SISKIYOU GOLDEN FAIR REQUESTING BEER BOOTH BID

YREKA – The Siskiyou Golden Fair is soliciting proposals from 501(C) non-profit organizations that are recognized by the Internal Revenue Service and serve communities in Siskiyou County. This revenue generating opportunity is made available to service and non-profit groups as part of the fair’s commitment to contribute to the local economy.

Bidding is on a per-keg basis and the organization with the highest awarded proposal will be given the grandstand booth. Items taken into consideration in the evaluation of the proposals include high offer per keg, variety of beers sold, past experience in operating a concession of this type, and further financial consideration such as partnerships and booth maintenance.

Proposals are to be presented on the Siskiyou Golden Fair bid packet only. Any qualified non-profit organization that would like the opportunity to submit a bid may pick up the required packet at the fair office during regular business hours Monday-Friday. Packets will be available on the website or in the office and must be in the fair office by Tuesday, March 17th at 2:00p.m. to be eligible for consideration.

The bids will be opened and scored by a committee of the fair’s Board of Directors. Final selection and awarding of the contracts will be made by the full Board of Directors at the March 17th board meeting.

For more information please contact the fair office or email info@sisqfair.com. The 2020 Siskiyou Golden Fair “Seeing is Believing” will run August 12-16 in Yreka.
