F. SMALL BUSINESS PREFERENCE

State law allows certified small business (SB) and microbusiness (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB's/MB's be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder, the actual bid amount.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), see PART VI of this RFP for instructions regarding what to submit with your proposal in order to receive the preference.

All bidders should inquire from the contact person listed on the cover sheet whether any additional addenda have been issued prior to submitting a proposal in response to the RFP.

3. Definitions

The use of “shall”, “must” or “will” indicates a mandatory requirement or condition in this RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of a proposal.

The words “should” or “may” indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

4. Grounds For Rejection of the Proposal

A proposal shall be rejected if:

- It is received at any time after the exact time and date set for receipt of proposals as stated in Part II, paragraphs C and E.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal may be rejected if:

- It contains false or misleading statements or references which do not support an attribute or conditions contended by the competitor. (The proposal shall be rejected if, in the opinion of the State, such information was intended to erroneously and fallaciously mislead the State in its evaluation of the proposal and the attribute, condition or capability of requirement of this RFP).
- It is unsigned.

5. Right to Reject Any or All Proposals

It is the policy of the Fair not to solicit proposals unless there is a bona fide intention to award a contract. However, the DAA reserves the right to reject any or all proposals, or to cancel the RFP at any time during the process.

PLEASE NOTE: Failure to file notice of protest by the conclusion of the fifth working day after notice of intention to award a contract has been posted and a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protester's protest being deemed untimely and grounds for protest waived. Protests shall be limited to the grounds contained in Public Contract Code, Section 10345.

B. OTHER INFORMATION

1. Disposition Of Proposals

All material submitted in response to this RFP will become the property of the Fair. All proposals, evaluations and scoring sheets shall be available for public inspection at the conclusion of the Committee scoring process and announcement of intent to award. One copy of each bidder's proposal shall be retained for official Fair files.

2. Confidentiality of Proposals

The Fair will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality.

The materials may be used by the Fair to justify the awarding or not awarding a contract if a protest is filed. The Fair will not be liable for inadvertently releasing confidential materials although the Fair will use the best efforts to prevent the release of said material.

3. Modification or Withdrawal of Proposals

Any proposal which is received by the Fair before the time and date set for receipt of proposals may be withdrawn or modified by written request of the bidder. However, in order to be considered, the modified proposals must be received by the time and date set for receipt of proposals in Part II.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for 60 days" is non-responsive to the RFP:
