### Livestock Evaluation Contest

This contest is designed to be a rate of gain as well as a carcass evaluation (using the Ultrasound equipment) competition and educational program. Livestock Evaluation is a program to provide junior exhibitors a learning experience that emphasizes all aspects of production. It is used to evaluate the total product rather than just the live animal as it appears on show day. This contest objective is to reward those exhibitors that produce an exceptional product through good selection, proficiency through healthy feeding practices, and good livestock project management.

#### **Evaluation Contest Scoring Procedure**

Using data obtained from weighing Beef, lambs, hogs, and goats at 60 days, then getting a final weight and ultra-sounding for loin-eye and back fat thickness at the fair, animals are scored for the evaluation contest in the following manner:

#### **Average Daily Gain – 40%**

Calculated by dividing pounds gained by the number of days (60 or 120). Most pounds per day scores highest or 40 points, 2nd 36 points, etc.

#### **Loin-Eye Size – 40%**

Measured in square inches using actual ultrasound data. Largest scores highest or 40 points, 2nd 36 points, etc. **Fat**

#### **Thickness – 10%**

Measured in inches using ultrasound data.

In hogs and lambs, the least scores the highest, and in beef the most scores the highest or 10 points.

#### **Show Placing – 10%**

Calculated using show ring placing. 1st place scores 10 points, 2nd scores 9 points, etc.

Entries in the Livestock Evaluation Contest will register and be weighed and ear tagged at the San Bernardino County Fairgrounds unless otherwise listed, on the dates listed below.

#### Entries Must be completed online by March 29, 2024

#### **Beef, Sheep, Swine & Goats:**

Fair Weigh-in Day and Ultrasound Evaluation (Official Market Weight will be used) (Check the show schedule).

*Contest Animals will be Ultra sounded as they leave the scale.*

#### Premiums Offered per Class

	1st	2nd	3rd thru
Beef:	\$200	\$100	Jackpot
Swine:	\$150	\$75	Jackpot
Sheep:	\$100	\$50	Jackpot
Goat:	\$100	\$50	Jackpot

Jackpot placing percentage depends on # of entries. The more entries, the more places paid.

#### **Guidelines:**

1. All animals entered in the Market Steer, Sheep, Goat, and Swine division are eligible to participate in this division.
2. All local and state rules apply.
3. To enter, exhibitors must complete the following:
  - A. Weigh animals at the official pre-weigh day
  - B. Enter the animal in a regular market division and pay the regular market entry fee by **May 1, 2023**
  - C. Weigh-in during weigh-in day.
  - D. Have the animal evaluated by the ultrasound technicians at the designated time
  - E. Show the animal during the Live Evaluation Class.
5. Exhibitors must be present to show their own animal. Official uniform is required.
6. Placing in this division will not affect the sale order.
7. The specie jackpot monies will be divided between 3<sup>rd</sup> through 10<sup>th</sup> place or further if specie monies allow.
8. **Each class must have at least 5 entries** to receive a payout.
