

To all Exhibitors/Leaders/Parents:

We have received verbal approval from the CDFA to have a Virtual Poultry show (Market Turkeys, Broilers & Show Birds) below is some information to better help understand the events for this show. Once we have the approval in writing from the CDFA we will provide more information and have a small stock meeting so we can answer any questions you all have.

Show Birds

- Show Birds we will have a virtual show only. Exhibitor will upload photos and a video to show works and this will be used to complete the judging. The date for this to be announced at a later date.
- Judging will be announced on Monday July 7th, more to follow on how this will take place.
- A pen will be assigned in the barn for the exhibitors to place a photo and decorate the pens (we will have a separate contest by age for this).

Market Turkeys & Broilers

- The judging will be a virtual show. The Exhibitor will upload photos and a video to show works and this will be used to complete the judging. The date for this to be completed will be announced at a later date.
- On July 7th in the am from 5:30 to 7am, we will be collecting of all the turkeys and broilers at the normal poultry inspection site. There will be a check-in process to inspect each bird before it is placed into the transportation trailer. This will only be about an hour and if you miss the trailer, you will not be able to sell or receive your placings.
- The judging will be announced on Monday July 7th, more to follow on how this will take place.
- The auction will still be on Friday July 11th. The exhibitor will line up at the auction barn in the order that is posted. The exhibitor will need to have a picture or poster with their animal that is being auctioned. This will all be the same, the exhibitors will just not have their animals.

More information will be coming out once we have the official letter from the CDFA.
