

“Meat” The Carnivore Crew

Our mission is simple, but powerful: pool donations from generous community members, businesses, and organizations to purchase animals at our Butte County junior livestock auctions, ensuring our young exhibitors get a fair price for their hard work.

Our purpose is to leverage the community's generosity as a backstop to support the investments of youth exhibitors and encourage their future participation in such an impactful learning experience. Extending the reach of this giving spirit, the majority of the meat purchased is donated to the Jesus Center, a nonprofit providing provides services to individuals and families experiencing homelessness.

Join Our Crew

- **Champion Butte County youth in agriculture**
- **Support local families and children experiencing homelessness**
