

Skamania County Fair Exhibitor Registration Template | Small Animals

This tool was designed to support exhibitors in registering for the correct classes and was modeled off of a GreenCard, which was how exhibitors used to register. This could be used at a club meeting or to see all class offerings, but registrations still need to take place online at: <https://skamaniacounty.fairentry.com/>

More specifics about rules and requirements for each class can be found in the exhibitor guide.

X to register	Div:Class Number	Class Description	Comments
