

Fiber Arts Event

Saturday 8/1st from 2pm-5pm

In the Arts Center of the Sioux Empire Fair

**Because sheep don't
come like this,
wool has to be processed.
That's right, there's a whole
world beyond the Skein of
Yarn you buy in the store.**

**Come see Fiber Art in action as these
ladies card, spin, crochet and knit
fiber creations. Don't forget to bring
your questions for these
knowledgeable artists.**
