Sacramento County Fair and Sutter Health to Make-A-Wish Come True!

Sacramento, Calif., (5/21/18) – Terrell, 14, who battles leukemia, wished to have his very own carnival and thanks to his Adopt-A-Wish® sponsors, Sutter Health, his wish is coming true! This year, the Sacramento County Fair will be powering up their rides one day early for Terrell to experience the magic of his own carnival.

“Terrell is one brave young man. He is an inspiration. We are proud to open our fair a day early to make his wish come true,” says Pamela Fyock, CEO of the Sacramento County Fair.

Not only does Terrell show bravery by fighting his critical illness, but he recently saved his neighbors in their apartment building after it caught on fire in Stockton. At his carnival, Sutter employees will be there to support him in his wish coming true as well as the Stockton Fire Department to recognize him as a local hero.

“Wishes would not be possible without the collective support of our local community,” said Jennifer Stolo, President and CEO of Make-A-Wish® Northeastern California and Northern Nevada. “Because of Adopt-A-Wish sponsors like Sutter Health and lending lands from the Sacramento County Fair, Terrell’s wish is going to be a magical experience for him and his family.”

Make-A-Wish® creates life changing wishes for children with critical illnesses and are on a quest to bring every eligible local child’s wish to life. Research has shown that a wish is an integral part of a child’s treatment journey. Make-A-Wish® Northeastern California and Northern Nevada was established in 1983 as one of the early local chapters of Make-A-Wish® America.
