2015 Stockton IOS Re...

CCVAA cannot thank you enough for giving us the opportunity to share our love for archery and serve you as tournament host for the 2015 Stockton Indoor & Outdoor Shoot (IOS).

This is our 1st year and we were quite nervous about everything every step of the way because we wanted so dearly to make this experience memorable for everyone, parents and archers alike. When we decided to push forward with IOS there were 3 key goals that we wanted to deliver:

- 1) Awesome Opening Ceremony
- 2) Automated Scoring System
- 3) Giving Importance to the Awarding Ceremony

I believe we were able to achieve all these 3 goals and there is still room for improvement. Day 1 logistics flowed very smoothly; Day 2 could be better but overall it is not too bad. You have our commitment that Stockton IOS 2016 will be bigger and better.

We would also like to thank Carolyn Sasser, Coach Tony Ng, Coach David Allain, Steve Greenwood, Kinsei Imada and all the parents for extending a helping hand today and keeping things from being blown away by the wind. Also, Mr. Kelly Olds, CEO of San Joaquin County Fairgrounds, for your support and guidance. Your ground crew were awesome and we are so blessed.

Finally, attached are the results from the tournament. Please feel free to contact us if you forgot your Shooter ID. Hope to see you all soon.

Sincerely,

Arlene Macasaet
