## Showcase your students' creativity and hard work at the Skamania County Fair!

Class sets of student projects are displayed together at the fair, giving your students real community recognition and earning a premium check back to your classroom for supplies.

### How It Works

1. **Label each project** with the student's name, grade, and teacher's name. Leave at least a 2" × 2" blank area at the bottom for the fair's ribbon sticker after judging.
2. **Complete one Submission Form (page 2)** per class and attach it to the front of the group of projects.
3. **Drop off projects** at the Skamania County Community Events office by **August 1st**. Early drop-off is always welcome!
4. **A single combined check** for all ribbon awards will be mailed to the teacher to use for classroom art supplies or other student needs. The premium is at least \$20 per classroom entry.

### A Few Extra Notes

- Tell your students their work will be on display—encourage them to come find it at the fair!
- Poetry, essays, and other paper-based work must be mounted on cardstock or a larger backing sheet.
- Have a large or oversized project? Reach out to Heather Hobbs in advance to arrange the space.

Eligible Project Types: Art, Woodworking, Poetry, Science, Metal Works, Pottery, and more!

### Special Display Needs

If your class project has any of the following requirements, please note it on your submission form:

- Oversized or 3-D project? Contact Heather Hobbs in advance to coordinate space requirements.
- Paper-based work (poetry, essays, etc.) must be mounted on cardstock or a larger backing sheet before drop-off

*If you have any questions please contact Heather Hobbs, Exhibit Hall Superintendent:*
