A well-written business plan will set forth the goals for your business and guide your current and future operations. Every plan should include information on the history and development of your business, the product or service you offer, your marketing strategy, the ownership structure, personnel requirements, and the financial plan of the business. For the startup business, a business plan acts as a "feasibility study" to determine whether the potential business is viable. A completed business plan can also be used as a tool to gain financing for the business, or to recruit employees. However, the greatest benefit of the plan is that you, the business owner, will have a clear understanding of your business, industry, and marketplace. This knowledge will lead to better decision-making, and ultimately, increased profitability. The SDDC offers monthly Business planning workshop.</p>

Register for a Permit, License, or Account (Español (regsp.htm))

The Board of Equalization (BOE) wants to make doing business in California as easy as possible. You can register for a seller's permit or use tax account using our online registration or in person at one of our field offices. The BOE also administers several special tax and fee programs in addition to the state's sales and use taxes.

To register for a special tax or fee program, please contact **Special Taxes and Fees Registration** (boe.ca.gov/sptaxprog/tax_and_fee_programs_reg.htm).

You must obtain a seller's permit if you:

Are engaged in business in California

Intend to sell or lease tangible personal property that would ordinarily be subject to sales tax if sold at retail (this includes wholesalers, manufactures and retailers.)

Will make sales for a temporary period, normally lasting no longer than 90 days at one or more locations (for example, fireworks booth, Christmas tree lots, garage sale)

You must obtain a use tax account if you meet all of the following conditions:

Receive at least \$100,000 in gross receipts from business operations per calendar year. Note: Gross receipts are the total of all receipts from both in-state and out-of-state business operations

Are not required to hold a seller's permit or certificate of registration for use tax (under section 6226 of the Revenue and Taxation Code)

Are not a holder of a use tax direct payment permit as described in section 7051.3 of the Revenue and Taxation Code

Are not otherwise registered with the BOE to report use tax

The requirement to obtain a seller's permit or a use tax account applies to: individuals; partnerships; corporations; organizations; husband/wife co-ownership; LLP's; LLC's. If you are an itinerant veteran vendor, please visit our [Veteran's Tax Topics \(boe.ca.gov/sutax/veterans.htm\)](http://boe.ca.gov/sutax/veterans.htm) page to find out whether you are required to have a seller's permit.

If you have any questions about the registration process, or being a "qualified purchaser," please see our [Frequently Asked Questions \(boe.ca.gov/sutax/faqscont.htm\)](http://boe.ca.gov/sutax/faqscont.htm).

Register Online

Register online (<https://efile.boe.ca.gov/ereg/index.boe>) for a seller's permit, use tax account, or other tax and fee programs. It is the convenient way to apply anytime, day or night – 7 days a week (the system is unavailable from Sunday at 7:00 pm to Monday at 5:00 am, Pacific time for routine maintenance). Many applicants will be able to obtain their permit immediately after they submit their application.

Register In Person

You may register for a seller's permit or use tax account in person at one of our [field offices \(boe.ca.gov/info/phone.htm\)](http://boe.ca.gov/info/phone.htm). Registration can usually be completed the same day and help in completing the application is available.
