Added Media Night Bonus!

This year, the Sacramento County Fair is partnering with Make-A-Wish® Foundation to host Terrell and his Adopt-A-Wish® sponsors, Sutter Health. Terrell, 14, who battles leukemia, wishes to have his very own carnival, so the Sacramento County Fairgrounds is making his wish come true, also on Media Night, Wednesday, May 23, 2018.

Not only has Terrell has shown bravery by fighting his critical illness, but recently he was recognized as a local hero for saving neighbors in their apartment building after it caught on fire in Stockton. At his very own carnival, the Stockton Fire Department will recognize him as a local hero.

“Wishes would not be possible without the collective support of our local community,” said Jennifer Stolo, President and CEO of Make-A-Wish® Northeastern California and Northern Nevada. “Because of Adopt-A-Wish sponsors like Sutter Health and lending lands from the Sacramento County Fair, Terrell’s wish is going to be a magical experience for him and his family.”
