

3rd District Agriculture Association
Silver Dollar Fair
2357 Fair Street
Chico, CA 95928

To whom this may concern,

Please read through the following, sign, and return to the fair by April 19th at 5 p.m. We ask that each exhibitor completes their own form. The form may include more than one hog if owned by the same exhibitor. Please see second page for more information on Prop 12.

Breeder please reference:

Prop 12 Certification #:

To the best of my knowledge, I _____, certify that this fair
(The Breeder)
pig is in compliance with the *Proposition 12-Animal Confinement Standards*.

Fair Pigs Ear Notch or Tag (may include more than one pig if owned by the same exhibitor):

*Please put ear notches or tag number in the box below

Prop 12: Health and Safety Code 25990-25994

What is Prop 12?

While self-certification of the pork producer where the breeding pig is kept was acceptable for the 2023 fair season, only third-party certifications will be permitted beginning with the 2024 fair season for fair pigs to be processed for resale. The CDFA Fairs and Expositions (F&E) Branch strongly recommends that all fairs request that their market hog exhibitors submit a third-party certification to ensure the pork meat from the show pig has access to a “resale” market. All pork producers, regardless of age and farm size, in California and those outside of California selling market show pigs to California exhibitors, must be in compliance with Proposition 12. “Pork producer” means a person engaged in the business of keeping, maintaining, confining and/or housing a female pig of the porcine species that is six (6) months of age or older, or is pregnant, for the purpose of commercial breeding to produce pork meat from the breeding pig or her immediate offspring for human consumption.

Please see the video from CDFA to learn more about Prop 12:
