

2023 Siskiyou Golden Fair LIVESTOCK - DAIRY CATTLE

It is the responsibility of all exhibitors to read and follow all State and Local Rules. Any infraction of these rules will result in forfeiture of all premiums and possible removal from the fairgrounds.

- Cattle must be halter broke to lead. Runaway cattle will be disqualified and removed from the grounds.
- Cattle must have a double night tie. One tie must be around the neck of the animal.
- Heifers that have unacceptable pelvis area, narrow or small, as determined by the veterinarian will be disqualified.
- Junior yearling dairy cattle in milk must be shown in the two-year old lot in both the individual and group lots. Please let the livestock superintendent know "in milk" at check in.
- California does not require cattle to be Brucellosis vaccinated at this time. It is still highly recommended that heifers entered and for sale receive the vaccination.

Class 1	Bred Dairy Heifer, born February 2021 or later

The Siskiyou Golden Fair provides an opportunity for Clubs, Chapters, Families or Individuals to enter one (1) backup market animal per exhibitor. If the family has one (1) shared backup animal total, **each exhibitor must enter the backup animal under their name in order for the animal to be eligible and pay the processing fee.** Each exhibitor that chooses to enter a backup animal will pay a \$5.00 processing fee when entering. In the event that the animal is exhibited in the annual fair, a \$15.00 fee will be collected in the livestock office, a weight ticket will be issued and the animal will be entered in the exhibitor's name that will be assigned the animal.

Backup animals are the only entries that can be moved across divisions and classes.
