The 2021 South Florida Fair – January 15-31 – promises to be a Fair that will have a place in the history books. Faced with the Coronavirus pandemic, the Fair Board, Staff and Volunteers are all working to plan a Fair for our community that will be unique and allow us to welcome you with open palms to our facility.

The theme for the 2021 Fair Exposition is “An Earthly A-Fair”. The exposition center will host exhibits to show Fair visitors how small changes in the way we live can make a huge impact on our lives. We will feature interactive and educational exhibits about the protection of our environment and the vital importance of agriculture. Clean air, water conservation and ways to protect our endangered species will all be part of the exposition.

This year’s premium book has lots of information on how you can participate in the many competitions that are annual traditions at the South Florida Fair. It also includes information on new activities and events that are being planned. We welcome you to become a part of a 109-year long tradition by participating in the 2021 South Florida Fair.

Thank you for helping us carry on the tradition of agricultural Fairs in America. We especially appreciate your support of the South Florida Fair.

Sincerely,

Dennis Grady
