Making Lemons into Lemonade

Ft. Jones Lions Club picking up wood rounds

YREKA – The Siskiyou Golden Fairgrounds had to cancel the 2020 Siskiyou Sportsman’s Expo and because of the generosity of Timber Products, Yreka and Roseburg Lumber Co., we already had the NorCal Invitational Chainsaw Carving Championships wood delivered to the fairground by CLT Logging and cut into carving lengths. “I can’t thank all our partners, without them we couldn’t do what we do here at the fairgrounds,” stated CEO Cliff Munson, “when life gives you lemons make lemonade and

we have tried to do that with the wood that cannot be saved until next year.” The Fort Jones Lions and Veterans Assistance Program were both contacted and they have picked up several loads of firewood to help out the community. We do have a stack of Redwood that came from Dustin Brown that we have stacked and are going to try and save for 2021 and we hope you will all be here to watch the champion carvers as they create spectacular sculptures.

For more information, contact the fair office at 842-2767 or info@sisqfair.com. The 2020 Siskiyou Golden Fair “Seeing is Believing” will run August 12-16, 2020 in Yreka.
