Each year, youth raise livestock projects for the Skamania County Fair, investing in animals, feed, and supplies, alongside countless hours of care, training, and preparation. These projects cultivate vital life skills like communication, teamwork, responsibility, and humane treatment of animals.

4-H and Market Livestock projects instill enduring values in youth, benefiting communities far and wide. The Skamania County Livestock Auction empowers community investment in our youth, often funding their college aspirations and enhancing their future contributions.

Your participation in the sale acknowledges the dedication and effort invested by these young individuals. Join us in supporting our local youth at the Skamania County Youth Market Sale!

CONSIDER PRE-REGISTERING!

WAYS TO SUPPORT

HOME USE

You can purchase the entire animal for home use. You pay the total sale price bid at the time of the sale plus a haul fee. You will need to designate at the time of the checkout whether or not you wish to have your animal processed. You will have the choice of a processor at checkout, hauled by Ed's Custom Cutting or Mountain Valley Meat, and your youth producer will load the animal into the appropriate haul trailer the following morning. The meat processor will contact you for cutting and wrapping directions. Bid price does not include cut & wrap fees. Buyer is responsible to confirm all processing arrangements. Small animals are self-haul.

Processing options:

Mountain Valley Meat | Mt Hood, OR
(541) 352-6322

Gartner's Country Meat | Portland, OR
(503) 252-7801

ECS Custom Cutting | The Dalles, OR
(541) 256-6328

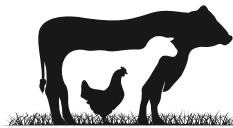

TURN IT BACK

Buyers not wanting to keep their purchased animal pay the bid price, but do not pay processing, hauling, or cut & wrap fees. The market committee either holds a small resale auction or handles finding a support buyer for the animal.

ADD ONS

A person can also provide an additional bid amount towards a specific exhibitor who is participating in the market sale. Many use this option when they are not the highest bidder. This also occurs when a person can't make it to the sale or has multiple kids they wish to support.

Add-Ons will be accepted via cash or check, as well as using our online sale site (see info on the front page). Add ons may be made until August 31. Cash or check contributions can be made at the auction or by mailing in a check with the attached information: Supporter Name, Phone, Email and Mailing Address, Exhibitor Name and Contribution Amount.
