Sally Bill Memorial Award -- An award to the best entry made of the exhibitor's hand spun yarn. A gift certificate has been donated by Island Fibers of Lopez Island.

Judy Packard Knitting Award -- In memory of Judy Packard, this award goes to the hand-knitted entry that best "journeys to adventuresome places, has a creative yet practical design, and embraces a zest for life". A cash prize accompanies this award.

RULES:

General Note to Exhibitors: Entries are first categorized into different major "Classes", 1 thru 14, based usually on the fiber art technique employed (e.g., hand spinning; crochet; knitting; weaving; felt-ing; basketry, etc.). The only exception is for Class 14 "Youth", where all entries by exhibitors aged 16 and younger are included, regardless of type of fiber art employed. Within each "Class", entries are then further sub-divided by "Lot". See below for more specifics.

The exhibitor must have completed the entry within the past year.

Four different entries per Class + Lot are allowed except for Class 1 where two different entries per Lot are allowed. Note: Only one item of a pattern will be accepted from an exhibitor. For example, scarves of the same pattern using a different yarn will be considered the same, or slippers of the same pattern but in different sizes will be considered the same.

Articles stained, soiled or showing significant wear will not be accepted or judged.

Entry must state whether yarns were handspun by the exhibitor or purchased (i.e., "commercial" yarn). If not specified, entry will be assumed to have been made with commercial yarn.

For each entry, first select the appropriate Class, and then add the letter of the Lot. For example, a hand knit sweater made from yarn spun by the exhibitor would be entered in Class 2, Lot b. The Exhibit name on the entry tag would include the title of the sweater plus "Sweater of Handspun Yarn" or similar description.

An additional descriptive tag, called the "Exhibit/Judge's Summary" form (available from the superintendents or in the Woolshed on entry day at the Fair), must accompany the official Fair entry tag. In addition to giving the exhibitor the opportunity to provide additional information about the entry, this form will be used to record the Judge's evaluation and comments.

Exhibitors are encouraged (but not required) to attach an optional swatch, maximum size 4"x4", to the entry. The public is not allowed to touch the actual entry, but may touch the swatch.

Location: Main Exhibit Hall

Premiums:

Blue \$5

White Ribbon only

Best in Class and Best in Show (per exhibitor section) prizes TBD

As in past years we will have three exhibitor sections; a Competitive section without regard to age, an Adult and Teen Open section for photographers 13 and over, and a Youth Open section for photographers 12 and under. Within each exhibitor section there will be 11 classes.

Professional photographers

(photographers who regularly sell their work or teach the craft are considered professional) are encouraged to enter. Entries by professional photographers will be grouped together in an open section. Depending on the number of entries multiple awards may be given. Entries by professional photographers should demonstrate outstanding photographic composition and technique rather than showcasing a particular artist's work.

Exhibitor Sections:

- **Competitive**
- **Adult and Teen Open**
- **Youth Open (12 and Under)**

**Note: teens should write "TEEN" (and indicate their age) on the entry form and on the entry tag as the best photographs from this age group will be separately recognized.*

CLASSES:

GEN General (landscapes, sunsets or sunrises, sailboats, architecture, i.e. wonderful, evocative images).

FT Fair Theme: "Dancing with the Steers" (must clearly evoke San Juan County and or the County Fair).

- CH** Children (Images of children)
PO Portrait.
PFA Pets and Farm Animals.
NW Nature/Wildlife.
FM Flowers or Other Macro.
SL Still Life
TR Travel (entries in this class the image will be judged on how well the image evokes a particular place or culture as well as on its artistic merits).
CR Creative Images (An abstract - an image represented as a graphical design, or for emotional impact rather than for what it actually is; or an altered image, artificially colored or digitally created, with the result the artistic vision of the photographer not necessarily representative of reality).
PE Photo Essay. Multiple images that tell a story. May be color, black & white, from film or captured digitally. These must be multiple images and if in separate frames, marked so that they can be hung in the intended order. Entries will be judged on relative storytelling impact, as well as the composition and quality of individual prints.

Judging & Awards:

The judging within the **competitive section** will be different from the judging in the open sections. In the competitive section there will be just one blue, one red, and one white ribbon and, if warranted, honorable mention ribbons awarded within each class as well as an overall "Best in Class" award per exhibitor section. If a class has 5 or fewer entries the photographs may be grouped with another class or not all ribbons may be awarded. This is to ensure that the quality of photographs receiving ribbons in this section meet comparable standards.

Within the open sections (both Adult and Teen and Youth) blue, red and white ribbons will be awarded to all photographs meeting certain artistic criteria without regard to other photographs. In addition "Best in Class" ribbons per exhibitor section will be awarded.

In the two open sections, special recognition will be given to outstanding young photographers. The best photographs (without regard to ribbons) submitted by teen photographers will be separately dis-

played.

Following the judging, the best photographs in each section will be displayed together in a "winners circle."

A "Best in Show" ribbon will be awarded without regard to the section in which it was entered. As in past years, there will be a daily "People's Choice" award given based on voting by attendees. This award will be given without regard to section.

RULES:

Photographers may enter TWO photographs in the Competitive Section and/or TWO photographs in the Open Section) for a maximum of four photographs). While children 11 and under may enter photographs in the competitive section, care should be taken to ensure that the photographs are of a competitive quality. The San Juan County Fair reserves the right not to accept or display photographs due to inappropriate content. Photographs must be framed with a secure fastening device for hanging (string taped to the frame or back does not hold!). No string please! We cannot accept any other framing as these cannot be properly hung and detract from the overall quality of the exhibit.

Saw-tooth hangers are not acceptable as we hang pictures from large s-hooks. String or wire taped to the back of the picture will not hold and cannot be accepted. We will not be responsible for damaged frames caused by inadequate framing. Where possible, please avoid large or 'fancy' frames as they often detract from the photograph. In the case of framing, less is more! While only the photographs themselves will be subject to judging, poorly framed and haphazard framing or matting detract from the overall quality of the exhibit and may be rejected. All entries must be the original work of the photographer.

The name, signature or identifying marks of the photographer must not appear on the visible surface of any entry. If the photographer's name is on the print or mat, it must be covered by tape.

Sizes: minimum - 4"x6" print (should be in

at least a 5"x7" frame) and a maximum, overall, outside dimension (of the frame) of 120" (equivalent to a 26" x 34" frame). To encourage photographers to create work specifically for exhibiting at the fair all photographs must have been taken within 19 months of the fair (that is, after January 1, 2022).

Photographs may be titled or untitled. In all sections, both color and black and white photographs will be accepted. Special awards will be given for outstanding black and white photographs. No distinction will be made between digital or film based photography. All work that follows the rules will be judged.

2024 San Juan County FAIR

TRASHION FASHION ENTRY RULES & REGISTRATION

You promised that ***this was your year***, so go out there and strut **your** stuff! This contest is all about having **FUN!** So let your imagination go. Be wildly inventive, “think outside of the recycle bin.” and try another persona on for size. Please do remember, though, that this is a family show and there will be children in the audience. Use your best judgment and keep age-appropriateness in mind. The San Juan County Fair Board retains the right to refuse the entry if it is determined to be inappropriate.

ELIGIBILITY:

The contest is open to all San Juan County residents. Questions? Call 360-378-4310

RULES:

1. Applicants are invited to create wearable artwork/fashion using recycled, repurposed, reused and/or found materials. Pieces must be durable enough for wearing in the show. Vintage or used clothing will not be accepted unless it has been significantly repurposed and redesigned into something substantially “new.”

Use duct tape and news paper sparingly in your design.

2. Collaborations are allowed.

3. To be eligible for the show, your completed entry form **must be received in the Parks and Fair admin Office (alongside the Main Building just inside the Main Entrance) by 6 pm, Monday, August 12th.**

4. All entrants or models of the entry **must** attend the **Walk-Through Rehearsal, Monday, August 12th, 6:00pm at the Main Stage, by the Main entrance on Argyle Ave. You must attend the rehearsal. The actual Trashion Fashion show is on Sunday August 18th at 4:00pm on the Main Stage.**

[If you do not want to model your entry, you are encouraged to find a model. Please let us know if you need assistance with this—we can find one for you in a pinch.]

DESIGN CONSIDERATIONS:

Our venue is quite small, and backstage space is very limited. There are stairs to navigate, and there may be a “runway” to navigate. You may even want to consider a mobile entry ie: on a skate board, unicycle or stilts. It is a good idea to keep these things in mind when designing your entry.

Here's some ideas!

- **Create an outfit you could wear again.** (Good design, well sewn, etc.)
- **Use those recycled materials!**
- **Re-use that trash!** (items that are destined for the land fill)
- **Make something related to the Fair theme!** “A Century of Growing: 100 Years at Home”

Register Now! You may have everything you need right in your own backyard!

This is Your Year!

ENTRY RULES FOR ALL 4-H PARTICIPANTS

- All entries must be appropriately tagged when submitted for judging. Please see individual department rules for additional directions where they apply.
- Only one entry is permitted in each Lot (unless noted within the department).
- All youth entering must be currently enrolled 4-H members in San Juan County. They may enter only for the projects in which they are enrolled. The deadline to exhibit in 4-H at the San Juan County Fair is March 1 of each year for animal entries and June 1 of each year for still life entries. It is possible to enroll in 4-H after March 1, but the youth cannot exhibit in the 4-H Division. These youth may exhibit in Open Class.

RULES FOR 4-H ANIMAL PARTICIPANTS

- No cell phone, iPod or electronic devices used while on herdsmanship duty, in the show ring or horse arena while competing, practicing or warming up.
- 4-H Leaders must notify the appropriate 4-H Superintendents of the Animal Departments of the number and type of animals that will be exhibited by their 4-H members at the Fair by August 1 of the current year.
- Please review "Special Instructions to Livestock Exhibitors" and "Sheep and Goat Scrapie Requirements" listed at the beginning of the Open Class section. These apply to 4-H exhibitors, unless otherwise noted here.
- 4-H animal exhibitors are required to participate in Showmanship, Judging and Herdsmanship. Any exhibitor not participating in these required classes will forfeit all premium points, awards and eligibility to sell at auction. The only exception to this rule is for showmanship waivers that are approved prior to Fair.
- Any animal exhibited may be used for 4-H judging contests.
- Animal exhibitors must be present to show their own animals in Type classes unless prior arrangements are made with the Superintendent before showing time. All exhibitors must be present to show their own animals in Showmanship classes with the exception of those members who have a waiver approved by the Livestock Market Animal Auction Committee, prior to Fair.
- Shared Animals -Two members may jointly care for and show one animal. These two 4-H members may not compete in the same class or lot at an event. A Shared animal agreement form must be submitted to Extension by animal acquisition dates.
- Herdsmanship (Barn Duty) - Small and large animals must have someone in attendance when the Fair is open daily to the public, except during Showmanship or any other event in which all club members are required to participate. Each club and/or barn will arrange their own duty schedule. The youth on barn duty must be a club member. Leaders, friends and parents

cannot perform duties of Herdsmanship. Clubs can combine with another club of the same type for Herdsmanship. Please inform Extension Staff of your plans by August 1 of the current year. The 4-H exhibitor must perform herdsman, grooming, handling, and exercise of the project animal. This includes clipping and washing the animal. In cases where 4-H exhibitors are physically incapable of doing their own clipping or washing, only bona fide 4-H exhibitors may provide needed assistance. Violations of this rule creates loss of learning experience to the exhibitor and unfair competition to other members, particularly in the Fitting and Showmanship contest, and is cause for disqualification of entry. ONLY EXHIBITORS are allowed in stalls/pens. *When the safety of the child or the animal is a concern, a 4-H leader can help. Exhibiting 4-H members are to perform their own herdsman chores. Herdsmanship done by non-exhibitors can result in forfeit of all awards and premiums by the exhibitor involved.

- Once a 4-Her's animal has been vet checked and approved to be shown, it must remain on the Fairgrounds for the duration of the Fair. If an animal is removed from the grounds, it may not be returned. Animals may be removed Saturday after 8:00PM.
- Please refer to the horned animal rules in the 4-H Policy & Procedure Handbook (section 9.7) for cattle, goats and sheep.
- Please note: All judges for animal projects are not hired for more than two years in a row. (Excludes Round Robin contests)

ISSUES OF ANIMAL HEALTH

Animal Health and the Use of Illegal Drugs

The use of illegal drugs and/or the improper use of animal health products or foreign substances will not be tolerated in the Washington State 4-H Youth Development Program. Extension personnel, 4-H volunteers, families, youth and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances, and to report those who do use any illegal

substances. The administration of any drug or medication, which could affect an animal's performance by either creating an unfair advantage or changing the disposition of the animal, is unacceptable. Additionally, there are federal penalties for using illegal substances in animals that are going into the nation's food supply.

2024 4-H LIVESTOCK MARKET ANIMAL AUCTION

Date: Saturday of Fair Week

Auction Registration: 12:00 pm to 1:00 pm

Location: 4-H Livestock Arena, San Juan County Fairgrounds

Superintendent: LeAnne GrosJacques-Burt

General Rules:

AUCTION PURPOSE: To provide an incentive to exhibit and sell quality market stock beef, sheep, swine, meat goats, poultry, poultry eggs and rabbits which have reached marketable weight and grade. The 4-H youth seller and the bidders and/or buyers are reminded that the prices paid to the seller on their animal may not, in fact, reflect a true market price at the time of the sale. It is the desire of the sponsors that the buyer of the animals featured in this sale will bid sufficiently to cover the individual Exhibitor's additional expenses incurred. Each exhibitor is responsible for knowing the rules. These publications can be found at the Extension Office or at the State 4-H website: <http://extension.wsu.edu/4h/projects/stem/horse/>
- * See The Horse Contest Guide for proper class, tack and attire. Note: bitless bridles are not allowed except mechanical hackamores in Western Games. Chin straps and stirrup keepers required. A Tack and attire inspection will be done prior to exhibiting.
- * Members must wear ASTM/SEI approved helmets while riding or driving. There will be no exceptions.

4-H Dress Code: 4-H program participants & volunteers are expected to abide by the 4-H dress code during the Fair:

- * If equine assistance is needed, leaders may assist for safety reasons or if a member is physically unable (except to hold the horse for a brief time). Parents, family, friends, trainers and non-leader adults may not help 4-H competitors with their horses. This includes bathing, tacking, grooming, handling and riding. Parents and trainers are not allowed to coach exhibitors from the sidelines while youth are being judged. Exhibitors should seek help from other 4-Hers if needed. Only the 4-H member may ride or show their own project horse during the week of the fair (exceptions are shared horse projects registered with the Extension). A Horse Replacement Form must be completed and submitted along with documentation (letter of explanation from your veterinarian) for approval to the 4-H Program Coordinator, within 48 hours of the examining veterinary's signature and prior to the 4-H event. The 4-H Coordinator will approve/deny the request and forward any changes in status to the 4-H leader, horse show manager and/or 4-H horse superintendent. The certified secondary horse would also be eligible if youth qualifies to compete at state 4-H fair.

Each movement is scored (0 to 10 points) to establish whether the movement performed was insufficient (4 or below) or sufficient (5 or above). Additional information on how to ride the test and how the test is to be judged can be found in the Oregon 4-H Dressage Manual, 4-H 1311. For current copies of tests, see your 4-H leader or Extension.
