

Dear New Levee Applicant:

As in prior years, we are offering Levee parking through the mail or online. We are offering the few open Levee spaces we have to new applicants. If you have had a Levee parking space in the past, but missed last year or the deadline for renewing your Levee parking, you are considered a **new applicant**.

New applicant Levee parking spaces will be available April 4th on a first come first serve basis. We only have a certain number of spaces available, so we suggest getting your application in early. You will be notified by email if you received your space. Payment must be received with either paper or online application.

We need your vehicle measurement from the middle of the front bumper to the middle of the back bumper, (not around the vehicle). Your measurements will be confirmed during the Fair. If you arrive at the Fair and your vehicle has changed and does not fit in the space you automatically forfeit your space, and all fees associated with the Levee. Levee prices prior to, and including, April 29th, 2022 are \$125.00, after April 29, 2022, prices will be \$150.00.

If you have any questions, regarding the Levee parking please call Julie, at the fair office. Please make sure everything is correct with your Levee request, there are no refunds for any Levee parking. The Fair reserves the right to change, cancel, or reject any application whether it is a new or a renewal application. In order to be considered for a Levee spot all balances with the Fair must be paid in full.

LEVEE PASSES ARE NON TRANSFERABLE, the pass you receive is good for one vehicle and only the one vehicle with the above submitted information. Vehicles in a levee spot must match the space number and license plate number written on the assigned sticker or will be towed by Cal Expo police. SCF is not responsible for tow fees.
