Champion Buyer Buckles will be given only to buyers that contribute to the Grand and Reserve Grand Champion lots.

HOW IT WORKS: The San Antonio Stock Show & Rodeo Auction Committee works with community leaders, local businesses, and supporters to raise funds for youth exhibitors of prize winning livestock.

RAISING CHAMPIONS: After months of caring for their animals, Texas 4-H and FFA Youth bring their animals to the San Antonio Stock Show & Rodeo in February to be exhibited and judged. Livestock projects teach our youth important lessons in responsibility, leadership and hard work.

WINNING LIVESTOCK: Exhibitors whose animals are judged as top in their class are eligible to be sold in the live auction. The money that is bid on the animal is paid to the exhibitor so they can continue their show experiences and education.

CAN'T ATTEND THE AUCTION? BECOME A FRIEND OF S.A.L.E.!

The Friends of S.A.L.E. buyer group is an integral part of the San Antonio Stock Show & Rodeo Junior Livestock Auction. The funds raised by this group will be allocated to any sale lots that may be receiving lower bids. This helps ensure that each hard working exhibitor that makes the sale will have the opportunity to receive a fair bid.

Buyers who choose to have their commitment or donation be a part of the Friends of S.A.L.E. buyers group will still receive the contribution benefits above. Contributions through both Friends of S.A.L.E. and the Junior Livestock Auction, combined, will determine the level of contribution benefits. The buyer group will also receive advertising through Friends of S.A.L.E. signage on auction days.
