Recycled Yard Art

The purpose of the Recycled Yard Art Contest is to increase environmental awareness and encourage reuse/recycling of materials into yard art as well as to add some character to the livestock department. The competition involves two- and three-dimensional art created from items already used for their original purpose.

ENTRY CRITERIA:

1. Designs are to include one or all the three R's: reduce, reuse, and recycle.
2. Art should be positive in content and expression and must be able to withstand outdoor elements.
3. Two- or three-dimensional art and kinetic sculptures will be accepted.
4. All work must be ready for installation including hanger wires, display bases and/or mounts as required for each piece. Entries must be easily moved by one person (weigh no more than 40 pounds or can be easily moved because it is on rollers/wheels).
5. Entries must be created mostly with recycled or recyclable materials. Exceptions include glue, writing and coloring materials.
6. The judging committee reserves the right to reject any entry that does not meet the above criteria or presents a health or safety hazard.

Division 1611—Recycled Yard Art

Class 1 All entries
