HOW TO BID VIRTUALLY

This is a live auction, with both a virtual and in-person component. We will have an auctioneer who will accept bids both virtually and in-person. The auctioneer has the final word on the sale of each animal, the animal is deemed sold when the auctioneer calls the lot. Virtual bidding may be done on your phone or on a computer. If bidding virtually, please make sure you have a strong internet signal. Our format allows you the convenience of bidding virtually one day and in-person on another.

PRE-BIDDING FOR ALL OPENS MAY 28th, 2021 at 4:00 P.M.

Hogs & Small Animals will be auctioned off on May 30th at 10:00 A.M.

Large Animals (Sheep, Goats, Steers) will be auctioned off on May 31st at 10:00 A.M.

Animals will sell in random order except for the Sale of Champions, which sell at 12:30 P.M. on both days.

ALL ANIMALS SOLD BY THE HEAD

STEPS TO BIDDING

1. **REGISTER to BID NOW:** All buyers must go to www.sacfair.com to register to bid. It is very important to make sure your **cell number** is listed. The system is not set-up to utilize a **LANDLINE**, and we must have a correct email. Click "Request Security Code". Your security code will be sent to you by text message. If you don't receive a text, then we need to update your phone number. Please call the office at 916-263-2975 or call Pam's cell at 602-743-9990.

2. **PRE-BID OPENS MAY 28th:** Once you have registered to buy, nothing happens until May 28th, 2021 at 4:00 P.M. when the sale opens. You may then place your pre-bid amounts, set max bids and support the exhibitors with add-ons.

On May 28th, go to www.sacfair.com to enter the auction site. Once you go to the auction platform to bid, search for your name in the dropdown menu and then you will "Request Security Code" and the system will text you your security code. Enter the 4 digit code under your name and sign-in. If your name does not appear in the dropdown menu, please re-register. Remember, your computer can time-out, so hit the refresh button.

Your password/code is unique to each buyer. If you are buying for multiple buyers, make sure you login as the proper buyer. On May 28th, you can either preview the system, place all your bids or spend your entire budget for the auction. You will receive a text to your cell number when, and if, you are outbid.

We will email you your buyer sale order prior to the opening of the virtual auction. The sale will be conducted both virtually and in-person. All animals will sell by the head, by lot number and in random order. Animals are in sale order on the auction site. We suggest that you continuously check the auction platform for what animal is selling. It takes approximately 1.5 minutes to sell each animal live; however, times may vary.

3. **BID IN THE AUCTION:** Go to www.sacfair.com to access the platform. Click on the "Video Feed" on the top of the auction site to hear the auctioneer through the live feed. Auctions move very quickly, if you are bidding virtually you have the ability to place your bids prior to the opening of the live auction "pre-bid". You could place your bids on the virtual site and then attend the live auction and continue to bid. If bidding virtually, please be ready to rapidly place your bids or you could get out bid by the live auction. Pre-bidding and max bids can be used to place all your bids prior to the opening of the auction or just to familiarize yourself with the platform.

If you are the lucky purchaser, please follow the prompts to choose custom or resale and, if applicable, choose the butcher of your choice. Remember, you choose a butcher only if your animal is custom and you want the meat.

If at any time you need assistance, please call the office at 916-263-2975 or 602-743-9990. Please answer any unidentified numbers as staff will be utilizing personal cell numbers.

BILLING

As the lots close, you will receive a sale invoice email from the SCF office with your individual lots that you purchased. You don't need to return this, just verify the information is correct. A SCF staff person will be calling you to verify all information. If you are a volume buyer, we will contact you at the end of the sale. Please answer your cell phone!

Add-ons will remain open until midnight on June 4th. Please utilize the auction site at www.sacfair.com

THANK YOU FOR YOUR SUPPORT!

IN-PERSON BIDDING

Buyer Registration: When you register as a buyer, you will be given a buyer number for each individual or organization you will be representing at the sale. Upon being awarded the successful bid on an animal, please display the buyer number assigned to the party to be billed, to the auctioneer. Also, distinguish the disposition by flashing the letter "R" for resale or the letter "C" for custom. To help us confirm your purchase information, please remain seated until a "runner" brings you your sale invoice. Settlement may be made once your paperwork has completed its route through the data processing.

The Junior Livestock Auction is a CASH only sale. We accept cash, check, or Mastercard/Visa. In order for us to pay our exhibitors, we must receive prompt payment from our buyers.

Finance Charge: A finance charge of 20% per month (18% per annum) may be added on any outstanding invoice over 30 days past due.

ALL ANIMALS SOLD BY THE HEAD

Custom VS Resale: If you are the successful buyer during the auction, you will select if you want the animal custom (you receive the product) or resale. You will also choose your cut and wrap facility at checkout.

Resale: The animal will be automatically resold for you at the current market price. This resale price will be listed on each specie. This is a "price per pound". You are responsible for paying the difference between your bid price and the resale price. You will not receive any meat if your animal is sold resale.

For the first time, turkeys are available for resale or custom. Custom turkeys include smoking & cut & wrap. Following cut & wrap (approx. June 13th) turkeys will be ready for pickup at a centralized location. All turkeys must be picked up immediately due to limited space. If turkeys are not picked up within one day, the bird will be donated to a food bank.

Custom: The animal will be processed for you by the service of your choice. When settling your account, be sure that the correct cut and wrap service is noted on your sales invoice. Please include two telephone numbers where you can be reached. Contact your cut and wrap service by Wednesday, June 2nd for instructions. If you do not contact your cut and wrap, the plant will not know how to process your meat or animal. In order for you to pick up your meat, your animal must be paid for in full. Payments for cutting, curing, and wrapping is paid directly to the cut and wrap service you have selected.
