

Come discover the difference between

SIGHT and VISION

***through fun activities like coloring,
beanbag toss, eye tracking, and more.***

Brought to you by Dakota Vision Therapy!

Do you, or someone you know, struggle with double vision, focusing, tracking, or coordinating, or encounter reading challenges such as skipping words or lines, misreading words, poor concentration, or poor comprehension? If so, further assessment may be beneficial.

So, bring your curiosity as this is an excellent time to learn more about how vision therapy could help you better see the future!!

Saturday 8/3 11AM until 2PM
