

Hog Weight-In Schedule

Date and Time: May 24th from 6 AM - Noon

- Animals **MUST** be ear tagged with their assigned number prior to arrival. There will be taggers that can be checked out from the fair office prior to fair time.
- Hogs will have a different load in system from last year. We will be mimicking how the lambs haul in by driving through the middle of the pavilion. Signs will be put out directing the way to off load.
 - Directions: Trailers will enter through the livestock gate, take a right to enter from the south side of the pavilion, they will drive down the middle isle, off load their animals, and exit through the Costco gate.
- Clubs/Chapters/Independents are asked to deliver animals at their appointed times. The livestock department will be doing their best to keep on schedule, however, please be patient if you need to wait.
- We will not take any animals after the allotted time for that species (6 am - noon).
- Animals that do not meet weight requirements and are not participating in showmanship must be removed from the fairgrounds immediately.
