2022 SAN ANGELO STOCK SHOW & RODEO DATES RELEASED
90th Annual Livestock Show to be held in February, Rodeo & Midway in April

San Angelo, Texas: The 90th Annual San Angelo Stock Show and Rodeo will be held in the Spring of 2022 on the San Angelo Fairgrounds. In 2021, the Board of Directors for the San Angelo Stock Show and Rodeo Association opted to split the livestock show and rodeo/midway events due to the COVID-19 pandemic, and regulations regarding capacities events were facing. Though the livestock show faced numerous challenges with the Winter Storm Uri and a city-wide water crisis, both events benefitted from the change in scheduling.

In consideration of the numerous factors facing both the livestock show and the rodeo, the Association voted to move forward with the 2022 Livestock Show in February 2022. Staff for the association is currently working on a detailed schedule for the event, but are expecting the event to run February 3- February 20, 2022.

With the success of the April event in 2021, the Association will hold the 2022 Rodeo and Midway events April 1- April 17, 2022. The increased prize money to the rodeo payout for 2021, will be a large incentive for contestants to continue to make their rounds to San Angelo. Furthermore, the April weather looks to be more promising for families attending the midway functions.

There are many pieces that comprise the entire puzzle for the San Angelo Stock Show and Rodeo. As staff and board members continue to meet and make decisions for the 2022 event please be patient as information is released in coming weeks.
