

Market Lamb and Goat Weight-In Schedule

Date and Time: May 24th from 1 PM – 4 PM

- Animals **MUST** be ear tagged with their assigned number prior to arrival. There will be taggers that can be checked out from the fair office prior to fair time.
- Lambs and goats will be off loaded at the same location as last year. Signs will be put out directing the way to off load.
 - Directions: Trailers will enter through the livestock gate, take a right to enter from the south side of the pavilion, they will drive down the middle isle, off load their animals, and exit through the Costco gate.
- Clubs/Chapters/Independents are asked to deliver animals at their appointed times. The livestock department will be doing their best to keep on schedule, however, please be patient if you need to wait.
- We will not take any animals after the allotted time for that species (1pm – 4pm).
- Lambs that do not meet weight requirements and are not participating in showmanship must be removed from the fairgrounds immediately.
- Goats that do not meet the weight requirements have the option to enter into the Feeder Goat Class. The exhibitor will be sent to the livestock office to complete the form if they wish to stay.
