** The decision of the judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at or before the time of award, is proven. Any objections to a judge must be submitted in writing to Show Management prior to the event in question.
- 4. Official Protests:** Official Protests must be submitted in writing to the Livestock Office and accompanied by a \$300.00 deposit, which will be forfeited if the protest is not sustained. The protest must state plainly the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered to Show Management immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident will not be considered. These cases are referred to the Executive Director & CEO, who will have full power to act, and from whose decision there can be no appeal. Judging procedures will not be interrupted for protest investigation.

5. **Disqualification:** Should any project, contestant or team awarded a prize be disqualified, the lower placing project, contestant or team will not move into the higher position unless noted in Special Rules.

6. **COVID-19 Safety Information, Duty to Self-Monitor and Assumption of the Risk:**

All Exhibitors, their family members and other related persons participating in the livestock events or on-grounds at S.A.L.E.'s facilities shall comply with all health and safety orders, rules and guidelines related to COVID-19 promulgated by the State of Texas, County of Bexar, City of San Antonio, CDC and S.A.L.E. While participating in SALE events "social distancing" must be practiced and face coverings worn in strict compliance with local health regulations and ordinances to reduce the risks of exposure to COVID-19 as well as wash hands frequently, use hand sanitizer or antibacterial wipes, maintain social distancing and submit to non-invasive body temperature measurement. Any person presenting a body temperature above the temperature threshold designated by local health officials, will not be permitted to participate in the events or be on property at the S.A.L.E.'s facilities.

- a. **Safety Information:** Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, SALE has put in place preventative measures to reduce the spread of COVID-19. However, SALE cannot guarantee that its participants, volunteers, partners or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in SALE events or other face to face fundraising activities. By attending a SALE event, you certify that you do not fall into any of the following categories:

- i. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough and shortness of breath among others;
  - ii. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.
- b. **Duty to Self-Monitor:** Participants and volunteers agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, contact SALE at (210) 225-5851 if he/she experiences symptoms of COVID-19 within 14 days after participating or volunteering with SALE.
- c. **Assumption of the Risk:** I acknowledge and understand the following:
- i. Participation includes possible exposure to and illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist;
  - ii. I knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID-19, even if arising from the negligence or fault of the Released Parties; and
  - iii. I hereby knowingly assume the risk of injury, harm and loss associated with the Activity, including any injury, harm and loss caused by the negligence, fault or conduct of any kind on the part of the Released Parties.

7. **Liability:**

- a. All exhibits will be under the control and direction of the hosting organization, but S.A.L.E. shall not be responsible or liable for any loss, injury or damage which may occur. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or property exhibited by him/her, and for its description in the Premium List. All owners and persons in charge of property or animals shall care for, guard, protect and preserve the same, as S.A.L.E. does not undertake any obligation to do so and shall not be held responsible for any loss, shrinkage or damage to such property, animals or any owners or exhibitors thereof.

**b. RELEASE AND INDEMNITY: EACH EXHIBITOR, BY ENTERING OR EXHIBITING A PROJECT AT THE SAN ANTONIO STOCK SHOW & RODEO:**

EXHIBITOR HEREBY INDEMNIFIES, RELEASES AND HOLDS HARMLESS, AND AGREES TO DEFEND, S.A.L.E., COUNTY, CAB, CAM AND SPURS, AND EACH OF THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PARTNERS (GENERAL AND LIMITED), EMPLOYEES, OWNERS, INVITEES, AGENTS, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE “RELEASED PARTIES”) FROM AND AGAINST ANY DEMANDS, CAUSES OF ACTION, PROCEEDINGS, FINES, PENALTIES, LOSSES, LIABILITIES, DAMAGES, COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS’ FEES) OR CLAIMS FOR INJURIES TO PERSONS, INCLUDING DEATH, OR DAMAGE TO PROPERTY (COLLECTIVELY, “LIABILITIES”) TO WHICH THE RELEASED PARTIES, OR ANY OF THEM, MAY BECOME SUBJECT, WHICH ARISE FROM OR IN CONNECTION WITH, OR IN ANY WAY RELATE TO (I) ANY BREACH BY EXHIBITOR OF ANY OF THE TERMS OF THIS AGREEMENT; (II) ANY ACT OR OMISSION BY EXHIBITOR OR ANY OF ITS AGENTS, EMPLOYEES, INDEPENDENT CONTRACTORS, INVITEES OR GUESTS, INCLUDING ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT; OR (III) EXHIBITOR’S PARTICIPATION IN, INVOLVEMENT WITH OR ATTENDANCE AT ANY S.A.L.E. EVENT, OR EXHIBITOR’S ENGAGING IN A FARM ANIMAL ACTIVITY AS DEFINED IN SECTION 87.001 OF THE TEXAS CIVIL PRACTICE AND REMEDIES CODE, INCLUDING ALL SUCH LIABILITIES RESULTING FROM THE ALLEGED OR ACTUAL NEGLIGENCE OF S.A.L.E. OR ANY OF THE OTHER RELEASED PARTIES. EXHIBITOR HEREBY ACKNOWLEDGES AND AGREES THAT THE FOREGOING INDEMNITY AND RELEASE PROVISIONS INCLUDE INDEMNIFICATION AND RELEASE BY EXHIBITOR FROM AND AGAINST THE RELEASED PARTIES’ OWN NEGLIGENCE.

**8. Entry Rules**

- a. Eligibility:** Competition is open to the world, with the exception of the Junior Show (See Junior Show Rules). This is an invitational livestock show; S.A.L.E. reserves the right to extend or withhold an invitation to any exhibitor.
- b. Junior Show Entry:** Entries are not considered complete unless they have been submitted online on or before December 1, 2021. If payment is being mailed, it must be postmarked on or before December 1, 2021. Incomplete entries (entries not submitted online by the appropriate date) will be assessed an additional 10% fee.
  - i. Late Entries:** For any Junior Show entries submitted online from December 2-15, 2021, all standard entry fees will be doubled, if accepted.
  - ii. Late Entries:** For any Junior Show entries postmarked or received from December 16, 2021 until the end of exhibitor check-in for the respective show or contest, a late entry fee of \$250 per entry will be assessed, if accepted.
  - iii. Show Management** may turn away any late entry without explanation.
- c. Open Show Entry:** Entries are not considered complete unless they have been submitted online on or before December 1, 2021. Incomplete entries (entries not submitted online or postmarked by the appropriate date) will be assessed an additional 10% fee.
  - i. Late Entries:** For any Open Show entries submitted online and postmarked from December 2, 2021-January 15, 2022, all standard entry fees will be doubled, if accepted.
  - ii. Late Entries:** For any Open Show entries postmarked or received from January 16, 2022 until the end of exhibitor check-in for the respective show or contest, a late entry fee of \$100 per entry will be assessed, if accepted.
  - iii. Show Management** may turn away any late entry without explanation.

Senior Citizen (ages 65 & over).....	\$5
Children (3 to 12 yrs of age) .....	\$5
Children (2 years old and under).....	Free

UPDATED

***Parking Passes***

Parking Passes must be fully affixed to the windshield. Partially applied, laminated, wrapped, or taped stickers are not valid. Failure to comply will result in confiscation of Parking Pass and loss of parking privileges. **Parking Passes sold at the Competitive Events/Livestock Office are sold on a first-come, first-serve basis and are not guaranteed to be available at all times.**

**Open Show Exhibitors:** Each exhibitor may purchase up to three Parking Passes for the week they are showing. Week 1 Parking Passes may be purchased at time of entry at the Competitive Events/Livestock Office.

**Junior Show Exhibitors:** Each exhibitor may purchase one Parking Pass for each week they are showing. Week 1 and/or Week 2 Parking Passes may be purchased at time of entry at the Competitive Events/Livestock Office.

**Club/Chapters:** Each Club/Chapter will be issued one free Parking Pass valid for each week exhibitors are showing for the AST/CEA or CTE/STEM Director to supervise projects. Each Club/Chapter will have the option to purchase up to three additional Parking Passes per week for additional AST/CEA or CTE/STEM Directors who will be supervising projects. Each judging team will receive one (1) free Parking Pass valid for date of contest.

UPDATED

<b>Week #1 Parking Pass (Valid Feb. 9-19)</b>	<b>\$30.00 (If purchased before December 16, 2021)</b> <b>\$35.00 (If purchased on or after December 16, 2021)</b>
<b>Week #2 Parking Pass (Valid Feb. 19-27)</b>	<b>\$30.00 (If purchased before December 16, 2021)</b> <b>\$35.00 (If purchased on or after December 16, 2021)</b>

***Premium Passes***

The Premium Pass is an optional pass designed to assist exhibitors who work with others to consolidate their animals into fewer trailers. Purchasers of the Premium Pass will receive access to a more expedited arrival process. Premium Pass includes separate arrival and staging lanes that allow exhibitors to bypass traditional staging lines at the Salado Creek Property. Premium Passes are not substitutes for any other Parking Pass as privileges do not extend beyond the Salado Creek Property. Premium Passes will be available for purchase by AST/CEA via the online entry system (up to the maximum limit) on a first-come, first-serve basis. The Premium Pass is **NON-TRANSFERABLE, NON-REFUNDABLE** and is available for the following arrivals only:

<b>Eligible Species Arrival</b>	<b>Arrival Date</b>	<b>Minimum hd./trailer</b>	<b>Purchase Price</b>	<b>Maximum Passes Sold</b>
<b>Junior Breeding Gilt/Crossbred Gilt</b>	Wed., Feb. 9	5	\$500	40
<b>Junior Market Lamb/Goat</b>	Tues., Feb 15	5	\$500	80
<b>Junior Breeding Heifer Group 1</b>	Tues., Feb 15	3	\$500	40
<b>Junior Breeding Heifer Group 2</b>	Fri., Feb 18	3	\$500	40
<b>Junior Market Barrows Group 1</b>	Sat., Feb 19	5	\$500	40
<b>Junior Market Barrows Group 2</b>	Tues., Feb 22	5	\$500	40

**Salado Creek Property**

A Premium Pass Set (1 Livestock & 1 Tack) is valid at the Salado Creek Property for one vehicle/trailer hauling livestock and one tack vehicle/trailer. When arriving at the Salado Creek Property, the Premium Pass hangtag/permit must be hanging from the rear-view mirror or displayed on the driver's side dashboard of each respective vehicle. Drivers should follow signage and receive further instruction from volunteers. Expedited arrival services do **not** extend beyond the Salado Creek Property.

**Minimum Head per Trailer Requirements**

Fundamental to the Premium Pass concept, minimum head-per-trailer requirements will be strictly enforced. Any combination of Junior Breeding Gilts and Crossbred Gilts may be used to meet Breeding Gilt requirement. If different species arrive on one trailer (ex. Junior Market Goats + Junior Breeding Heifers), the trailer must meet the minimum head-per-trailer requirement for at least one specie.(i.e. 5 Breeding Gilts, 5 Market Goats, 5 Market Lambs, 3 Junior Heifers, 5 Market Barrows). No animals will be allowed on the tack trailer. **Those not meeting stated requirements will void the Premium Pass, be assigned to the end of the staging line.**

**Stalling**

With the exception of Pre-Penned Market Lamb/Goats, exhibitors will be stalled upon arrival. Groups wishing to be stalled together must arrive at the Salado Creek Property together. All vehicles in the group must have a Premium Pass. Those without a Premium Pass will be assigned to the end of the traditional staging lanes. The Premium Pass does not grant any additional stalling considerations.

10. **Parking:** Livestock Exhibitor parking will be in Lots 6 & 7 (Gate G). Overflow parking will be available, if necessary. **NOTE:** There will be NO Livestock Exhibitor Parking permitted in Lot 5.
11. **Project/Animal Substitution:** Substitutions are to be made only in the Livestock Office or directly to the show Superintendent, unless otherwise announced. Substitutions not officially recorded in this manner are invalid. Substitutions will not be permitted once Check-In is complete. Substitution Forms must be filled out completely. Registration Certificates will be required to verify ownership. Substitution of owners is not permitted. Substitution Forms are located on the website at [Livestock Show \(sarodeo.com\)](http://Livestock Show (sarodeo.com)).
- Animal/project substitutions mailed to the Livestock Office and postmarked by January 15, 2022 = No Charge.  
Substitutions made after January 15, 2022 = \$100.

**SUBSTITUTIONS MAY ONLY BE MADE WITHIN THE SAME DEPARTMENT  
(Otherwise it is considered a separate entry; subject to a late entry fee).**

12. **Refunds:** There will be no refund of fees. In the event of cancellation of a specific contest/show, refunds may be offered in-partial or in-full, and will be determined solely by the San Antonio Stock Show & Rodeo.
13. **Premiums:** Premium monies will be distributed by the San Antonio Stock Show & Rodeo. In some cases, premium checks may be held until all funds from all sources are received by the San Antonio Stock Show & Rodeo. Auction checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission (floor) checks to the 4-H or FFA address. If premium and/or auction checks are reissued for any reason a \$35 fee per check will be subtracted from the premium/auction total.
14. **Barred Exhibitors:** The San Antonio Stock Show & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association Rule Infraction Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.
15. **Ownership Requirements:** All animals must be entered in the name of the owner(s) as shown on the Original Registration Certificate.
16. **Breeding Animals:** Animals in the breeding classes (with the exception of Crossbred Gilts, Commercial Ewes and Commercial Does) must be recorded or accepted for record in the Herdbook of their Association. Exhibitor must give the following: (a) owner's name; (b) mailing address; (c) breed; (d) name; (e) registration number; (f) sex; (g) birthdate; (h) sire name; and (i) dam name of the animal. If any of this information is not given, the entry will not be accepted unless otherwise stated in individual Department Rules.

17. **Stalling:** Insofar as possible, shelter will be provided for projects. The Show does not charge a stall fee in barns and does not guarantee stall space to any entry. Stalling will be based on the number of eligible projects arriving at the SCP and not the number of original project entries. Stalls will be assigned upon arrival at the Salado Creek Property Staging Office, with the exception of Pre-Penned Junior Market Goats & Junior Market Lambs. Certain stalling requests in extenuating circumstances may be granted, but no other general stalling requests will be considered. Exhibitors found deliberately attempting to gain more stalls than appropriate will be subject to punishment from Show Management including, but not limited to, disqualification, removal from the Grounds, banning from future competition, etc. No early arrivals are allowed without permission from the Competitive Events/Livestock Office.
18. **Erroneous Entry:** Projects that have been erroneously entered may be transferred to the proper class prior to judging, and upon application to the Superintendent, who will determine the matter. If such classes have been judged they shall not be reopened. No project shall be changed from one class to another after the Check-In unless it is ineligible for the class in which it is entered. In some cases, the project may be disqualified.
19. **Sifting/Classifying Committees:** Breed Associations and/or the San Antonio Stock Show & Rodeo may appoint Sifters and Classifiers to inspect projects. Projects may be reassigned or disqualified based on the decisions of Sifters and Classifiers. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the exhibitor concerned.
20. **Judging:** Exhibitors are responsible for knowing the times at which their projects will be judged. Any project not presented promptly will be ruled ineligible and barred from competition. No complaint or protest on the Grounds that the judge overlooked projects will be considered.
21. **Interference:** If any exhibitor, in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them or the show, is subject to be penalized. Show Management may demand a proper apology from the exhibitor, may exclude him/her from competition, bar him/her from the Grounds, and may also withhold any prizes that may have been awarded.
22. **Restraint / Unruly Animals:** Exhibitor and patron safety are a top priority. Therefore, Show Management or Livestock Committee Leadership/Ring Stewards may remove any unruly animal from the show and/or the Grounds at any time; there will be no appeal. Cattle must be shown with halter and be sufficiently gentle to be properly handled by one attendant. If exhibition of a project poses a danger to the exhibitor and/or other parties, Show Management reserves the right to allow a substitute exhibitor or remove the project from competition. In some cases, projects may be instructed to be removed from the Grounds.
23. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species.
24. **Release:** No project may be removed from the Grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Superintendent says otherwise. Anyone attempting to load projects before their release time may have their truck and/or trailer towed away. No livestock may exit the Grounds between 10:00 PM – 7:00 AM. Any violation of release times will cause the forfeiture of all premium and/or auction monies earned, and the exhibitor may be barred from future participation.
25. **Photographs:** Exhibitors agree to present their project(s) at the request of show officials for official photographs. All photographs taken by the official photographer(s) become the property of the San Antonio Stock Show & Rodeo. Unofficial (i.e. personal) photographs may not be published without written approval of Show Management. Exhibitors wishing to purchase photographs must contact the Official Photographer.

Commercial photography and filming are often conducted at the San Antonio Stock Show & Rodeo. You may be depicted in photographs or video recordings of any San Antonio Stock Show & Rodeo event, and by entering the Grounds and/or competitive events associated with the San Antonio Stock Show & Rodeo, you consent to the use of any depictions in connection with advertising, news reporting, public relations, webcasts or other broadcasts, or any other activities relating to the San Antonio Stock Show & Rodeo, and you further release and waive all claims for compensation and any rights of review and approval, copyright, and right of publicity with respect thereto.

- 26. Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.
- 27. Project/Animal Care/Security:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the San Antonio Stock Show & Rodeo does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) until they depart for their final destination (processing/ranch/etc.). The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The San Antonio Stock Show & Rodeo is not responsible for the acts of a third party.
- 28. Unethically Fitted Livestock:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered, and the misrepresentation of breeding or milking status, are prohibited.
  - a. Description:** Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal's body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. Unethical fitting includes but is not limited to the following:
    - i. Animals that are in milk due to an unnaturally induced lactation.
    - ii. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
    - iii. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
    - iv. Blocking the nerves to prevent limping or switching of the tail.
    - v. Bruising or blemishes negatively impacting food safety or marketability of an animal's carcass.
    - vi. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, or hair, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming of hooves.
    - vii. Insertion of foreign material under the skin.
    - viii. Changing the color of hair, spot or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the show.
    - ix. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus).
    - x. The use of diuretics.
    - xi. Administration of an illegal, unapproved, or performance enhancing drug internally or externally.
  - b. Verification:** The exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding, age, and milking status are correctly stated. All Junior Market and Junior Breeding Animals will be required to have signatures on each entry certification stating that the animal is not unethically fitted. These forms must be signed by all of the following:
    - i. Junior Exhibitor
    - ii. Parent or Guardian
    - iii. Agricultural Science Teacher (AST) or County Extension Agent (CEA)

- c. **Medication received prior to the show:** In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. Grounds, they must remain free and clear of all residues of medications, drugs, chemicals and other substances. Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers within the residual clearance time, **are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the Official San Antonio Stock Show & Rodeo Veterinarian prior to competition.**
- d. **Medication during the Show:** The Official Show Veterinarian Office is located at the north end of Animal Adventures/Cattle Barn #2. For the convenience of exhibitors, the San Antonio Stock Show & Rodeo arranges to have veterinarians available; however, they do not donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor's responsibility to properly communicate to the veterinarians if the animal is eligible for further competition. **All medication and treatment administered during the livestock show must be administered by the Official San Antonio Stock Show & Rodeo Veterinarian** and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show Veterinarian is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.
- e. **Drug:** The term "drug" shall mean any substance the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.
- f. **Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (re Optaflexx™; Paylean®) in market entries other than market steers or market barrows, respectively. S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (re Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (re Zilmax®) in any market species or breeding animal.
- g. **Inspection/Testing:**
- i. Each exhibitor, by entering or exhibiting an animal at the San Antonio Stock Show & Rodeo, agrees that any animal entered by him or her may be subjected to inspection or examination by any veterinarian appointed by S.A.L.E. and that S.A.L.E. may subject any such animal to any tests, sample-takings, or inspections that S.A.L.E. deems necessary or appropriate, including but not limited to testing for drugs or other substances, at any time. S.A.L.E. shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, D.N.A., blood, tissue, and urine laboratory analysis, on any animal entered in or exhibited at the San Antonio Stock Show & Rodeo. The exhibitor or approved substitute exhibitor (and, for Junior exhibitors, the exhibitor's parent, legal guardian, or AST or CEA) must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for analysis. Subsequent samples of any sort may be taken by or for S.A.L.E. without the presence of the exhibitor or his or her parent, legal guardian or AST or CEA.
  - ii. All decisions, determinations, and conclusions based on any test, inspection, analysis or examination shall be final and conclusive without recourse against S.A.L.E. or any of its officers, directors, volunteers, and employees, or any veterinarian appointed by S.A.L.E.
  - iii. **EACH EXHIBITOR, BY ENTERING AND EXHIBITING AN ANIMAL OR PROJECT IN OR AT THE SAN ANTONIO STOCK SHOW & RODEO, WAIVES AND RELEASES S.A.L.E. FROM ANY AND ALL CLAIMS, SUITS, CAUSES OF ACTION, LIABILITIES, DAMAGES, DEMANDS, COSTS, EXPENSES (INCLUDING ATTORNEYS' FEES), AND OTHER LOSSES OF EVERY SORT BASED ON, ARISING OUT OF, OR RELATING TO THE**

**INSPECTION OR TESTING OF ANY SUCH ANIMAL AND ANY RULING, DECISION, OR ACTION TAKEN AS A RESULT OF OR IN RELIANCE ON THE RESULTS OF ANY TEST OR INSPECTION, WHETHER OR NOT SUCH TESTING OR INSPECTION WAS CONDUCTED IN COMPLIANCE WITH THESE RULES. THE FOREGOING WAIVER AND RELEASE APPLIES TO ANY CAUSES OF ACTION, CLAIMS, AND DEMANDS BASED ON S.A.L.E.'S ACTUAL OR ALLEGED NEGLIGENCE.**

- iv. **All testing conducted at the election of S.A.L.E. will be paid for by the Show. Payment for any other tests (i.e. blood typing, etc.) required in the Junior Livestock Show will be the sole responsibility of the exhibitor and at the discretion of the Official Show Veterinarian.**
  - h. **Breeding Animals:** As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.
  - i. **Wholesome Meat Act:** The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the Grounds and exhibited:
    - i. Animals must be in good health and carcasses free of drug or chemical residues.
    - ii. Drug label directions for use and withdrawal periods must be followed.
    - iii. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

**The San Antonio Stock Show & Rodeo will in no way be liable or responsible for the condition of carcasses or the sale price of the animal.**
  - j. **Federal Food, Drug and Cosmetic Act:** As required in 21 CFR 589.2000, entry in the Junior Commercial Steer, Junior Market Goat, Junior Market Lamb, and Junior Market Steer Show shall serve as verification by the exhibitor that, to the best of their knowledge, while under their ownership, possession or direct control, the animal(s) were not fed any feed containing ruminant-derived meat or bone meal. Entrants agree to allow packer inspections of feed ingredient records and facilities.
  - k. **Consequences:** In the event that S.A.L.E. determines any animal to be unethically fitted, the Executive Director & CEO is authorized to disqualify the exhibitor and his or her animal and may permanently bar the exhibitor and his or her family from any further participation in the San Antonio Stock Show & Rodeo. Reinstatement of any barred exhibitor may be made only by the Executive Director & CEO. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if the animal or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter or deemed unmerchantable. S.A.L.E., in cooperation with member shows of the North American Livestock Show & Rodeo Managers Association, reserves the right to submit the name(s) of any disqualified exhibitor to the organization's Rule Infraction Database.
- 29. Exhibitor Behavior:** The San Antonio Stock Show & Rodeo does not condone and will not permit aggressive behavior towards animals or any other persons. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the Show Grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the Grounds and/or any future competition. Protests are not permitted.
- 30. Animal Health Requirements:** State Law requires most stock entering the Grounds to be accompanied by proper health papers that shall be presented at the time stock arrives on the Grounds at the Salado Creek Property Staging Area. See Texas Animal Health Commission Rules for detail, there will be no exceptions. All livestock must enter through the East Gate (Gate E) only with the proper credentials from Salado Creek Property Staging Area.
- 31. Diseased Animals:** No animals found to have a disease of any character will be admitted to the Grounds at any time, and Superintendents are instructed and authorized to refuse unloading privileges to any stock found to have an undesirable ailment. This includes market barrows that stress and are unable to walk off of the trailer and to their assigned pen on their own.
- 32. Exhibitor Numbers:** Each entry will be assigned a number. If an exhibitor is assigned a back number, this number must be displayed by the exhibitor when project(s) is being judged.

33. **Scales:** Exhibitors will not be allowed to bring portable scales on the Grounds. Insofar as possible, scales will be provided by the show in all barns but are unofficial and provided for exhibitor's convenience only.
34. **Exhibitor Campgrounds:** Campground space will be extremely limited for most shows. Parents, CEAs, ASTs, adult leaders or their representatives are asked to assist in reducing the number of chairs from their respective county or chapter. Exhibitors must be aware of their surroundings and cognizant of others when making space for their campgrounds. Exhibitors abusing campground areas will be subject to disqualification.
35. **Objectionable Exhibits:** Show Management reserves the right to remove from the Grounds any exhibit, animal or project that may be falsely entered or deemed unsuitable or objectionable, without assigning a reason therefore. All fees will be forfeited.
36. **Unauthorized Projects:** Any project(s) brought onto the Grounds which is/are not entered for competition, exhibition or consigned to sales are subject to becoming the property of the San Antonio Stock Show & Rodeo.
37. **Bedding/Feed:** Bedding will be provided by the show. Dairy exhibitors may use grass hay or straw at their own expense. The use of artificial grass mats and carpets are prohibited as bedding in all barns. Straw/hay bedding is prohibited in beef cattle stalls. Exhibitors may not bring excessive amounts of feed and/or bedding onto the Grounds. Exhibitors will not be allowed to store excessive amounts of tack and feed in the stalling areas, nothing will be allowed on top of the cattle stalls. Insofar as possible, feed, hay, and bedding will be available for sale on the Grounds. Discretion as to what constitutes acceptable bedding is held exclusively by Show Management.
38. **Stalls, Pens and Alleys:** Stalls, pens, alleys and exhibit spaces must be cleaned before 8:00 AM each day. No automatic waterers will be allowed in any stalls/pens. Pens will not be taken apart or altered in any way. No lights are to be strung on the stalls or pens. Pens cannot be covered with tarps, covers, etc. Refuse matter must be disposed of as follows: Manure and/or bedding into designated dumpsters; trash into trash barrels. Feed, chairs, equipment boxes, etc. are not permitted in the main alleys or in barn aisles. Exhibitors may be granted access to the livestock barns 24 hours per day.
39. **Tack:** Tack vehicles must obtain a staging credential before entering the East Gate (Gate E). Show Management reserves the right to determine what constitutes an acceptable tack vehicle.
40. **Fans:** Fans will only be allowed in the Cattle Barn. No fans will be permitted in aisles at any time. Fans behind cattle are not allowed. Fans will be limited to one fan per five head of cattle. *Portacool or similar fans will not be permitted on Grounds.* No fans will be permitted in the Morris Activity Center and Swine Barn at any time, or in the Auction Barn during the Junior Commercial Steer Show.
41. **Signs:** A sign, of reasonable size, provided by the exhibitor is recommended over each project including exhibitors/owner's name and organization. No sign, which refers in any way to a commercial product, including "For Sale" signs, may be placed over any livestock exhibit, on walls, posts, and doors; such signs will be confiscated. Show Management reserves the right to remove any sign for any reason.
42. **Electrical Equipment:** All electrical equipment brought onto the Grounds must conform to all applicable safety regulations. Any exhibitor who refuses to cooperate with Show Management in this matter will have their exhibit/project immediately removed from the Grounds and will forfeit all fees and premiums.
43. **Generators/Fuels:** Generators and flammable fuels are prohibited on Show Grounds.
44. **Campers/Trailers:** Pickup trucks with campers may park inside Grounds but cannot be used as living quarters. House and cook trailers are not permitted to enter the Grounds. When trailers are on Salado Creek Property exhibitors may not use slide outs or awnings.
45. **Pets:** No pets are allowed on Grounds.
46. **Cooking:** Cooking is not allowed on the Grounds at any time. No cookers, crock-pots, microwaves, coffee pots, warmers, or any other cooking utensils are permitted on the Grounds. No open flames or BBQ pits will be allowed on the Salado Creek Property Staging Lot. Any cooking utensils, including coffee pots, brought onto the Grounds will become property of the San Antonio Stock Show & Rodeo.

- 47. Trailer Parking:** Trailers must be unhooked from vehicle when stored at Salado Creek Property. All trailers must be removed from the Salado Creek Property Lot by 1 PM, Sunday, Feb. 27. San Antonio Stock Show & Rodeo personnel reserve the right to relocate trailers on the property, when necessary, at Salado Creek Property.
- 48. Electronic Communication:** The use of electronic communication devices (i.e.: two-way radios, cell phones, smart watches) by exhibitors during competition, including judging contests, skillathons, livestock shows, etc. is prohibited.

**WARNING**

**UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.**

# JUNIOR LIVESTOCK SHOW

## JUNIOR SHOW RULES

**Junior Entry Deadline:**  
**December 1, 2021**

- 1. Eligibility:** The Junior Show is limited to entries from within the state of Texas. The term "exhibitor" shall mean the bona fide owner of the project. Junior Show exhibitors are subject to the General & Junior Rules as well as the Special Rules. Exhibitors are responsible for knowing and complying with all rules of this show.

Exhibitors must be bona fide members of a Texas County 4-H Club or Texas FFA Chapter. Exhibitors must have continuously, personally, fed and cared for their projects under the direct supervision of an AST or a CEA.

Exhibitors may enter as either a Texas 4-H or FFA member, but not as both in the same Department. Any exhibitor who enters as both in the same Department will have all his/her entries disqualified without refund of fees.

To be eligible, boys or girls must be enrolled in, and attending, public, private or home school elementary or secondary schools in Texas at time of show; be between the ages of 9 and 18 on August 31, 2021, or be between 8 and in the third grade and 18 on August 31, 2021, and be bona fide residents of the State of Texas.

Junior exhibitors and contestants suspended under Texas Education Code 33.081 "No Pass, No Play" are ineligible to participate in any San Antonio Stock Show & Rodeo Junior Livestock Show activity, event or competition. Any project owned by an ineligible exhibitor is ineligible for competition, this includes Agricultural Mechanics and Junior Shoot-Out entries.

All 4-H and FFA exhibitors are considered to be academically eligible by the San Antonio Stock Show & Rodeo to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to the appropriate Superintendent or to the Livestock Office at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the San Antonio Stock Show & Rodeo will consider the exhibitor as eligible to participate.

UPDATED

- 2. Social Security Number Requirement:** Exhibitors/Contestants offered a scholarship must provide their Social Security Number to show management upon request in order to fully qualify for funding.
- 3. Foreign Exchange Students:** Foreign Exchange students are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.
- 4. Non-United States Citizens:** Non-United States Citizens are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.

UPDATED

- 5. Entry:** The San Antonio Stock Show & Rodeo makes available to ASTs and CEAs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Junior Livestock Show, subject to these Junior Rules. These rules are only minimum requirements for participation in the Show and are not intended to limit the right of any AST or CEA, or the Texas A&M AgriLife Extension or the Texas Education Agency, to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available to Parents, Exhibitors and ASTs/CEAs supervising these Junior Show projects. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. In no event shall any AST or CEA be considered to be an agent of the San Antonio Stock Show & Rodeo for any purpose.

Entries in the Junior Show must be made by the Parent, Exhibitor or AST or CEA under whose supervision the projects were managed. The AST or CEA must certify the exhibitor is a bona fide member of their respective Chapter or Club and are eligible under the rules of this show. It is the responsibility of the Parent, Exhibitor and AST/CEA to read all rules. The Parent and Exhibitor must sign the Junior Show Entry Agreement at time of entry. If entries are not correctly submitted they will be returned.

4-H clubs and FFA chapters must submit their payment before entries are considered valid. Junior entries must be completed using the online entry system along with one (1) check to cover total fees due (entries and passes), if electronic payment was not made. Entries may be made through the Parent, Exhibitor or 4-H Club/FFA Chapter and submitted online at [www.sarodeo.com](http://www.sarodeo.com). Checks for Junior entries must be drawn on 4-H or FFA accounts, money orders, or cashier's checks. **Personal checks will not be accepted for the Junior Livestock Show.**

UPDATED

6. **Signatures:** All exhibitors must have the required original signatures (Exhibitor and Parent or Guardian) on each Junior Show Entry Agreement Form.
7. **Quality Counts:** To be eligible to compete in the Junior Breeding and/or Junior Market Shows, exhibitors will need Quality Counts verification. The Quality Counts verification number must be recorded on the online entry when entering the project. Please refer to the website <https://agrilife.org/qualitycounts/> for information on how to become verified.
8. **Ownership:** Exhibitors must own, feed, care for, and exhibit their animals/projects at the beginning of and throughout the entire feeding and fitting period. It is critical for the exhibitor to be actively involved in all phases of the project to maximize the educational experience. The exhibitor may receive assistance from the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer, or other 4-H or FFA members. Show Management will rule on all issues regarding ownership.
9. **Ownership/Fitting Periods:** The required ownership and fitting periods are:

Market Animals: Validation will be used to verify ownership date for market animals.

Market Steers	June 30, 2021
Market Lambs	October 31, 2021
Market Goats	October 31, 2021
Market Barrows	November 30, 2021

UPDATED

Registered Breeding Animals: Registration Certificates will be used to verify ownership date for breeding animals with the exception of Crossbred Gilts, Commercial Ewes and Commercial Does. Animals must be registered in the Herdbook of their Association in only the name of the Junior owner(s) on or before the required ownership date (see below). Registration Certificates must state the name of the Junior owner(s) only. Registration Certificates that list any additional names besides the name(s) the entry is validated under will be disqualified. Registration Certificates must be available upon request.

Purchase, delivery, possession, transfer, and registration must all take place on or before the required ownership date listed below. Original Registration Certificates must be available at all times.

Registered Sheep, Registered Boer Goats: October 1, 2021 *(Must be validated through Breeding Sheep or Breeding Goat Validation on or before October 31, 2021)*

Commercial Ewes, Commercial Does: October 31, 2021 *(Must be validated through Breeding Sheep or Breeding Goat Validation on or before October 31, 2021)*

Angora Breeding Goats, Beef Breeding Heifers, Dairy Heifers: November 1, 2021 *(Beef Breeding Heifers must complete all phases of heifer validation through the Texas 4-H & FFA Breeding Heifer Validation Program on or before November 8, 2021)*

Purebred Gilts, Crossbred Gilts: December 1, 2021 *(Gilts must be validated through Breeding Gilt Validation on or before December 1, 2021. All Registration Papers for Purebred Gilts must be uploaded by December 15, 2021.)*

UPDATED

10. **Partnerships:** Partnership animals are not eligible in the Junior Livestock Show. Co-ownership of some animals in the breeding show may be eligible based on Validation Rules. Refer to Special Rules for respective show for more details.
11. **Ineligible Animals:** Any animal that has been sold during the feeding period via private treaty or public auction is ineligible to show. If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal ownership is considered broken and the animal is ineligible. This specifically excludes animals sold at the local or county level at a Premium Auction, where the animal in question never had the possibility of changing ownership. Any animal that has sold at auction at any major livestock show is not eligible for the Junior Show.

12. **Ineligible Exhibitor:** A Junior exhibitor who has placed a Grand Champion Pen of Commercial Steers, Market Steer, Market Lamb, Market Barrow, Market Goat, Market Turkey (Hen or Tom), or Market Broiler at any prior San Antonio Stock Show & Rodeo is not eligible to enter the Department in which that Grand Champion was selected.
13. **Double Entries:** Animals shown in the Junior Show may also be shown in the Open Show if classes are available. See instructions in the Special Rules of each department.
14. **Exhibitor Substitution:** Entries in the Junior Show must be shown by their owner. Exhibitor substitutions may be allowed under the conditions outlined below. In all cases, the Department Superintendent must approve the exhibitor substitution and will do so only if all conditions are met.

Substitute exhibitors may show only one project (except in departments which exhibitor may enter more than one project), in addition to their own project, in each Junior Department. Substitute exhibitors must be entered and exhibiting their own project in the respective department in which they are serving as a substitute. An exhibitor of a past grand champion in a respective junior market animal department is not eligible to serve as a substitute exhibitor within that department.

- a. ***Substitution A - Other School Activity:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the statement must be submitted to the Department Superintendent prior to the start of the respective Show. Attending school or practice does not constitute as an Other School Activity. Examples of Other School Activities are UIL events, school sports, or similar events.
- b. ***Substitution B - Sickness:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a Physician, on his/her letterhead. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the Physician's statement must be submitted to the Department Superintendent prior to the start of the respective Show.
- c. ***Substitution C - More Than One Entry In A Class or the Exhibitor Has Entries In More Than One Department Showing At The Same Time:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form must be submitted to the Department Superintendent prior to the start of the respective Show.

In any of the three situations listed above, or in the case of an emergency, the Department Superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter, or 4-H Club as the original exhibitor with the following two exceptions:

- i. The original exhibitor is the only exhibitor from that school, FFA Chapter, or 4-H Club entered in that Department.
- ii. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any junior exhibitor, who is entered and exhibiting in the respective department, meeting the approval of the Department Superintendent may exhibit the animal.

15. **Fitting:** The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

- 16. Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be a family member of the exhibitor, AST/CEA other 4-H/FFA member, or Local County/Chapter Adult Volunteer) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his/her club/chapter.
- 17. Junior Auction Animals:** All placing Market Barrows, Market Broilers, Market Goats, Market Turkey Hens, Market Lambs and Market Steers must be sold through the Junior Livestock Auction. Animals sold in the Junior Livestock Auction must remain under the exhibitor's care and at his/her expense for the duration of the Show, and be displayed under the direction of the Show. The Junior Livestock Auction is limited to placing animals. Decoration of market animals for the Junior Livestock Auction is prohibited; animals must be presented for Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).
- 18. Junior Livestock Auction Exhibitors:** Exhibitors with projects eligible for the Junior Livestock Auction need to be aware that auction procedures may dictate that an exhibitor is required to walk a designated project across the auction block in place of their own project, or the exhibitor may be required to walk across the auction block without a project. The exhibitor must present his/her project for the Auction or the project will be sold as a no-place. Exhibitors who are unable to attend the Junior Livestock Auction may request a substitution. This request must be made on the Official San Antonio Stock Show & Rodeo Auction Exhibitor Substitution Form provided by Show Management. Auction Exhibitor Substitutions must be approved by Show Management.
- 19. Terminal Shows:** This is a terminal show for Commercial Steers, Market Barrows, Market Goats, Market Lambs, Market Poultry and all placing Market Steers. All Commercial Steers, Barrows, Goats, Lambs, Poultry and placing Market Steers brought onto the grounds must go to market. Non-placing Market Steers may be sold at the market price or they may be released.
- 20. Sift, Non-Place, Premium, and Auction Checks:** Owners will be paid by the Commission Company for sifted and non-placing animals based on official turn-in weight. Projects that weigh less than the designated allowance within the specific department may be documented, sold on the re-weigh weight, and the exhibitor will be administered at \$20 office handling fee which will be deducted from their floor check. Checks will be mailed directly from the Commission Company for projects that do not qualify for the Junior Livestock Auction. If applicable, premium monies for class placing will be distributed by the San Antonio Stock Show & Rodeo and mailed to the 4-H or FFA address. Auction sale checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission checks (floor) to the 4-H or FFA address.

#### **Market Animal Disposition**

The San Antonio Stock Show & Rodeo strives to ensure a fair price for market animal projects. Market conditions may dictate the sale of market animals be conducted through local terminal markets (i.e. sale barns, etc.). The San Antonio Stock Show & Rodeo reserves the right to charge the exhibitor freight, yardage, and any and all marketing fees applicable to the sale of each animal. Animals should be in accordance with all representations throughout the validation/ownership period. Any animal deemed unmerchantable due to lameness, illness, blindness, etc. will receive no value.

- 21. Animal Load-Out:** It is the responsibility of each exhibitor to deliver his/her animal to the designated load out area and that all documentation has been appropriately filed and completed.
- 22. Market Animal Eligibility:** To meet Country of Origin labeling requirements, all animals entered or exhibited in a Junior Market Division must be bred, born and raised, in the United States.
- 23. Blocking Tables & Trim Chutes:** No Market Lamb or Market Goat Blocking Tables are permitted on grounds. No Steer or Junior Heifer Trim Chutes are permitted on grounds.
- 24. Blow Dryers:** No blowers will be permitted during the Junior Market Shows.
- 25. Fire Regulations:** Due to fire code regulations, no equipment, showboxes, trim chutes, chairs, etc. will be allowed in aisles. Blocking of any aisle will be strictly prohibited. Please make necessary provisions, if needed, to store equipment safely in or above pens in the lamb/goat and swine barns.

## ANIMAL HEALTH REQUIREMENTS

San Antonio Livestock Exposition, Inc. (SALE) officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the SALE requirements if there is a dispute between the two in which S.A.L.E. rules are less restrictive than TAHC regulations. The following summary is a condensed version of the Texas Animal Health Commission regulations. Please contact the Texas Animal Health Commission at 1-800-550-8242 or visit their website, at <http://www.tahc.texas.gov/regs/entry.html>

SALE considers itself an **interstate** (accepting entries of livestock and poultry from within Texas and from other states) show for livestock entries. Due to animals from other states being present on the grounds, regulations concerning **interstate** shows must be followed. Exhibitors with livestock originating outside the State of Texas are encouraged to contact their state Animal Health officials to confirm specific requirements, if any, their state may impose on animals returning from a Texas show.

**Certificate of Veterinary Inspection** (i.e. CVI, Health Certificate, Health Paper) must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. ***This certificate may include certain required blood tests and identification markers. Please be sure that the veterinarian is comfortable with the requirements required of the TAHC. The SALE Show Veterinarian, Dr. Ben Espy, may be contacted at 210-861-4765 should there be any questions.***

**Prior Entry Permits** are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.

### **CERTIFICATES OF VETERINARY INSPECTION WILL BE CHECKED AT THE SALADO CREEK PROPERTY STAGING AREA.**

Texas Animal Health Requirements are subject to change; the following are requirements posted as of October 1, 2021.

S.A.L.E., along with the Texas Animal Health Commission, is committed to protecting animal health in Texas. Accordingly, S.A.L.E. fosters the animal health requirements set forth by the state of Texas. Due to the nature of regulations set forth by the Texas Animal Health Commission, and unknown requirements after the posting of S.A.L.E.'s Premium List; S.A.L.E. encourages exhibitors to contact their state Animal Health officials to confirm specific requirements as late as January 1, 2022.

### **BREEDING BEEF AND DAIRY CATTLE**

#### **Texas Origin Cattle**

1. **Certificate of Veterinary Inspection** issued within the past 30 days.
2. **Texas origin dairy cattle** are not required to test for tuberculosis to participate in a show, fair or exhibition within the state but **must be individually identified**.

#### **Out-of-State Origin Cattle**

1. **Certificate of Veterinary Inspection** issued within 30 days of entry into Texas and show grounds.
2. **All sexually intact dairy cattle, two months of age or older, must have a negative TB test** within the past 60 days prior to entry **or originate from an accredited free herd**. Test results or accredited herd number must be recorded on the Certificate of Veterinary Inspection.
3. **All bulls entering Texas** for the purpose of participating at fairs, shows, exhibitions and/or rodeos, which are more than 12 months of age and capable of breeding may enter the state without testing for trichomoniasis, but **shall obtain a permit prior to entry into the state**. Bulls permitted for entry into the State of Texas under the provisions of this subsection shall not be commingled with female cattle or used for breeding. Bulls that stay in the state more than 60 days must be tested negative for trichomoniasis with an official Polymerase Chain Reaction (PCR) test.

### **MARKET STEERS**

1. Certificate of Veterinary Inspection **not** required.

**BREEDING GOATS (INCLUDING COMMERCIAL DOES)**Texas Origin Goats & Out of State Origin Goats

1. **Certificate of Veterinary Inspection** issued within 30 days.
2. **Scrapie Premise Identification Ear Tag** is required for goats to be exhibited. The registration tattoo may be used in lieu of the eartag if the registration papers accompany the animals along with a scrapie premise ID number.

**MARKET GOATS**

1. Certificate of Veterinary Inspection **not** required.

**BREEDING SHEEP (INCLUDING COMMERCIAL EWES)**Texas Origin Sheep

1. **Certificate of Veterinary Inspection** issued within 30 days.
2. **Scrapie Premise Identification Ear Tag** is required for sheep to be exhibited.

Out-of-State Origin Sheep

1. **Certificate of Veterinary Inspection** issued within 30 days.
2. **Scrapie Premise Identification Ear Tag** is required for sheep to be exhibited.
3. **Breeding rams of six months of age or older must have a negative ELISA test for the Brucella Ovis within 30 days prior to being entered in a show, fair, or exhibition, or they may come from a Brucella Ovis-free flock.** The test results or herd number must be written on the certificate of veterinary inspection.

**MARKET LAMBS**

1. Certificate of Veterinary Inspection **not** required.

**BREEDING SWINE (INCLUDING CROSSBRED)**Texas Origin Swine

1. **Certificate of Veterinary Inspection** issued within 30 days, this certificate must certify that swine have not been fed garbage, not been vaccinated for pseudorabies, have been permanently identified, and have not been exposed to pseudorabies.
2. **Leptospirosis vaccination is required** on breeding swine, six months of age or older, within 30 days prior to entry with Leptospirosis vaccine containing the following strains: Canicola, Hardjo, Icterohaemorrhagiae, Grippotyphosa, Pomona.
3. **Crossbred Gilts ONLY- Brucellosis and and Pseudorabies test required** for all breeding swine 6 months of age and older within 30 days prior to change of ownership. Swine from certified free herds are exempt from testing.

Out of State Origin Swine

1. **Certificate of Veterinary Inspection** issued within 30 days, this certificate must certify that swine have not been fed garbage, not been vaccinated for pseudorabies, have been permanently identified, and have not been exposed to pseudorabies.
2. **Leptospirosis vaccination is required** on breeding swine, six months of age or older, within 30 days prior to entry with Leptospirosis vaccine containing the following strains: Canicola, Hardjo, Icterohaemorrhagiae, Grippotyphosa, Pomona.
3. A certificate of veterinary inspection accompanying swine entering Texas must contain the following statement from the issuing veterinarian, "Swine have not originated from a premises known to be affected by Novel Swine Enteric Coronavirus Disease(s) (SECD) and have not been exposed to SECD within the last 30 days."

**MARKET BARROWS**

1. Certificate of Veterinary Inspection **not** required.

**MARKET POULTRY**

1. Certificate of Veterinary Inspection **not** required.

## JUNIOR AG MECHANICS, LIVESTOCK SHOW & JUNIOR SHOOT-OUT SCHOLARSHIPS

The San Antonio Livestock Exposition, Inc. (S.A.L.E.) will award college scholarships to eligible exhibitors and contestants competing in the Junior Livestock Show & Junior Agricultural Mechanics Show who are U.S. citizens and Texas residents, and currently attending or a graduate of a Texas public, private, or home school. Furthermore, the exhibitor will attend an accredited Texas college or university or an accredited, recognized agricultural or natural resources vocational or technical training school in Texas. Scholarships will be awarded based on the ranking of the contestant in a given show/contest. Judging and/or show procedures may dictate that not all scholarships for each category be given.

Eligible exhibitors and contestants will have an opportunity to compete for scholarships during the 2022 San Antonio Stock Show & Rodeo (the amounts and designations for Livestock and Ag Mechanics are outlined below). Previous scholarship recipients in the Livestock Show, Junior Shoot-Out, Junior Ag Mechanics, Calf Scramble and/or Horse Show who have received less than \$20,000 in scholarships are eligible to win additional scholarships up to \$20,000 maximum. Exhibitors and contestants who have been awarded \$20,000 in scholarships through the Livestock Show, Horse Show, Junior Shoot-Out, Calf Scramble and/or Junior Ag Mechanics are not eligible to win additional scholarships through competition at the San Antonio Stock Show & Rodeo.

Within the Livestock Show, scholarships will be awarded only to the exhibitors of the respective Grand Champion, Breed Champion, Division Champion or High Point Individual (outlined below) provided they are eligible to receive scholarship funds. If the exhibitor is not eligible to receive additional scholarship funds, the scholarship will not be awarded.

The total amount of scholarships offered to Junior Ag Mechanics, Livestock Show (includes Calf Scramble), Shoot-Out exhibitors in 2022 is **\$1,461,000**.

The San Antonio Livestock Exposition, Inc. Executive Committee reserves the right to interpret or to amend these designations at any time at its discretion and to settle and determine all disputes, questions, matters regarding, or incidents arising from, the Scholarship Program. Recipients must follow the rules and regulations of the current Livestock Premium List as well as adhere to the rules and guidelines of the San Antonio Livestock Exposition, Inc. Scholarship Program.

## JUNIOR BREEDING SHOWS

### **Junior Registered Breeding Goats – Total Scholarships Offered (\$30,000)**

The exhibitor of the Breed Champion does of each breed (Angora, Fullblood Boer, and Percentage Boer) may be awarded up to a \$10,000 scholarship.

### **Junior Breeding Heifers – Total Scholarships Offered (\$185,000)**

The exhibitor of the Breed Champion heifer of each breed (Angus, ARB, Beefmaster, Brahman, Brangus, Charolais, Chianina, Hereford, Limousin, Maine-Anjou, ORB, Red Angus, Red Brangus, Santa Gertrudis, Shorthorn, Simbrah, and Simmental) may be awarded up to a \$10,000 scholarship.

If eligible, the exhibitor of the American Division Champion (ARB, Beefmaster, Brahman, Brangus, Red Brangus, Santa Gertrudis, and Simbrah), British Division Champion (Angus, Hereford, Red Angus, and Shorthorn), Continental Division Champion (Charolais, Chianina, Limousin, Maine-Anjou, ORB, and Simmental) may be awarded an additional \$5,000 in scholarship funds.

**Junior Registered Breeding Sheep – *Total Scholarships Offered (\$65,000)***

The exhibitor of the Breed Champion ewe of each breed (Dorper, Hampshire, Rambouillet, Southdown, Suffolk, and White Dorper) may be awarded up to a \$10,000 scholarship. If eligible, the exhibitor of the Supreme Champion Ewe may be awarded an additional \$5,000 in scholarship funds.

**Junior Breeding Swine – *Total Scholarships Offered (\$85,000)***

The exhibitor of the Breed Champion gilt of each breed (Berkshire, Chester White, Duroc, Hampshire, Landrace, Poland China, Spot, and Yorkshire) may be awarded up to a \$10,000 scholarship. If eligible, the exhibitor of the Supreme Champion Gilt may be awarded an additional \$5,000 in scholarship funds.

**Junior Commercial Ewe – *Total Scholarships Offered (\$10,000)***

The exhibitor of the Champion Commercial Ewe may be awarded up to a \$10,000 scholarship.

**Junior Commercial Doe – *Total Scholarships Offered (\$10,000)***

The exhibitor of the Champion Commercial Doe may be awarded up to a \$10,000 scholarship.

**Junior Crossbred Gilt – *Total Scholarships Offered (\$10,000)***

The exhibitor of the Champion Crossbred Gilt may be awarded up to a \$10,000 scholarship.

**Junior Dairy Cattle – *Total Scholarships Offered (\$30,000)***

The exhibitor of the Breed Champion female of each breed (Holstein, Jersey, and ORB (Ayrshire, Brown Swiss, Guernsey, Milking Shorthorn)) may be awarded up to a \$10,000 scholarship.

## **JUNIOR MARKET SHOWS**

**Junior Commercial Steers – *Total Scholarships Offered (\$10,000)***

The Grand Champion Commercial Steer exhibitor may be awarded up to a \$10,000 scholarship.

**Junior Market Barrows – *Total Scholarships Offered (\$100,000)***

The exhibitor of the Breed Champion barrow of each breed (Berkshire, Chester White, Crossbred, Dark Crossbred, Duroc, Hampshire, Landrace Poland China, Spot, and Yorkshire) may be awarded up to a \$10,000 scholarship.

**Junior Market Poultry – *Total Scholarships Offered (\$30,000)***

The exhibitor of the Grand Champion Junior Market Broiler may be awarded up to a \$10,000 scholarship.

The exhibitor of the Grand Champion Junior Market Turkey Hen may be awarded up to a \$10,000 scholarship.

The exhibitor of the Grand Champion Junior Market Turkey Tom may be awarded up to a \$10,000 scholarship.

**Junior Market Goats – *Total Scholarships Offered (\$40,000)***

The exhibitor of the Division Champion wether of each weight division (Division I, Division II, Division III, and Division IV) may be awarded up to a \$10,000 scholarship.

**Junior Market Lambs – *Total Scholarships Offered (\$50,000)***

The exhibitor of the Breed Champion lamb of each breed (Dorper, Finewool, Finewool Cross, Medium Wool, and Southdown) may be awarded up to a \$10,000 scholarship.

**Junior Market Steers – *Total Scholarships Offered (\$160,000)***

The exhibitor of the Breed Champion steer (ABC, Angus, Black Cross, Brahman, Brangus, Charolais, Hereford, Limousin, Maine-Anjou, Other Cross, Red Angus, Red Cross, Santa Gertrudis, Shorthorn, Simbrah, and Simmental) of each breed may be awarded up to a \$10,000 scholarship.

## JUNIOR CONTESTS

### **Agricultural Public Speaking Contest – *Total Scholarships Offered (\$40,000)***

The high point individual in the Senior age division of each category (Animal Science, Natural Resources, Ag Policy & Business and Western Heritage & Ag Advocacy) may be awarded up to a \$10,000 scholarship.

### **Agricultural Science Fair – *Total Scholarships Offered (\$40,000)***

The high point individual of each Division (Animal Systems, Power/Tech/Environmental Systems, Food/Plant Systems, and Ag Sociology) may be awarded up to a \$10,000 scholarship.

### **Agrobotics Challenge – *Total Scholarships Offered (\$12,000)***

The exhibitor(s) of the winning team in the Senior age division may be awarded up to a \$12,000 scholarship. The scholarship amount of \$12,000 will be equally divided among the exhibitors. In a case where one or more of the exhibitors has previously received a total of \$20,000 in scholarships from S.A.L.E., those exhibitors will not receive an additional scholarship, and the scholarship amount of \$12,000 will be equally divided among the exhibitors that are eligible to receive additional scholarships.

### **Beef Skillathon – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

### **Calf Scramble – *Total Scholarship Offered (\$40,000)***

The Champion Report Book for each division (Doe, Ewe, Gilt, Heifer) may be awarded up to a \$10,000 scholarship.

### **Consumer Decision Making Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

### **Dairy Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in contest may be awarded up to a \$10,000 scholarship.

### **Food Challenge – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

### **Floriculture Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the contest may be awarded up to a \$10,000 scholarship.

### **4-H Horse Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the 4-H contest may be awarded up to a \$10,000 scholarship.

### **FFA Horse Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the FFA contest may be awarded up to a \$10,000 scholarship.

### **Landscape Challenge – *Total Scholarships Offered (\$12,000)***

The exhibitor(s) of the winning team may be awarded up to a \$12,000 scholarship. The scholarship amount of \$12,000 will be equally divided among the exhibitors. In a case where one or more of the exhibitors has previously received a total of \$20,000 in scholarships from S.A.L.E., those exhibitors will not receive an additional scholarship, and the scholarship amount of \$12,000 will be equally divided among the exhibitors that are eligible to receive additional scholarships.

### **4-H Livestock Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the 4-H contest may be awarded up to a \$10,000 scholarship.

**FFA Livestock Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the FFA contest may be awarded up to a \$10,000 scholarship.

**4-H Meat Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the 4-H contest may be awarded up to a \$10,000 scholarship.

**FFA Meat Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division for the FFA contest may be awarded up to a \$10,000 scholarship.

**Meat Science Skillathon – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

**Nursery/Landscape Contest – *Total Scholarships Offered (\$10,000)***

The high point individual may be awarded up to a \$10,000 scholarship.

**Poultry Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the contest may be awarded up to a \$10,000 scholarship.

**Sheep Skillathon – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

**Swine Skillathon – *Total Scholarships Offered (\$10,000)***

The high point individual in the Senior age division may be awarded up to a \$10,000 scholarship.

**Wildlife Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the contest may be awarded up to a \$10,000 scholarship.

**Wool Judging Contest – *Total Scholarships Offered (\$10,000)***

The high point individual in the contest may be awarded up to a \$10,000 scholarship.

## **JUNIOR AGRICULTURAL MECHANICS**

***Total Scholarships Offered (\$202,000)***

The exhibitor(s) of the winning team in each division of the Junior Agricultural Mechanics Show may be awarded scholarships. The divisions in which scholarships will be offered are as follows:

- **Field Machinery & Equipment**
- **Shop Equipment & Resource Recovery**
- **Towable Cooking Equipment**
- **Non-Towable Cooking Equipment**
- **Yard and Garden Equipment**
- **Livestock Handling Equipment**
- **Livestock & Game Equipment**
- **Small Bumper Pull Trailers**
- **Over 16 ft. & Other Bumper Pull Trailers**
- **Low Gooseneck Trailers**
- **Gooseneck - Stock, Multibale, 5<sup>th</sup> Wheel & Other Trailers**
- **Early Model Tractors - Restoration**
- **Later Model Tractors – Restoration & Reconditioning**

Within each division, scholarships may be awarded up to \$14,000 using the following distribution table:

Number Of Exhibitors Per Project	Scholarship Amount Offered Per Each Exhibitor
1	\$10,000
2	\$7,000
3	\$4,650
4	\$3,500
5	\$2,800
6	\$2,325

If the exhibitors of the project are not eligible to receive additional S.A.L.E. scholarship funds, the scholarship will not be awarded.

**Grand Champion Junior Agricultural Mechanics Show Project** – If eligible, the exhibitor(s) of the Grand Champion project may receive an additional \$6,000 in scholarship funds. If there is more than one exhibitor for the project, the \$6,000 will be **equally divided** amongst the eligible exhibitor(s).

**Grand Champion Ag Mech Marketplace Competition Project** – The exhibitors of the winning team may be awarded up to \$14,000 using the following distribution table:

Number Of Exhibitors Per Project	Scholarship Amount Offered Per Each Exhibitor
1	\$10,000
2	\$7,000
3	\$4,650
4	\$3,500
5	\$2,800
6	\$2,325

If the exhibitors of the project are not eligible to receive additional S.A.L.E. scholarship funds, the scholarship will not be awarded.

## JUNIOR SHOOT-OUT

*Total Scholarships Offered (\$160,000)*

The divisions in which scholarships will be offered are as follows:

Open Boys Sporting Clays Champion (4-H/FFA)	\$20,000
Open Girls Sporting Clays Champion (4-H/FFA)	\$20,000
Open Boys Trap Champion (4-H/FFA)	\$20,000
Open Girls Trap Champion (4-H/FFA)	\$20,000
Open Boys Modified Trap Champion (4-H/FFA)	\$20,000
Open Girls Modified Trap Champion (4-H/FFA)	\$20,000
High Overall Boy Champion (4-H/FFA)	\$20,000
High Overall Girl Champion (4-H/FFA)	\$20,000

The high scoring athlete in the respective division may be awarded up to a \$10,000 scholarship.

# JUNIOR AGRICULTURAL MECHANICS

ENTRY DEADLINE: DECEMBER 1, 2021

Superintendent: Dr. Lon R. Shell

Assistant Superintendent: Mr. Pat Real, Dr. P. Ryan Saucier

## Friday, February 25

Staging/Check In: Division 14-15                      5 AM – 8 AM                      SCP

Staging/Check In: Divisions 1 - 11                      5 AM – 11 AM                      SCP

*(Trailers will be pre-inspected at the Salado Creek Property. All rolling stock will be DOT inspected at Salado Creek Property)*

Pre- Judge: Division 14-15                      7 AM – 4 AM                      MAC & SB

Tractor Restoration (Mechanical)

*Tractors will be pre-judged on mechanical (Special Rule 24-C) at this time.*

*Exhibitors will be asked to drive tractors prior to entering the barn. If time permits, Documentation (Special Rule 24-E) and Knowledge (Special Rule 24-F) will be conducted Friday afternoon. The remaining criteria will be evaluated Saturday.*

## Saturday, February 26

Judge: Division 1 - 11                      8 AM                      MAC & SB

## Sunday, February 27

Results & Awards:                      9 AM                      SB

Release:                      After Awards

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

<https://www.sarodeo.com/p/about/livestock-show>

### SPECIAL RULES

- Entry Fee:** The entry fee for each project is \$50.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed. **Exhibitor names and social security numbers are required on the entry form.** Because exhibitor cards are computer generated from entry data, it is imperative that Exhibitor Names and Project Descriptions be correct.
  - Exhibitors' names should be spelled correctly with first letter of names capitalized.
  - Information on naming and proper classification of projects can be found in the *Naming, Describing and Classification of Projects (NDC)* document.
  - The Classification Committee has the right to reclassify any project.
- Eligible Entries:** Contestants must meet all San Antonio Stock Show & Rodeo Junior Show Rule Requirements.
- Projects:** Projects must have been constructed by FFA or 4-H members either as a part of their agricultural mechanics instruction in agricultural science or as part of their supervised work experience program. **Projects must be designed and constructed under the direct supervision and guidance of the AST/CEA. Project dimensions – length, width and height to the nearest foot are to be provided when entering. This information will help define the project. Gates and Panels will require only length and height. Trailer length should include tongue.**
- Individual/Group Entries:** Projects may be individually or group constructed. Entries must be made in the name of the FFA Chapter or 4-H Club. Entries must include only the name(s) and social security number(s) of those who participated in the planning and construction of the project. Group entries are comprised of two (2) or a maximum of six (6) students.

5. **Number of Entries:** No exhibitor may be involved in the construction of more than 3 projects, whether group or individual. This does not limit the number of projects a chapter or club may enter.
6. **Exhibit Space:** Insofar as possible projects will be displayed by class. Placement of the projects will be at the discretion of show officials. Some projects will be displayed outside.
7. **Judging Procedures:** Only exhibitors of the project may present the project to the judges.
8. **Project Sales:** Junior Ag Mechanics Projects cannot be sold or advertised as for sale during the Junior Ag Mechanics Show.
9. **Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.
10. **Project Substitutions:** Same as Project/Animal Substitution outlined in General Rule #10.
11. **Exhibitor Substitutions:** Substitution may be made under one of the conditions outlined in Junior Rule #14.
12. **Adding/Removing Exhibitor(s) from a Group Entry:** Group projects cannot be comprised of more than six (6) exhibitors. AST or CEA may add/remove an exhibitor from a project by submitting an *Add/Remove Exhibitor Form* to the Livestock Office by mail or email to [livestock@sarodeo.com](mailto:livestock@sarodeo.com) or completing the form during Check-In at the Salado Creek Property. Exhibitor additions may be submitted by January 15, 2022, for no charge. Additions submitted from January 16 until the end of Check-In will be subject to an additional entry fee (\$75). Exhibitors may be removed from a project by submitting an *Add/Remove Exhibitor Form* by the end of Check-In for no charge.
13. **Types of Projects:** Only those projects that fit into the stated classes will be accepted. Final project classification will be at the discretion of Classification Committee. Leather goods, spurs, knives, canoes, teepees, boats and glass top tables/benches are not approved projects. Projects made of all wood are not allowed. Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%. Please read the *Naming, Describing and Classification of Projects (NDC)* for additional description of classification and approved projects. The list of unacceptable projects above is not complete. JAM allows only projects that require the skills and knowledges identified in the Agricultural Mechanics Curriculum – TEKS 130.2 (14) that fit into classes referenced in the NDC document. Those projects that are not acceptable will not be allowed in the East Gate to be placed in barn.
14. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of Superintendents only.
15. **Project Completeness:** All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels). Documentation is considered part of the project. *Refer to Special Rule 18 - Documentation & Research* found below.
16. **Project Presentation:** Criteria to be considered for Showmanship:
  - a. **Neatness of project** – Clean and free of dust and debris.
  - b. **Neatness of surroundings** – Includes floor under and around the project.
  - c. **Documentation** – Presented in a manner that judges and the public can view. Awards, exhibitor cards, ribbons, or other materials from other or previous project shows should not be included in the documentation or display.
  - d. **Signs** – All projects are to be identified with the official exhibitor card. Other signs, banners, etc. are subject to approval by Superintendent. "For Sale" signs are not permitted.
  - e. **Exhibitor Card** – It is recommended that the exhibitor card be placed in a clear plastic sleeve and affixed neatly to the front center of the project. Exhibitor Cards must be on projects when they arrive at show grounds.
  - f. **Logos** – Do not use company logos on projects unless provided a limited use agreement.
  - g. **Inappropriate Silhouettes** – Inappropriate silhouettes or cutouts should not be used on projects.
  - h. **Safety** – All safety procedures must be adhered to when displaying projects. Oxygen and fuel cylinders, acetylene or propane are not allowed.
  - i. **Clutter** – Exhibitors should confine paraphernalia, chairs, show boxes, cleaning supplies, brooms, and wiping rags to their assigned display area.
  - j. **Painting/Scratches** – Paint is not allowed in the display area. Judges will be instructed to make allowances for scratches or damage due to transportation.

UPDATED

**17. Exhibitor Presentation:** Criteria to be considered for Showmanship:

- a. **Attire** – Exhibitors should be dressed appropriately and be with their project when it is judged.
- b. **Sportsmanship** – Exhibitors should be courteous and helpful to those viewing their project, including those exhibiting next to them. Exhibitors should not interfere with or shield those who are exhibiting next to them.
- c. **Knowledge** – Exhibitors should be available to answer questions when their project is being judged. Knowledge of the project will be evaluated at this time. Knowledge is part of Presentation on Judging Criteria. Exhibitors should be well informed of the project they are representing.
- d. **Exhibit Aids** – Exhibitors should provide any equipment that may be necessary to judge their project (flashlights, mat or creeper for judging projects where judge needs to get under project such as trailers). Exhibitors may be requested to hold measuring tape and assist the judge in taking measurements of project.
- e. **Naming Project** – Proper project name and classification will be reflected on the Exhibitor Card. See *Naming, Describing & Classification of Projects (NDC)*.

**Note:** At least one chapter/club exhibitor should be available to answer questions from the public or show officials, including showmanship and documentation judges at all times.

**18. Documentation & Research:** Documentation is considered a research portfolio and should not be constructed as a scrapbook. Documents should be easy to read and arranged neatly in a tabbed notebook with table of contents and numbered pages. Additional explanation for Documentation is found in *Documentation Check Sheet*. Documentation for Tractor Restoration is explained below, Rule 27C.

Documentation & Research Package must include the following components: (*Documentation & Research Package Template* is available on website).

- a. **Working Drawing:** Must include an original (exhibitor-drawn) multi-view orthographic projection drawn to a given scale with proper lettering and dimensioning. Scale must be identified on the drawing. Dimensioning shown on drawing should be specific and complete enough for it to be apparent that drawing was used to plan and construct project. Judges will spot check dimensions on projects to see if they comply with drawings. Drawing may be pencil or CAD (Computer Aided Design). Pictorials, isometric, oblique or perspective may be included. Examples of proper drawing including scaling can be found in Presentations Project PDF and *Documentation & Research Package Template* found [here](#).
- b. **Bill of Materials (BOM):** Must include a list or a description of material, including columns 1) Date, 2) Description, 3) Size, 4) Quantity, 5) Unit, 6) Cost per item, 7) Extended or Total Costs. Other information such as, OC (Opportunity Cost) to identify items that were donated but have value, PE (Professional Expenses) to identify work done by others, sum of all (Total Costs) cost including OC and PE should be shown in BOM. Vendors name and/or Purchase Order Number, etc. may be included. Invoices or Sales Receipts are recommended to be included with the BOM. BOM may be developed using computer spread sheet program. Examples of BOM can be found in the *Documentation & Research Package Template*.
- c. **Photographs:** Show work in progress and should illustrate proper safety procedures including clothing, eye and face shields, etc. Photographs should be sequenced in the order of constructing the project. Exhibitor(s) should be in pictures. CEA/AST should be in some of the pictures. Pictures must be of good quality with labels identifying activity and exhibitor(s) in the picture. No more than 40 pictures may be included, with the exception of Tractor Restoration, or Reconditioning Classes. Two, but no more than four pictures per page is recommended. Additional photographs may be displayed in a separate notebook for public viewing, or may be displayed using computer display if electricity is available. Videos may also show construction, but computer displays and videos do not substitute for the photos required in the documentation notebook.
- d. **Research - Papers to be included:**
  - i. All projects attaching to tractors and/or PTO must include latest appropriate ASABE Standards - Special Rule 21. Instructions for addressing the ASABE standards are found on website.
  - ii. All Projects pulled on public highways must include relevant DOT codes including Federal Lighting Table, - Special Rule 20. Federal Lighting Equipment Location Requirements can be downloaded from the website.
  - iii. Product Information (PI) bulletins and/or Safety Data Sheets (SDS) or (MSDS) must be germane to the project and should include paints and chemical supplies, etc. Manufacturer's specifications or PIs for trailer and equipment components such as axles, springs, wheels, jacks, break-aways, and hydraulic cylinders should be included.

**Projects having no documentation are not complete and will be disqualified.**

**19. Project Safety:**

- a. **Display:** Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points; such as found on roofs of self-feeders, bale movers, etc.; must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.
- b. **General Safety:** Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. No cylinders (oxygen, acetylene, or propane) are allowed. Electric extension cords must not cross aisles used as exit ways.
- c. **Projects with Engines:** No more than 25% of the fuel tank capacity is allowed in any fuel tank. The fuel tank cap must be in place. All batteries, except tractors must be disconnected. See Tractor Safety below.

**20. Transportation Statutes:** All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. No Agriculture Exemptions except farm tags are allowed. See the website for *JAM Trailer Rules and Codes*. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Property.

- a. Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See *Trailer Construction Guide*. Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
- b. All trailers must have a Vehicle Identification Number (VIN) or Serial Number (SN) placed on tongue. SN or VIN will not be used to check registration. All trailers that are pulled to the show must have a license plate. May use Farm Tag.
- c. All tongue equipment that are pulled on a public highway – for example: trailers, squeeze chutes, hydraulic log splitters, mowers, tillage tools, sprayers, etc. will be DOT inspected at Salado Creek Property for approved (1) safety chains, (2) tongue jacks, (3) lights and reflectors.
- d. All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and break-away equipment. This includes bumper pull as well as gooseneck trailers. See *Trailer Check Sheets and Construction Guide*.
- e. All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
- f. Tie down attachments (D Rings) (minimum of 4) are recommended on all utility trailers.
- g. Fender Wheel Clearance – Judges will abide by specifications provided in PI documents. General specifications are: (a) Four inch fender clearance above tire is required with exceptions of (b) torsion axle 3 inches and (c) single axle trailers 3 inches. Fenders must be wider than tire tread so edge of fender does not cut tire.
- h. Any trailer that is over wide (102 inches) must have a signed overwide permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review *Trailer Statutes* document and the *Trailer Construction Guide* for major codes and rules. It is the exhibitors' responsibility to have reviewed and understand all TxDOT and Federal Codes.

Any trailer that is over width without permit will be discounted 10 points.

**21. ASABE Standards:** All three-point hitch and/or PTO operated equipment must meet the latest ASABE (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past six years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Codes are available through December. Standards should be downloaded in time for use in planning and construction of project. Instructions to access ASABE Standards along with monthly codes as well as other important links to helpful information can be found on the website. If you have question or need additional help, please email Lon R. Shell at [tractor@lonshell.com](mailto:tractor@lonshell.com) or Patrick Real at [realfarm@swbell.net](mailto:realfarm@swbell.net).

- 1. **Power take-off equipment** must meet ASABE standard, *Agriculture Tractors - Rear –mounted power take-off types 1, 2, 3 and 4 – Part 3: Main PTO dimensions and spline dimensions, locations of PTO*. This Standard was revised 2019. When searching the ASABE to find and download a PDF file - enter Document number ASABE/ISO 500 or title of Standard.
- 2. **3 Point linkage must meet ASABE standard**, *Agricultural wheeled tractors - Rear Mounted three point linkage- Categories 1N, 1, 2N, 2, 3N, 3, 4N, and 4*. To find and download the PDF enter AD730 for document number or name of title of Standard. This document was revised March 2015.

3. Copies of the most recent ASABE standards must be included in Research Section of documentation for those projects that apply. There are additional related standards – these related standards are optional for including in research documentation.
22. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects including tractors and unloading and loading them.
23. **Projects Needing Offloading Assistance:** Projects that must be hoisted from the topside are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Trailers that are transporting both tractors and other projects should be organized so the tractor can be off loaded separate from other projects. Projects that Show Officials conclude cannot be safely off-loaded with equipment available may be shown on the trailer at an alternate site. Rules for offloading and loading tractors are provided below in Tractor Show Special Rules #25.
24. **Project Show Judging Criteria – *excluding Tractors***

Criteria	Points
Workmanship	30
Design & Materials	20
Documentation & Research	20
Presentation – Entering Projects (Special rule 1) and Demonstration of Technical Knowledge	20
Degree of difficulty – Sophistication	5
Safety	5
Total	100

Ribbon Category	Points
Blue	90 - 100
Red	80 - 89
White	79 or less

Note: Ribbon Categories are used in both Project Show and Tractor Show. Only Blue-Ribbon projects are eligible for placing

Showmanship Award – Criteria is identified on Showmanship Score Card on website. Criteria is similar for both Project and Tractor Shows.

**TRACTOR SHOW****25. Tractor Restoration and Reconditioning Classes**

- a. Tractor Exhibitor Cards should be on tractors when they are unloaded Friday morning at show grounds.
- b. No yard tractors or riding lawnmowers.
- c. Tractor Serial Number must be included with the Description on Entry Form and Exhibitor Card.
- d. Fuel tanks must not be more than 25% full.
- e. Fuel Shut Off valves, under fuel tanks, must be functional and fuel valves closed when exhibiting.
- f. A fully approved ABC fire extinguisher with a minimum of 5 lb. capacity must be placed next to tractor.
- g. All lugged tractors must be equipped with road bands. Road bands can be shop built.
- h. All Crawlers must be equipped with rubber lugs or exhibitor must provide rubber belts/mats. Belts may be conveyor or baler belts.
- i. Tractors may be started and driven only at the request of show officials.
- j. Unloading and Loading will be under direction of show officials.
- k. Tractor Documentation & Research package must be submitted for inspection Friday. No changes to packages are allowed after they are submitted. Exhibitor must insert worksheets given them Friday in notebook for judges to access Saturday. Worksheets may not be altered.
- l. Exhibitors must provide with each tractor, tools including flash light necessary to check fluid levels. Also, cloth or paper wipes and step ladder for large tractors for judges to check fuel and fluid levels. Tire pressure will also be checked.
- m. Display area: Table or bench size should not exceed 3 ft. by 6 ft. (Should not be so large it blocks access to tractor and other tractors. If tool box is used it should be sized to fit under the table. Tool Box may serve as the table.
- n. Electrical outlets are not guaranteed.
- o. Caution Tape is not necessary. Do not use tape to prevent access to tractor. Signs may be used to request public to keep off tractor.
- p. Drip pans with absorbent are required at night only. They are not to be used during the day when tractors are being judged.
- q. Additional instructions and safety issues are addressed below.

**26. DIVISION 14 – Restoration Classes 1401, 1402, & 1501 – Judging Criteria**

Criteria	Points
a. Mechanical - Restoration	40
b. Knowledge & Presentation	20
c. Documentation & Research	15
d. Safety	10
e. Aesthetics	10
f. Authenticity	5
Total	100
Complexity Factor (CF) Bonus Pts	15

**27. DIVISION 15 – Reconditioning Class, 1502 – Judging Criteria**

Criteria	Points
<b>a.</b> Mechanical - Repair & Maintenance	30
<b>b.</b> Knowledge & Presentation	20
<b>c.</b> Documentation & Research	15
<b>d.</b> Safety	10
<b>e.</b> Aesthetics	10
<b>f.</b> Diagnosis	15
Total	100
Complexity Factor (CF) Bonus Pts	15

**a. Mechanical****i.** All tractor classes

- As part of the mechanical evaluations exhibitors will be asked to start and drive tractor, demonstrating all gears along with systems, hydraulics, lights, brakes, PTO, etc. Driving and some mechanical evaluation will be conducted outside after off-loading on Friday. Most of the safety criteria will also be evaluated at this time. Exhibitors may be asked to move tractors back outside Saturday for additional evaluation.
- Refer to *Driving, Mechanical & Knowledge Reference Sheet 1*– on the website for more specific information.
- NOTE: Sandblasting is discouraged except on large castings such as weights, wheels and rims and components that have no moving parts. Engine blocks and heads, transmissions, clutch housings, differential and axle housing should not be sandblasted. Also sandblasting can warp or distort sheet metal parts and will impact aesthetics. Sand remaining from sandblasting can result in major damage to tractor. Evidence of sand will result in deducting points in Mechanical.

**ii.** Restoration Classes 1401, 1402, & 1501

- To include the mechanical restoration of all systems including Engine, Transmission and Final Drive.
- Including components – fuel (carburetor or diesel pump), cooling, ignition, exhaust, clutch, brakes, steering, starting, lighting, charging, hydraulics, 3 point and PTO. Some tractors may not have all of these.

**iii.** Reconditioning Class 1502

- Will include only those systems or components that need major repairing or reconditioning. (Those systems that were repaired or maintained should be identified in the Table of Contents see below.) Exchanging parts, for example removing a diesel pump and taking to town to put on pump stand is not considered a major repair. It should be identified under Engine in reports but must entail proof of diagnosis in determining pump malfunction to be awarded diagnostic points. Mechanical is worth 30 points in class 1502. Diagnostics is an important part of analyzing the mechanical components. Diagnostic points are awarded in its own Category.

- Will include maintenance items. This may be an extensive list such as maintenance required for warranty. Examples of maintenance could include – cooling, fluids, hoses, belts clutch adjustments, air conditioning and tappet adjustments. Some maintenance items may require checking codes on tractor display which may require a special computer to help diagnose error codes. These will require the cooperation of the dealer. Diagnostic skills performed in the performance of major mechanical and maintenance will be awarded points in the Diagnosis criteria, see below.

**b. Knowledge & Presentation:** (All tractor classes)

- Knowledge points have been increased. Knowledge is a very important criterion in meeting the JAM educational objectives.
- Judges will ask technical questions to determine the exhibitor(s) knowledge of and involvement in restoration/reconditioning. Judges may present components for exhibitors to identify, describe and discuss.
- Presentation includes showmanship (see showmanship score card) and encompasses the following: meeting public, making eye contact, introducing self, being confident, articulate, exhibiting enthusiasm and excitement when describing tractor. Display area including area around and under the tractor and additional display items such as Owners Manuals, video equipment including computer display and worn or broken parts replaced in restoration or reconditioning.

**c. Documentation and Research:** (All Tractor Classes)

- Documentation is a research portfolio and should not be considered a scrapbook. Documentation must be typed (recommend word processor and spreadsheet using computer)
- Many Exhibitors use Documentation to exhibit their knowledge and understanding of Tractors and the skills necessary to Restore and Recondition them. In the photo sections, most exhibitors expand on what they are doing using two or three paragraphs in their descriptions of each system (photo section) – transmission, engine, clutch, etc.
- Tractor Judges rely on the Documentation Section in addition to questioning to ascertain the knowledge and understanding exhibitors have of the different systems and components and the procedures they used. Many of the knowledge points are determined when judges are inspecting the documents and asking questions over materials they are evaluating.
- See *Tractor Restoration Documentation Template (PDF)* on the website. This template was prepared in 2016 and requires slight modifications for up to date documentation specifications.
- Also *Documentation, Knowledge & Presentation Reference Sheet 2* on the website has more specific information. This document also needs modified slightly. See revision for Class 1502 Reconditioning class below. All judges critique sheets are on the website.
- All documentation should be arranged in a three ring binder, using sequenced labeled dividers with a corresponding table of contents. *Suggested Table of Contents shown below will differ slightly between Restoration and Reconditioning classes.*
- Tractor documentation will be submitted at unloading. Documentation may not be altered after it is submitted.

Table of Contents - Documentation for all Classes should include Table of Contents similar to one shown below with page numbers – Refer to Template on website

I.	Tractor History – Previous Owners – where obtained, etc. (Max 1 page) Could include Picture of tractor as you found it.
II.	Restoration or Reconditioning – Mechanics Summary Report including Complexity Factors – CF (Max 1 page) Could include Picture of Completed Tractor.
III.	Expense Reports – show in spreadsheet format. Similar to BOM in project show. <b>a. Parts – Costs of all parts and supplies</b> – invoices included with dates. Show Total Expense including Sub Totals of OC and PE <b>b. Opportunity Cost – OC</b> (identified in Expense Report with OC next to dollar value) These are items which were given/donated to you – identify their value in dollars, same as if you purchased them. Show sub-total for all OC. <b>c. Professional Expenses – PE</b> (Identified in Expense Report with PE notation) These are expenses incurred from taking part to professional technicians. For example, taking a diesel pump to a Diesel Shop so they can put it on pump stand – diagnose and repair it. You are encouraged to be present when the technician is evaluating and/or repairing part so you can learn from this. Have picture taken of you with Professional mechanic to be included in your photos. Professional should be identified in pictures. PE expenses should be presented in a report by itself with Title: <i>Professional Expenses</i> . Should have a sub-total for this category.
IV.	Photos – (order of presentation - disassembly – evaluation – repair) All Photos should have a title or description along with identifying names of exhibitors performing the task in the picture. Teacher (AST) or CVEA and others helping you should be in a few of the pictures and identified. Most pictures should be technical in nature – using precision tools – micrometers, torque wrenches, small hole and telescoping gauges, adjusting tappets or clutch, timing engine, diagnosing hydraulic system with pressure gauges, etc. Most exhibitors use two or three paragraphs to explain what they are doing in the pictures in different sections. See example <i>Template</i> . <b>a.</b> No more than 120 pictures with 2 pictures per page. Cover sheets not required on picture pages. <b>b.</b> Photos of high quality – could be on photo paper – excellent contrast and brightness. Judges will also evaluate safety issues in the pictures – gloves, face shields, spray painting, etc. <b>c.</b> Photos shown by sections. Sequence may be different from that depicted below. (Recondition Class will only have pictures in sections – components they diagnosed and repaired.) <b>i.</b> Engine <b>ii.</b> Clutch <b>iii.</b> Transmission <b>iv.</b> Final Drive Train – Transmission & Final Drive could be combined in a Power Train Section <b>v.</b> Ancillary & External components could include steering, operator comfort, controls, fuel, air filter, turbo, electrical, cooling hydraulics, brakes, etc. <b>vi.</b> Sheet Metal and finishing – Reconditioning class should include Aesthetic items here also. For example, was a cab kit installed? <b>vii.</b> Rims and Tires <b>viii.</b> Eye Appeal item – Decals, Trim, other – Appearance Section could include: vi, vii and viii
V.	General Specifications – Examples, Tractor Fluid Capacity chart, Tractor Horsepower, Hitch Category, Torque chart for fasteners, Valve Tappet adjustments, tractor operator controls, safety items and symbols.

VI.	<p><u>Recondition Class only</u> – <i>Equipment Check-in Sheet</i> and <i>Service Preliminary Sheet</i>. These sheets are forms tractor dealers use when tractor or machine brought to them by farmers for repair. It is suggested that you use the local dealers' forms/sheets.</p> <p>a. <i>Equipment Check-In sheet</i>. Customers helps the dealer fill this form out when customer brings in equipment or tractor to be repaired. It includes all the information regarding customer, such as name, address, phone, email etc. It also identifies the machine(s) and or tractor(s) brought in. An important part of this form is asking the farmer to identify or describe the problem (issue) – why machine was brought in.</p> <p>b. <i>Service Preliminary Form</i>. Technician fills out this form after he has inspected the machine and list all items that are needed to repair or fix problem. Form is presented to customer for him to sign authorizing necessary parts and repairs prior to repair.</p>
VII.	<p>Research SDS and/or PI. ASABE standards including PTO and Hitch Category. See Special rule 21. All relevant Judges Check &amp; Reference sheets. Letters, correspondence with those who advised or helped you with tractor. Owner's Manual and Parts manuals along with IT manuals are usually too large to show here. They may be books themselves but you could reference those displayed. You may also want to identify those items or parts that you have on display.</p>

- d. **Safety:** Safety is measured in a number of ways. See *Aesthetics, Authenticity & Safety Reference 3* on website. All equipment that was original to the tractor should be in place (includes all shields and decals) Tractors must be in a safe operating condition and the following safety procedures must be followed.
- i. Judges will inspect photos to see if tractor was repaired in a safe environment including painting facilities, exhibitors wearing safety glasses and or face shields, gloves, proper and safe clothing. Proper use of hoist and lifting devices, combustible materials stored properly, etc.
  - ii. Safe procedures must be followed in unloading and loading the tractor. Specific rules and regulations related to the driving, unloading and loading the tractor are posted on the website. These will be strictly adhered to and safety points deducted for infractions.
  - iii. Basic rules for driving, unloading and loading tractors.
    - 1) Tractors are unloaded and loaded only under the direction of show officials. No tractor will be offloaded without supervision of show official.
    - 2) Tractor driver must have experience in driving and loading tractor on trailer hauling it to show. This driver must have the approval of the AST or CVEA. Leader certifies that driver meets these criteria. Diver unloading and loading the tractor may or may not be the exhibitor but safety point deductions will be attributed to that tractor based on the procedures used in offloading and loading.
    - 3) Tire pressure and tire coating will be inspected along with controls, including brakes, throttle and clutch prior to offloading. Tires should not have more than recommended tire pressure.
    - 4) All ramps must be fastened to trailer and designed with proper surface to provide traction. This is especially important in wet weather. Trailer must be equipped with middle ramp if hauling tricycle tractor.
    - 5) It is the responsibility of the driver to make sure that at least 10 ft. of area around the trailer is clear. Only approved personal may be in this area.
    - 6) Truck driver must off load any projects that on the back of the trailer hauling the tractor at the barn where directed. Fork Lifts and other machinery will not come into the tractor unloading area.
- e. **Aesthetics:** Overall appearance of tractor including workmanship and finish. Aesthetics will be evaluated for all tractor classes. Items to be considered include but are not limited to the following.
- i. Metal preparation prior to painting or waxing.
  - ii. Painting a tractor in the Reconditioning class is optional. Detailing tractor is required even if tractor is not painted.
  - iii. Reconditioned tractors that are not painted must have been pressure washed including engine compartment. Those that are not painted may be waxed.
  - iv. Painting and finish in Restored Tractors. Clear coating is not recommended. Paint color should be original. See *Aesthetics, Authenticity & Safety Reference 3* on the website.
  - v. Detail and completeness of components – cabs, steering wheels, seats, controls and gages, wiring harness, hoses and belts, etc.

- f. Authenticity:** (Restoration Tractor classes only) Must be as original as possible. See *Aesthetics, Authenticity & Safety Reference 3* on the website. Items included: Authenticity is not considered in the Repair and Reconditioning Class 1502.
- i. Paint color, fasteners, and other components such as magnetos, carburetors, exhaust systems
  - ii. Mechanical systems – fuel, electrical, engine, transmission, final drive, PTO and 3 Point hitch, cooling, etc.
  - iii. Original Serial plates in place and unaltered serial numbers.

Note: Authenticity – does not prevent updating or improving the efficiency and performance of a tractor for field work using manufactures upgrades. This applies especially for the later model tractors. Examples would be replacing the refrigerant R12 and equipment with 134A. Other examples include improved mechanical parts such a hardened valve seats, improved cylinders, rings, pistons, seals, and bearings. Alternators and other external parts should not replace generators, etc., on older tractors shown as antiques. Six volt systems should not be converted to twelve volt.

**Diagnosis:** (Recondition Tractor Class) Diagnosis should be documented in the explanations in Documentation & Research book especially when explaining the systems – component analyzed with the Photos. Dealer Forms identified in Documentation above require diagnosis. In later model tractors error codes are generated in the display or computer on tractor to help mechanic determine the problem. Exhibitor may have the dealer's mechanic to help him with this diagnosis in that school may not have the necessary equipment. Student should be involved in the process and should explain and document it in his documentation package. It is hoped that this will help develop a connection with the dealer and maybe eventually turn into an internship or employment. Teacher/leader should go with the student to ask the dealers cooperation. It may be that the dealer can help the students by providing them one of the tractors that has been brought to him for repair. The dealer performs a lot of the required warranty maintenance items on the later model tractor in addition to repair. Some of these maintenance items are technical and will require knowledge and skills to perform the required maintenance. Repair and extensive Maintenance will meet the Mechanical requirements to justify entering a tractor in the Recondition Class because in many of these diagnostic analysis will require reading and interpreting technical manuals.

- g. Complexity Factor:** Up to 15 points may be added to reward exhibitor(s) for difficulty or sophistication of work conducted on tractor. Examples could be on tractors that have AC units and Cabs, sophisticated transmissions, hydraulic, electrical systems. Work and research shown rebuilding or repairing original parts beyond the normal repair instead of purchasing new ones. Welding cast iron parts where preheating and post heating was necessary, building up a shaft and turning down on lath or hard surfacing or building up teeth on a gear are all examples. Evaluating tractor on a PTO dynamometer could be considered as a Complexity Factor and is also a diagnostic function.

## 28. Additional Resources

Exhibitors and leaders are encouraged to get on the website and using a monthly code to access the ASABE technical library in order to download the Tractor and PTO standards. Although these standards apply to the later model tractors, they are relevant to early model tractors and machinery, for example hitch categories and PTO sizes and number of splines. Standards identify specifications that make different machines compatible with the tractor including early model tractors. It is important for the exhibitor to learn how to search technical libraries such as ASABE print them out and interpret them. Service men working with the later model more sophisticated tractors and machines must rely on technical documents to diagnose and repair them. We also provide on the JAM website many additional technical materials to help in our educational objective. Many of these have been identified in other Sections regarding tractors.

- 29. Scholarships:** Refer to the Junior Ag Mechanics Show Scholarship section in the 2022 Competitive Events Premium List.

- 30. Premiums:** The following premium schedule will apply to all classes.

### JUNIOR AGRICULTURAL MECHANICS PLACING & PREMIUMS

1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>
\$55	\$50	\$45	\$40

## Project and Tractor Shows DIVISIONS & CLASSES

Please refer to the *Naming, Describing and Classification of Projects (NDC)* document for additional information on entering and classification of projects. **Projects that are not eligible – see Special Rule 13 – will not be allowed to enter East Gate and unloaded at Barn.**

**Classes with less than 5 projects may be collapsed with other classes.**

### PROJECT SHOW

#### Division 1 Field Machinery & Equipment

- Class 101 Hay Equipment
- Class 102 Spraying Equipment
- Class 103 Tractor Equipment
- Class 104 Truck & Equipment Accessories
- Division Champion
- Reserve Division Champion

#### Division 2 Shop Equipment & Resource Recovery

- Class 201 Basic Shop Tables & Benches
- Class 202 Specialized Tables & Work Stations
- Class 203 Resource Recovery
- Class 204 Other Shop Equipment
- Division Champion
- Reserve Division Champion

#### Division 3 Towable Cooking Equipment

- Class 301 Small Towable Cooking Equipment (trailer body 8 feet or less)
- Class 302 Large Towable Cooking Equipment (trailer body more than 8 feet)
- Division Champion
- Reserve Division Champion

#### Division 4 Non-Towable Cooking Equipment

- Class 401 Non-Towable Cooking Devices
- Class 402 Fire Pits
- Class 403 Fish Fryers, Disk Cookers
- Division Champion
- Reserve Division Champion

#### Division 5 Yard and Garden Equipment

- Class 501 Patio or Yard Tables and Benches. All-wood tables will not be allowed to show.
- Class 502 Outdoor Yard & Garden Equipment
- Class 503 Green Houses, Potting Sheds, Tack or Tool Sheds, Small Buildings *including Tiny Houses*
- Division Champion
- Reserve Division Champion

**Division 6 Livestock Handling Equipment**

- Class 601 Gates
- Class 602 Livestock Panels
- Class 603 Squeeze Chutes & Restraining Equipment
- Class 604 Trim Chutes, Blocking Stands, Livestock Crates
- Division Champion
- Reserve Division Champion

**Division 7 Livestock & Game Equipment**

- Class 701 Feeders & Troughs
- Class 702 Wildlife
- Class 703 Other Livestock Equipment (including Walkers, Chicken Coops, and Hutches)
- Division Champion
- Reserve Division Champion

**Division 8 Small Bumper Pull Trailers**

- Class 801 Utility – 12 ft. and under
- Class 802 Utility – Over 12 ft. to 16 ft.
- Division Champion
- Reserve Division Champion

**Division 9 Over 16 ft. & Other Bumper Pull Trailers**

- Class 901 Utility – Over 16 ft.
- Class 902 Stock – all lengths
- Class 903 Welding – all lengths (Bumper Pull)
- Class 904 Other Bumper Pull
- Division Champion
- Reserve Division Champion

**Division 10 Gooseneck Trailers**

- Class 1001 Lowboy – (bed between wheels)
- Class 1002 Flatbed/Float – (bed over wheels)
- Division Champion
- Reserve Division Champion

**Division 11 Gooseneck - Stock, Multi-bale, 5<sup>th</sup> Wheel & Other Trailers**

- Class 1101 Stock Trailer – all lengths
- Class 1102 Multi-bale
- Class 1103 Other Trailers **and Semi Pulled Trailers**
- Division Champions
- Reserve Division Champions

**Grand Champion Project**  
**Reserve Champion Project**

**No Division 12 & 13**

## TRACTOR SHOW

### **Division 14 Early Model Tractors - Restoration**

Class 1401 Tractors 1950 and older

Class 1402 Tractors 1951 – 1960

Division Champion

Reserve Division Champion

### **Division 15 Later Model Tractors - Restoration & Reconditioning**

**(The same tractor cannot be shown in both classes)**

Class 1501 Tractors 1961 – Present **(Restoration Required)**

Class 1502 Tractors 1961 – Present **(Repair & Reconditioning Required)**

Division Champion

Reserve Division Champion

**Grand Champion Tractor**

# AG MECHANICS MARKETPLACE COMPETITION

ENTRY DEADLINE: DECEMBER 1, 2021

**Superintendent:** Dr. Rudy Ritz

<b>Staging/Project Check-In:</b>	<u><b>Friday, February 25</b></u>	
	<b>5 AM – 11 AM</b>	<b>SCP</b>
<b>Written Exam Check-In:</b>	<b>4:30 PM</b>	<b>CB</b>
<b>Written Exam:</b>	<b>5 PM</b>	<b>CB</b>
<b>Judge:</b>	<u><b>Saturday, February 26</b></u>	
	<b>8 AM</b>	<b>SB</b>
<b>Results &amp; Awards:</b>	<b>5 PM</b>	<b>SB</b>
<b>Auction:</b>	<u><b>Sunday, February 27</b></u>	
	<b>NOON</b>	<b>SB</b>
<b>Results &amp; Awards:</b>	<b>After Awards/Auction</b>	<b>SB</b>

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

## **SPECIAL RULES**

- Entry Fee:** The entry fee for each project is \$100.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed.
- Eligible Entries:** The San Antonio Stock Show & Rodeo makes available to CEAs and ASTs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Ag Mechanics Marketplace, subject to these rules. The Ag Mechanics Marketplace Competition is also an invitational contest to high schools within Bexar County. Entries in the Ag Mechanics Marketplace Competition must be submitted in the name of the county 4-H club, FFA chapter or Bexar County high school by the respective CEA or AST or CTE teacher. Contestants must be bona fide members of a Texas 4-H Club, Texas FFA Chapter or a student of a Bexar County high school. They must be enrolled in and attending public, private or home school elementary or secondary schools in Texas at the time of the event.
- Number of Entries:** Each club/chapter/Bexar County high school may enter a maximum of one (1) project.
- Projects:** Projects must have been constructed by FFA or 4-H members or students either as a part of their agricultural mechanics instruction in agricultural science, part of their supervised work experience program, or as part of CTE curriculum in a Bexar County high school. **Projects must be designed and constructed under the direct supervision and guidance of the CEA/AST/CTE teacher.** Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%.
- Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.
- Teams:** The club/chapter/school members who design and construct the project may be different individuals than who represents the club/chapter/school in the Ag Mechanics Marketplace Competition. Other than the construction of the project, all team members must compete in all phases of the contest (Written Exam, Sales Presentation). Teams are comprised of two (2) or a maximum of four (4) students.

7. **Market Value:** All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the Virtual Silent Auction or the Live Auction. The market value set by each team for a respective project **may not be greater than \$3,000**. If the market value is not met in the Virtual Silent Auction or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:
  - All prices must cover costs and profits.
  - Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
  - Prices must be established to assure sales.
8. **Auction:** Twenty (20) teams will be selected to offer their project to sell in the Live Auction on Sunday afternoon. Auction proceeds will be paid directly to the club/chapter/school.
9. **Exhibit Space:** Projects will be displayed at the discretion of show officials. Display space under shelter is not guaranteed.
10. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of the Superintendent only.
11. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects.
12. **Scholarship:** Refer to the Junior Ag Mechanics Show Scholarship section in the 2022 Competitive Events Premium List.

## CONTEST FORMAT

### Contest Overview

<b>Project Workmanship/Quality</b>	<b>50%</b>
<b>Objective Test (Ag Sales)</b>	<b>15%</b>
<b>Team Sales Presentation</b>	<b>25%</b>
<b>Product Summary/Marketing Materials</b>	<b>10%</b>

## **PROJECT – 50%**

1. **Projects:** Projects should be marketable to a wide variety of customers including general rodeo patrons. Projects that are specialized for a limited number of uses may be challenging to market to the clientele base. Teams are encouraged to be innovative, but maintain the marketability of the project.
2. **Project Divisions:** The following types of projects may be exhibited in the respective Project Divisions:
  - a. **Livestock and Farm Equipment:**  
Includes items such as hay handling equipment (ex. hay spears, single/double bale hay trailers, bale pickup equipment, etc.), squeeze chutes, restraining equipment and crowding or working pens, and universal fit truck and ag equipment accessories (i.e.: tool box, storage, ATV rack, receiver hitch carrier, hitch & towing accessories, quick attach skid steer attachments). Some degree of metal fabrication is required. It is encouraged that items have the ability to be utilized on a wide variety of operations regardless of size or type. No all wood projects.
  - b. **Trailers:**  
Includes items such as utility bumper pull trailers (must be 16 ft. and under) and towable (wheels with lug bolts) cooking equipment (i.e.: BBQ pits, smokers and grills). Small trailers for hauling basic equipment such as lawnmowers, and material are encouraged. No all wood projects.
  - c. **Wildlife:**  
Includes items such as equipment used in managing wildlife and exotic game (i.e.: equipment used in the management, raising and caring for animals such as deer, turkeys, quail, fish, etc.). Items meeting the basic uses of a hunter or fisherman are encouraged. No all wood projects.
  - d. **Home Recreation and Conveniences:**  
Includes items such as non-towable (small) cooking devices (i.e.: BBQ pits, grills, fire pits, and fish fryers. Pits made from metal drums not allowed) and outdoor yard and garden equipment (i.e.: outdoor tables [cannot be all wood], swings, planters, green houses, potting sheds and other buildings. Projects made of wood must include, in addition to carpentry, significant metal or other technical skill such as plumbing, masonry and/or electrical. All projects must be designed for outdoors – no all wood projects or indoor furniture allowed).
3. **Project Quality and Classification:** Show management reserves the right to remove any project from participating if the quality, safety, or design of the project does not meet the standards set for this competition. A general evaluation of each project will be conducted prior to the start of competition. Projects which fail to be evaluated prior to the start of competition will be subject to disqualification. Show management reserves the right to classify a project into the appropriate Project Division at their discretion.
4. **Project Completeness:** All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels).  
  
**Note:** At least one team member is highly encouraged to be available to answer questions from the public or show officials including judges at all times. As well, teams are highly encouraged to have proper materials to market their project to any patrons or show officials at all times.
5. **Project Safety:**
  - a. **Display:** Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.
  - b. **General Safety:** Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. All compressed gas cylinders must be properly secured. Protective caps installed. NO regulators or hoses are to be installed. Electric extension cords must not cross aisles used as exit ways.
  - c. **Projects with Engines:** No more than two gallons of fuel in any fuel tank is allowed. The fuel tank cap must be in place. All batteries must be disconnected.

- 6. Transportation Statutes:** All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. Such projects should be outfitted with VIN number to allow the exchange of ownership to the respective buyer. No Agriculture Exemptions except farm tags are allowed. See [www.sarodeo.com](http://www.sarodeo.com) for *JAM Trailer Rules and Codes*. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Staging Area.
- Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See *Trailer Construction Guide* at [www.sarodeo.com](http://www.sarodeo.com). Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
  - All trailers that are pulled to the show must have a license plate and be ready to exchange ownership to the respective buyer. May use Farm Tag.
  - All tongue equipment that is pulled on a public highway (i.e.: trailers, etc. will be inspected at Salado Creek Staging Area for approved safety chains, lights and reflectors).
  - All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and brake-away equipment. See *Trailer Check Sheets and Construction Guide*.
  - All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
  - Four inch fender clearance above tire of 4 inches is required with exceptions for single axle trailers.
  - Any trailer that is over wide (102 inches) must have a signed permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review *Trailer Statutes* document and the *Trailer Construction Guide* at [www.sarodeo.com](http://www.sarodeo.com) for major codes and rules. It is the exhibitors' responsibility to have reviewed and understand all TxDOT and Federal Codes.
- 7. ASABE Standards:** All three-point hitch and/or PTO operated equipment must meet the latest ASABE (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past three years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Instructions to access ASABE Standards along with monthly codes can be found at [www.sarodeo.com](http://www.sarodeo.com). **Power take-off equipment** must meet ASABE standard, *Rear – mounted power take-off types 1,2 and 3 -Narrow-track tractors, dimensions for master shield and clearance zone*. This Standard was revised in 2011. When searching the ASABE to find and download a PDF file - enter in Document number 500.
- 8. Projects Needing Offloading Assistance:** Projects that must be hoisted from the top-side are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Projects that show officials conclude cannot be safely off-loaded with equipment available may be not be allowed to participate.
- 9. Project Judging Criteria (50% of overall total):**
- | <u>Criteria</u> | <u>Points</u> |
|-----------------|---------------|
| Workmanship     | 100           |
| Innovation      | 25            |
| Marketability   | 25            |

### **OBJECTIVE TEST – 15%**

- The **Objective Test** is designed to evaluate an individual participant's knowledge of the basic sales skills. A 45-question, multiple-choice test, developed exclusively from the references. Each question is worth one (1) point. Each participant will have 45 minutes to complete the test. The average score of the team members taking the test will be utilized as the score for the final ranking.

### **TEAM SALES PRESENTATION – 25%**

1. The Product Summary and Marketing Materials will be used in the team sales presentation to “sell” the project entered by each team to a panel of judges.
2. The judges will act as a real customer which may include not buying the project. Participants will have to establish rapport with the judge and ask probing questions to ensure they meet the judges’ needs.
3. The judges will utilize the Product Summary to prepare for the presentation conversation.
4. Teams may only use the following items during the team sales presentation: the team, the project, Product Summary and Marketing Flyer. No slide shows, electronic presentations, videos, computer demonstrations, etc. may be used during the team sales presentation, these items may be part of the display in the Marketplace, but cannot be used, and will not be considered, during the team sales presentation.
5. Teams will have seven (7) minutes to interact with the judge. All members of the team must be present and all must participate.
6. Teams should present themselves with a professional appearance.
7. Teamwork and involvement of team members will be judged during this event.
8. Teams should plan to accomplish the following tasks during the sales presentation:
  - a. Introduce themselves to the customer in the opening of the presentation.
  - b. Introduce the product to the customer.
  - c. Point out the features of the product.
  - d. Explain how the product would benefit the customer. Ask for the customers’ reaction to the product.
  - e. The customer will object to some element of the sales presentation. Teams should try to overcome the objection (price, size, color, etc.) with a positive solution to the customers’ objections.
  - f. The customers will also give the teams a chance to close the sale during the presentation. Ask for the business and be prepared to finalize the order.
9. Teams should include the following in their presentation:

Indicator	Skills
First Impression	Team identifies themselves with a good first impression, creates customer attention.
Sales Approach	Team asks questions and utilizes information from answers in an attempt to build a personal rapport. Teams asks questions to learn about the customers’ interests.
Needs and Wants	Team confirmed and discovered customer needs and wants.
Demonstration	Team applied features and benefits of their product to the customers’ needs/wants to their product features.
Trial Close	Team uses appropriate sales technique to confirm customer interest and/or identify buying signals.

Objections	Teams listens and clarifies customers' objections. Team applies and discusses the features/benefits of the product to address the customers' objections.
Close or Advance Sale	Team closes or attempts to close the sale.
Active Listening	Team actively listens to comments and answers from the customer throughout the presentation.
Teamwork	How well did each team member participate/communicate in the presentation?
Knowledge	What level of knowledge did the team have of the product they were selling?
Principles	Did the team present using sound sales principles?
Professionalism	Was the presentation delivered professionally?
<b>Total Score</b>	<b>75 Points</b>

### **PRODUCT SUMMARY/MARKETING MATERIALS – 10%**

UPDATED

1. **Product Summary (15 pts):** Each team will develop a product summary to be submitted via email to [livestock@sarodeo.com](mailto:livestock@sarodeo.com) by February 1, 2022. The email should be titled Ag Mechanics Marketplace-Club/Chapter/School Name. The team will receive a confirmation email upon receipt. The product summary should include: If the project summary is not submitted by February 1, 2022, the team will receive no points for this section. An example of the Product Summary will be posted at [www.sarodeo.com](http://www.sarodeo.com).
  - a. Club/Chapter/School Name
  - b. Product to be sold
  - c. Statement of marketing situation
    - i. Who is the customer?
    - ii. Why would the customer want the product?
    - iii. Who are the major competitors selling a similar product?
  - d. Features of the product
  - e. Benefits of the product for the customer
  - f. Market Value (This will also be used as the minimum bid for the respective project)
    - i. All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the Virtual Silent Auction or the Live Auction. The market value set by each team for a respective project **may not be greater than \$3,000**. If the market value is not met in the sealed bid process or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value. A bill of materials and comparative pricing may be helpful in justifying a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:
      1. All prices must cover costs and profits.
      2. Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
      3. Prices must be established to assure sales.
  - g. Product Specifications (Weight, size dimensions, electrical specifications, weight ratings, maintenance requirements, etc.)
  - h. As a supplement to the Product Summary the team should include at least three and up to five photographs or representative images (computerized renderings are acceptable) of the completed product, these photos should be high quality (3200 x 2400 resolution) and will be used for promotion of the project. The photos should be sent in the same email, but as a separate attachment.

2. **Marketing Flyer (15 pts):** Each team will develop an 8.5" by 11" one or two-sided flyer promoting and detailing the product. Flyer should be designed to be utilized as an advertisement for and an overview of the product to be shared with customers. An example of the Marketing Flyer will be posted at [www.sarodeo.com](http://www.sarodeo.com).

**The Marketing Flyer will be turned in at upon arrival at check-in and teams should supply judges (up to 5) with a copy during the Sales Presentation.**

## **AUCTION**

1. The top 5 high scoring projects in each Project Division (Livestock and Farm Equipment, Trailers, Wildlife, Home Recreation and Conveniences) will be eligible for the Live Auction.
2. Show Management reserves the right to include additional high scoring projects in the auction at the discretion of the judges.
3. If a division has less than 5 eligible projects to sale, Show Management reserves the right to include additional high scoring projects from a different division in the auction at the discretion of the judges.
4. All qualified projects will participate in the Virtual Silent Auction. If project is not selected for the Live Auction, the highest bidder through the Silent Auction is the winning bid *if the Market Value is met*. If the project is selected for the Live Auction, be advised that the Virtual Silent Auction highest bid may not be the winning bid as bids will reopen during the Live Auction.
5. Silent Auction bids for projects eligible for the Live Auction will close at 6:00 PM on Saturday, February 26, 2022. The highest bid will carry forward to the Live Auction.
6. All other Silent Auction Bids will close 30 minutes following the completion of the Live Auction on Sunday, February 27, 2022.
