# **Palm Beach Chapter Rare Fruit Council International**

## **Who We Are**

- A large number of arborists with the shared interest in growing rare tropical fruits.

## **Member Benefits:**

- Join our club and you'll be able to:
  - Learn from experts speaking about tropical trees and related subjects.
  - Bid on rare fruit trees, fruit and like items at the members auction.
  - Enjoy member-provided rare fruit tasting table at the end of meetings.
- **We host an educational booth in the Sundy Feed Building at the South Florida Fair and share educational information on the care of trees that grow in Palm Beach county.**
- Enjoy Day trips and Zip Trips to Horticultural and Botanical gardens and private growers.
- Purchase zero nitrogen and tree fertilizer specially made for the Palm Beach soils.

## **Two Specialty Fertilizer Mixes:**

**0-3-16 No Nitrogen For Established Trees  
8-3-12 A Full Mix For Young Trees And Ones  
Needing Nitrogen To Green Up**

**To Purchase Call  
1-855-732-7273 #3**
