**QUESTION: I wanted to know for all school locations do we have to bid three different amounts per year or can we bid one amount for all three years are all school locations up for bid for three years**

**ANSWER:** Each location is a separate bid.

Each location's you are choosing to bid on should be filled out in its entirety, meaning all 3 years should have a dollar amount listed for rental. The amounts only requirement is that it meets the minimum bid amount. It is up to the bidder to decide amounts and increases they are willing to offer. The bid will be awarded to the highest average amount over 3 years.

Each bid package is for a 3-year term with understanding that there may be potential redevelopment in some areas that could affect the term. Details on the potential redevelopment is included in the bid packet.

Should you choose to bid on all 3 and be the winner of multiple locations you will have your choice on which winning location you would like to contract. The location you do not choose will be defaulted to the second highest bidder.
