NEW FOR 2023

AUCTION

Commission

Due to rise in costs the commission for market hogs, market goats, market lambs and market beef have increased by 1% to 7%. This also applies to add-ons. Heifers and turkeys will stay the same at a \$45 flat fee.

Sheep

Sheep have moved from Friday morning auction time to Saturday after market beef.

CHAMPIONS

DNA Testing

All Champions and Reserve Champions will be DNA tested during their respective Market Day. Also all Supremes and Reserve Supremes will be tested Thursday after Championship Drive.

- Breed Champions & Reserve Breed Champions
- 4-H & FFA Champions & Reserve Champions
- Supreme & Reserve Supreme Champions

Residue Testing

All Supreme and Reserve Supreme Champions will be residue tested immediately following the Championship Drive.

The Santa Barbara County Fair has the ability to DNA & RESIDUE test any animal officially entered in any division at any time.

HOME ARTS

New Divisions & Classes

- Lego Kit Build
- 1/2 Kit Lego Build (Kit Bashed)
- Metal Craft - Welded
- Planter Boxes (No Live Plants)
- Cricut Custom Designs
- Resin Art

PEN DECORATING

Beef

Backdrops for decorating in the beef barn will be limited to open, breathable. The backdrop must NOT prevent airflow.

SWINE

Weights

Market swine weights will change for the 2023 SBCF. Minimum weight will now be 220 lbs. down from 225 lbs. Maximum weight will stay at 270 lbs.

Classes

Cross-Bred class will be replaced with a Light Cross-Bred and a Dark Cross-Bred. The classes will be as follows:

1. Hampshire Hogs
2. Yorkshire Hogs
3. Duroc Hogs
4. Light Cross-Bred Hogs
5. Dark Cross-Bred Hogs
6. AOB (All Other Breeds) Hogs

Prop 12

There will be new guidelines for swine to be able to sell process or resale. More information will come at a later date.

SHEEP

Halters

Halters will be allowed in the show ring at the exhibitors discretion.

SMALL STOCK

Poultry

The poultry breed show and poultry showmanship will be moved to Tuesday, July 11, 2023 at 2pm.

REMINDERS

ANIMAL ALLOTMENTS

Changes

There will be no changes to allotments from 2022 with the exception of new clubs/chapters/groups unless otherwise discussed with Livestock Superintendent.

REPLACEMENT HEIFERS

Brucellosis Vaccine

Brucellosis vaccine for heifers WILL CONTINUE BE required for the 2023 SBCF.

Even though CDFA (California Department of Food & Agriculture) does not require the Brucellosis vaccine as of October 1, 2021. This will not change the requirement of the vaccine for the 2023 SBCF.
