SEPTEMBER 2022

THE GLASS CITY CENTER BALLROOM IS NOW OPEN & WE'RE CELEBRATING!

YOU AND YOUR GROUP WILL BE AMAZED BY THE ELEGANT SETTING, FABULOUS FOOD, TECHNOLOGY AND GREAT VIEWS

As a long-awaited major community event, every local television station sent a crew to document the ribbon-cutting ceremony and interview local leaders.

County administrator Megan Vahey Casiere and Commissioners Tina Skeldon Wozniak, Pete Gerken and Gary Byers participated in the ribbon-cutting.

Community leaders, a fantastic venue, wonderful food and great friends made for an exciting, eventful evening of celebration for the new convention center.

THE RIBBON-CUTTING EVENT WAS ABSOLUTELY FABULOUS!

Lucas County Commissioners, ProMedica President Arturo Polizzi, Toledo Mayor Wade Kapszukiewicz, Congresswoman Marcy Kaptur and dozens of others added to the festivities!

If you're a meeting or event planner, you need to take another look at Toledo! There's a powerful new spirit of pride and excitement, driven by well over a billion dollars in recent downtown investment. Our downtown has over 550 first class luxury accommodations and is home to an impressive range of live music, concerts, sports events, art galleries and memorable restaurants, breweries and bars.

This is very definitely the start of something big! You will love what we've done. **Glass City Center** is ready now. Call **419-255-3300** or email Carol.DuPuis@meettoledo.org to learn more.

TOLEDO CELEBRATED JEEPFEST JUST A FEW SHORT WEEKS AGO!
