# FIND IT! FIX IT! WIN \$4,000!!

## J.B. DEWAR

FUELING EXCELLENCE SINCE 1933

Attention High School Students! J.B. Dewar wants to award you CASH for restoring that classic machine:  
**THE FARM TRACTOR!**

You or a group of friends could win up to \$4,000. Just find a friend who wants to team up with you.. or do it yourself. There are three phases to the competition: the restoration of the tractor, the use of the workbook, and an oral presentation. All three phases are necessary to compete and we can help you along the way. Follow the instructions that are listed below to find out where to start and how to FINISH A WINNER!

1. Find an old tractor that can be restored to its original luster. If you can't find one, give us a call and we'll help you get one. We may already have one waiting for you!
2. Get to completing your workbook. This is a **very** important part of the restoration process. It will provide an outline and instructions that will help you organize the following:
  - Documentation and description of the restoration, including a detailed expense report and time log.
  - Before and after pictures.
  - A report detailing all internal and external mechanical work performed.
  - A funny story that happened to you while you or your team restored the tractor.
  - A contract or written agreement between the tractor owner/donor and the individual(s) restoring the tractor.
3. Make two copies of all of the notes or documentation used, including the workbook, and turn them in to us for judging!
4. Oral presentation with judges!

### PRIZES

All phases of the competition must be completed by noted due dates in order to be awarded prizes.

**GRAND PRIZE- \$4,000, 1st RUNNER UP- \$3,000, 2nd RUNNER UP- \$2,000**

#### **Finish a Winner!**

Sounds like a lot of work, right? Don't worry- the workbook will help you get organized. Plus we have plenty of helpers (that we are extremely grateful for!) that can help you with your project when you get stuck.

Below are a couple pointers on what the judges will be looking for or asking:

Appearance: The goal here is to amaze the judges with the tractor's overall appearance. Here, you can detail all the painting and polishing you did to make it look like it is brand new!

Mechanics: What we mean here is how much mechanical work was needed to get the machine running again? How many parts did you replace or rebuild? What did you learn in replacing or rebuilding these parts?

Safety: We're going to ask you to tell us how attention to safety played a role in the restoration of the tractor.

#### **Parents and Teachers:**

J.B. Dewar, Inc. sponsors this program to make learning valuable business skills fun for youth. Students who participate will get realistic experience in: Project Coordination, Record Keeping, Expense Management, and Teamwork.

This contest is open to all high school students in the San Luis Obispo and Northern Santa Barbara Counties in grades 9 through 12. Participants must be between the ages of 14-19. Through this program, you may also enter the National Delo Tractor Restoration Competition. For more info please visit <http://www.delotractorrestorationcompetition.com>.

#### 305: CHALK DRAWING

1. Professional
2. Amateur
3. Juniors - Age 6-8
4. Juniors - Age 9-12
5. Juniors - Age 13-18

##### Chalk Drawing Rules

Due to the "blend-ability" and softness of the colors, chalk drawings automatically take on an almost ethereal appearance. In Mary Poppins, they are downright magical! Wouldn't it be fun to pop into a drawing and explore it just like Mary and Bert? If a drawing could take you anyplace you'd like to go, what would you draw? An actual place like the moon, another country, or the top of Mt. Everest? Or, an imaginary place like Hogwarts? You decide!

1. Create your drawing on a 9"x12" sheet of construction paper, any color. Do not attach drawings to any type of mounting board or backing.
2. Please use ONLY regular chalk or chalk pastels to create your drawing. NO oil pastels.
3. Required: Please write the location of your drawing in the bottom right corner of your paper using chalk, pencil, pen, or marker.
4. Optional but not required: Drawings may be laminated or sprayed with a fixative to resist smearing.
5. Entries will be judged on originality, creativity, appearance, and adherence to rules.

1. Professional
2. Amateur
3. Juniors - Age 6-8
4. Juniors - Age 9-12

1. An original short story about traveling through time. Be sure to include what method was used for the time travel.
2. Stories can be between 1 - 6 pages in length, with or without illustrations.
3. Typed or handwritten entries are both acceptable.

2. Exhibitor shall use respectful language. No foul or abusive language or gestures will be tolerated.
3. **All junior livestock exhibitors must groom and wash their own animal while they are on the fairgrounds. Any assistance must come ONLY from another junior livestock exhibitor who is exhibiting an animal at the 2022 Santa Barbara County Fair wearing a designated exhibitor wristband.**
4. Possession of any weapons or illegal drugs on the fairgrounds, or in the Adam's Park camping area, is prohibited.
5. Possession of alcohol or drinking alcohol, and/or being under the influence of alcohol by any underage exhibitor minor on the fairgrounds, or the Adam's Park camping area is prohibited.
6. Use of fireworks or sparklers is prohibited on the fairgrounds and in the Adam's Park Camping area.
7. Any exhibitor whose conduct jeopardizes the health or safety of another exhibitor, animal, or the public, will be immediately expelled from further participation in the 2022 Santa Barbara County Fair, and possibly future fairs. The exhibitor will be removed from the grounds and camping area immediately and loses the opportunity to show and sell their animal(s) through the Junior Livestock Sale. Health or safety issues include, but are not limited to, the actions involving weapons, alcohol, illegal drugs, or fireworks, as mentioned in items 4-6 above, and not caring for, i.e. feeding and watering, the exhibitor's animal project. All animals exhibited by the violator must be removed from the fairgrounds by 3pm following the day of the violation.

## CONSEQUENCES FOR VIOLATION OF EXHIBITOR CODE OF CONDUCT

1. If any violation of policy occurs prior to the Junior Livestock Sale, the exhibitor will not be allowed to sell their animal.
2. If the violation occurs after the auction, the exhibitor will receive only the market re-sale value (as determined the day of the auction) for the animal. Any remaining money paid by the buyer in purchasing the animal through the auction, will be placed into a general scholarship fund or put towards educational purposes at the fair. The buyer will receive the animal.
3. **If it is determined that an exhibitor has violated the Fair's Code of Excellence or other exhibit policies, the exhibitor will be removed from the grounds and may not exhibit livestock at the following year's fair. For example:** An exhibitor who violates a rule and is removed from the grounds in 2022 will not be allowed to exhibit livestock at the 2023 fair. The exhibitor may then request in writing to exhibit livestock at the 2024 fair. This request will be reviewed by the Board of Directors prior to an official entry being accepted.
4. The Santa Barbara County Fair Board supports the fair's direction to focus on the exhibitors excelling in leadership, education, and citizenship with their livestock project.
5. The Santa Barbara County Fair Board has decided that minor violations of exhibitor conduct, not involving health or safety concerns, may be given one verbal warning. This verbal warning will be documented and noted by a signature from a member of the Livestock Code of Excellence Committee and the exhibitor. On the second violation, the exhibitor will be asked to leave the fairgrounds and any awards and/or auction check will be withheld.

## RESIDUE AVOIDANCE PROGRAM - DRUG TESTING

1. At a minimum all Supreme and Reserve Champions and any animals suspect in terms of unusual physical appearance, demeanor or activity. As a condition precedent to accepting an entry, an entry form signed by the exhibitor, FFA Advisor, 4-H Leader, Grange Advisor, Parent or Legal Guardian grants the Santa Barbara County Fair permission to test any market animal.
2. All Supreme and Reserve Supreme Champions will be tested immediately following Championship Drive. Animals and exhibitors will be escorted to designated Residue Avoidance Collection Area, along with a parent or advisor and must remain in the collection area until a sample has been collected from the animal.
3. Urine samples will most often be collected, but a test may be performed on any body tissue or fluid on both the live animal and the carcass.
4. Test samples collected from any animal must have zero tolerance for any identifiable or unidentifiable foreign substance including drugs (legal and illegal), chemicals of any kind or feed additives, **unless established as permissible by the USDA or FDA or disclosed on the Santa Barbara County Fair Official Medication Declaration Form. (See Medication Form in back of Exhibitor Guidebook).**
5. Animals testing to an unapproved foreign substance including but not limited to drugs, chemicals or feed additives, will be disqualified and declared ineligible to receive awards, premium money or sale proceeds. The carcass of disqualified animal will be disposed of per written instructions from USDA or FDA.
6. If an animal is disqualified, the animal and/or the exhibitor will be declared ineligible and will not receive awards, premiums and/or any sale proceeds. Further the exhibitor will be responsible for payment of any fees, fines due or costs incurred by the Santa Barbara County Fair as result from the disqualification: The owner/exhibitor and members of his/her immediate family may not be eligible to compete in subsequent Santa Barbara County Fair Programs. The extent and degree of future eligibility shall be determined by fair management based on the severity of the offense and the circumstances giving rise to the violation. If foreign substance residues including drugs, chemicals or feed additives are found in tissue of carcass of animals sold through the auction, the Santa Barbara County Fair will in no way be liable or responsible for condition of carcass or sale price of animals.

## **POLICIES FOR ANIMAL TREATMENT**

1. Any effort to artificially change the conformation or appearance of an animal by treating the animal, internally or externally, with any irritant, counter-irritant, or other substance is considered unethical, inhumane, and is prohibited. Treatments that are prohibited include, but are not limited to, the use of artificial hair coloring (sprays, etc.), excessive use of common products such as fly spray, ointment or liniment or other similar products. Excessive use is defined as the use of a substance to the point that it irritates the animal.
2. Adding false hair or hair-like material, fleece or skin to any portion of the animal's body is illegal and will result in immediate disqualification. Causing the animal to ingest any liquid or substance not considered part of an accepted and normal livestock diet, or in quantities not considered normal for livestock, is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler.  
NOTE: The use of drench guns in any form is illegal and will result in immediate disqualification.
3. The use of tranquilizers, sedatives, or depressants, which alters the physical or physiological state of the animal, is illegal. Exceptions to this rule would be a Licensed Certified Veterinarian's treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The livestock office must receive notification from the Licensed Certified Veterinarian of the details of any such prescribed treatment. The substances used in this treatment must have been approved by The Food and Drug Administration for use in meat producing animals.
4. It is the responsibility of the exhibitor to feed, water and care for any animal they have entered in the fair throughout the entire fair, including any period following the sale of the animal prior to the end of the fair. All market animals including small stock must be given a final feeding and watering at approximately 5pm on Sunday, July 17, 2022 to ensure that the animal arrives in a healthy condition at the processing plant. Market beef exhibitors are responsible for loading their exhibit animal on the shipping truck.
5. Any animal that appears ill or injured while at the fairgrounds must be reported to the livestock office immediately. A veterinarian must check any animals considered unhealthy. If it is determined that the animal is carrying a communicable disease, the animal will be removed from the fairgrounds at the owner's expense. The fairgrounds will not assume the cost for this action. The exhibitor must assume the full expense of the veterinarian's services.
6. Any animal that is unmanageable or that could be a safety hazard to the public will be removed from the fairgrounds. The Livestock Superintendent/Fair Management makes this decision final.
7. It is considered abuse to excessively shrink or exercise an animal.
8. Ice may not be directly used on an animal. Only ice in a bucket of water is permitted. No cooling devices, electrical stimulation tools or shockers may be used.
9. Physical abuse of an animal will not be tolerated. For example: when moving hogs, care should be taken not to excessively beat or hit an animal (either by a person or with an object).
10. For the safety of the animal and the public, animals are not to be left unattended on fitting tables or in blocking chutes.

11. All lambs must be shown with their front feet on the ground as practiced by acceptable showmanship procedures. If this policy is not followed, the judge may ask the exhibitor to leave the ring or may place the exhibitor at the bottom of the class.
12. During animal weigh-in, while at the scale, a certified veterinarian will check animals for any infectious disease. Those animals determined to have an infectious disease will be asked to immediately leave the fairgrounds. For example: animals found to have live Ringworm or Sore Mouth will be asked to leave the fairgrounds. It is strongly suggested that the health of each animal be evaluated prior to coming to the Fair. The Fair Association is not responsible for any costs associated with the transfer or care of these animals.
13. Any abuse of an animal by the exhibitor upon leaving the scale after weighing in is cause for the exhibitor and animal to be removed from the fairgrounds removed from the fairgrounds and not be allowed to compete at the 2022 fair nor the 2023 fair.

## **XI. HORSE SHOW DEPARTMENT**

*State Rules in Sections I-X also apply where there is no conflict.*

**Rules For Horse Show Management.** At USA Equestrian (formerly AHSA) and/or breed association approved horse shows, association rules shall apply. At non-USA Equestrian (formerly AHSA) approved horse shows, USA Equestrian rules will be used as a guideline unless otherwise specified in State or Local Rules.

### **Rules for Exhibitors**

1. The age of an exhibitor on January 1 shall be maintained through the calendar year. Amateur Definition: a person who does not give riding lessons and/or ride, train, or show horses for money or assist the spouse or immediate family in this activity. This includes a person under the age of 18 years.
  - a. The management reserves the right to question anyone's amateur standing if the question of status has been presented with reasonable cause. The decision of the horse show management shall be final.
  - b. At USA Equestrian (formerly AHSA) approved and breed association approved horse shows, their definition of amateur applies.
2. Exhibitors shall provide the following on the entry form for each entry if registered: (a) owner's name; (b) breed; (c) name of animal; (d) sex; and (e) year of birth. In breed classes where registration papers are required, the owner's name as listed on the registration papers must be the same as on the entry form. Registration numbers of animals and their sires and dams will be required as per breed association.
3. Upon approval by the Board of Directors, post entries can be accepted at double the entry fee unless a different penalty fee is printed in the exhibitor handbook.
4. Substitutions can only be made within a division. Substitutions must be made when the entry arrives at the fairgrounds. For horse shows, a substitution is considered the horse, not each class in which it is entered. A \$5.00 penalty per horse must be paid prior to judging for each substitution made by the exhibitor.
5. All riders, drivers, and attendants shall be neatly and suitably dressed on entering the show ring. Horse show manager shall have final decision.

### **Junior Horse Show Exhibitors in 4-H, FFA and Grange classes, including Independent exhibitors in those classes.**

6. Junior Department rules (VII) also apply.

8. Junior exhibitors are expected to groom and care for their animal(s) when at the fair. They shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior exhibitor is actively engaged, and the assistance is only for instruction. Local fair rules will determine enforcement.
9. **Ownership or Lease:** Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, step-sibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, step-sibling's spouse or legal guardian (as evidenced by court documents), or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.

10. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair or event.
  - a. Leased horses cannot be shown for conformation in the halter division.
  - b. For owned horses, proof of ownership must be available at check in.
  - c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecutive days prior to opening day of the fair or event/show if held separately from the fair at the county 4-H, FFA, or Grange office or with a person designated by the 4-H Youth Advisor, FFA Advisor or Grange Youth Advisor.
11. Horses owned as a joint project may only be shown by one designated exhibitor at an individual show.

#### **All Junior Horse Show Exhibitors**

14. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit.

#### **Participation Rules**

15. Ponies entered in classes in which horses are eligible to compete cannot be shown in pony classes at the same show. Fair Management can restrict ponies from entering certain classes by stating so wherever applicable in the exhibitor handbook.
16. Donkeys and mules cannot be shown in "all other breed" halter classes.
17. Eliminations, if deemed necessary by the management, may be held in classes with large entries. The exhibitor shall be expected to ascertain whether eliminations will be held.

#### **Management**

18. No show or contest official or his/her spouse shall enter or exhibit horses in any show or contest at which he/she is officiating, nor may any horse owned by such person be entered or exhibited. A show contest official shall be defined as any person performing the duties of a show manager, judge steward, show secretary, cutter or chariot race official, or any other horse contest. Duties include but are not limited to:
  - a. Contacting or hiring of judges; and
  - b. Acceptance of entries or entry fees.
19. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisor, Show Manager, staff and/or committee members may exhibit horses which are the result of the child's own earnings or a gift made to the child, provided the requirements of the pertinent rules are met. All other requirements for exhibiting must be met.
20. Animals owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior division classes only.
21. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.
  - a. Any return of entries under this rule must be done on a nondiscriminatory basis.
  - b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.
22. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.
23. Photocopies of registration certificates for horse shows may be permitted for the purpose of submitting entries. However, if the fair receives any complaint or challenge concerning the registration of any animal, the fair may request an original registration certificate and may disqualify the entry if it cannot be produced.

#### **Awards**

24. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

25. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e. first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

### **Judges**

26. The judge may judge for conformation before entering the show ring.
27. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.
28. Judges shall not discriminate against exhibitors wearing protective headgear.

### **EQUINE HEALTH RULES**

1. All animals must be serviceably sound. The soundness of animals when determined by the official veterinarian or by the judge shall be final and cannot be protested. The horse show management may request the official veterinarian to examine any animal in competition. All penalties of the Horse Protection Act of 1970 shall be strictly enforced.
2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.
