Rev. 7/23

1. INCORPORATION INTO AGREEMENT: These rules and regulations, as amended from time to time, ("Rules and Regulations") are incorporated and made a part of this License Agreement (hereinafter "Agreement") by and between the SOUTH FLORIDA FAIR AND PALM BEACH COUNTY EXPOSITIONS, INC. ("Fair") and the Licensee named in the Agreement for the annual South Florida Fair or ("Event"). Upon execution of the Agreement, Licensee agrees to abide by all Rules and Regulations as stated hereinafter and, as may be amended from time to time. It is the responsibility of the Licensee to be apprised of all Rules and Regulations and to educate all employees, agents, servants, guests, invitees, etc. of them as well.

2. STATUS OF NAME, ADDRESS, ETC.: The Licensee represents and warrants that the legal name as contained in the Agreement as well as the address, telephone number and name of authorized agent(s) is accurate and correct in all respects and makes this warranty as of the date of the Agreement and continuing through its term and duration. Licensee further represents and warrants that the Authorized Agent listed in the Agreement has full, complete and absolute authority to legally bind the Licensee. If the Licensee is a corporation, it warrants and represents that it is in good standing and active, and if it is not a Florida corporation, it warrants and represents that it is authorized to do business in the State of Florida. Any change in the Licensee legal name, fictitious name, address, telephone number, or Authorized Agent, shall be forwarded to Fair, in writing, no later than three (3) days after the change.

3. PAYMENT: Payments will be due as stated in the Agreement. Fair will only accept cash, money order, certified or cashier's check, or a credit card for the Event. No space can be occupied until full payment is complete. If Licensee fails to timely pay the sums due as provided for in the Agreement, if applicable, Fair shall be entitled to accrual of interest on the unpaid sums due at a rate equal to the lesser of 1.5% per month, or the maximum rate permitted by law. Notwithstanding anything herein to the contrary, the interest rate charged by Fair shall never exceed the highest rate allowed by law, as amended from time to time.

4. DELIVERIES AND SHIPMENTS: The Fair shall accept deliveries on behalf of Licensee, subject to the following provisions: Notwithstanding anything contained herein to the contrary, the Licensee, at all times, assumes the risk of loss of all shipments delivered to the Fair and releases the Fair of any responsibility for the receipt and storage of said shipments. The Licensee expressly waives any and all liability and responsibility for loss or damage caused to any shipment against the Fair regardless of the care or, lack of care, exercised by the Fair or its officers, agents or employees in handling, storage, or delivery of the shipment. No bailment is created by shipment and delivery of any goods to the Fair. The Fair reserves the right to impose a handling and storage charge for any large, unusual or any other delivery which requires, in Fair's sole opinion, extraordinary time and effort. All deliveries must be plainly marked with the name of the Licensee, the number of the building or tent and the number or letter of space assigned to the Licensee and addressed to the shipping address as indicated at the top of the Agreement. 29. HAZARDOUS AND TOXIC SUBSTANCES: The Licensee agrees, at all material times Licensee is on the Fairgrounds, not to have in its possession, collect, distribute, dispose, release or otherwise discharge any toxic or hazardous waste as defined by Florida and Federal law. In the event the Licensee shall be in possession of such hazardous or toxic waste, the Licensee shall immediately notify the Fair and Palm Beach County Department of Environmental Resource Management and such other governmental agency or body as may be required by law and the Fair relative to such materials. Additionally, Licensee agrees not to throw away any refuse or empty any fluids on the ground. Grease barrels are provided by the Fair in convenient locations and must be used. Holding tanks must be pumped daily, or as needed, and any water standing on the ground shall not be permitted.

32. COMPLIANCE WITH LAWS, RULES AND REGULATIONS: Licensee hereby specifically agrees to comply with all applicable, Federal, State and local laws, ordinances, rules, regulations, statutes and policies including these Rules and Regulations promulgated by the Fair, as amended from time to time. Licensee shall specifically comply with the provisions of Chapter 616, Florida Statutes, the Federal Americans with Disabilities Act, Florida Accessibility Code, and all relevant health and fire codes, and all trademark, copyright and other intellectual property laws, including those pertaining to music licensing. Such laws, ordinances, statutes, rules and regulations are expressly made part of this Agreement.

33. INSURANCE: Each Licensee shall provide Commercial general liability insurance in the amount of \$1,000,000.00 with a \$250.00 per occurrence deductible naming the Fair as an "additional named insured" in form and with an insurer acceptable to Fair. The policy shall contain a standard thirty (30) day cancellation provision and which policy is deemed primary and non-contributory. All insurance certificates and the declarations page must be provided to the Fair no later than thirty (30) days prior to the Event. Coverage must be through the Event. Any Licensee failing to timely meet the obligations of this paragraph may lose its Exhibit Space, and under no circumstances will an Licensee be allowed to set up, camp, or otherwise enter on to the Fairgrounds unless the above insurance is in place as of the opening of the Event.

34. LICENSEES ON PERCENTAGE SALES: All Licensees noted on the front page of the Exhibit Space License Agreement that indicate a percentage amount to be applicable to this Agreement, agree to pay the percent stated of their gross revenue daily, after applicable sales tax, in addition to any other amount indicated in the Agreement. "Gross Sales" means the total amount of all revenue received from the sale of goods. Licensee agrees that the Fair may, from time to time, and at any time, audit the operation of the Licensee, including all cash receipts, for purposes of confirming the accuracy of all reports of gross sales as required under the Agreement. All sales reports and payment must be made by the Licensee of the day's sales, prior to the opening of that exhibit or concession on the next day. **Failure to comply with these financial reporting procedures will be considered a violation of the License Agreement. Upon being advised of a violation, Fair management will be called upon to review the problem and resolve the matter. Violations will be taken into consideration when issuing contracts for the following year or may result in immediate cessation of the right and privilege to do business with the Fair.**

Cash Registers

All Licensees on percentage sales must supply and use an approved cash register or accounting system to record all sales transactions. So that accurate records can be kept, each cash register must have the following:

- **Dual Tape/Readable Tape (customer must be given a receipt);**
- **Display viewable by the customer (pivot display suggested);**
- Continuous Grand Total;
- Cumulative "Z" Counter;
- "X" Readings;
- 30-Day Back Up Battery;
- "Current" Printed Date and Time on Detail Tape;
- Key Protector;
- Cash Drawer must be linked to the register and automatically open and close with each transaction;
- Price Look Up (PLU) or Preset Keys for each product sold.

Each Point of Sale system must be able to furnish the following:

- 1) A receipt for every transaction;
- 2) Daily Summary Report;
- 3) The daily sales summary must be segregated by cash sales and credit card sales;
- 4) Cumulative summary report;
- 5) Produce daily journal upon request;
- 6) Cash Drawer must be linked to the register and automatically open and close with each transaction;
- 7) Preset keys for every item;
- 8) Forward facing customer display.

Licensee is required to have a backup register on hand should Licensee's register malfunction. Should a register break Licensee will be required to cease operating until a backup register is in place.

Daily Sales Reports

Under the License Agreement, Licensee is required to maintain a daily record of all gross receipts derived from your operation. This record is to be available to the Fair at any time during the Fair and for the three following years. Daily sales report forms will be provided at check-in. Daily "Z" reports will be required that give a breakdown and accounting of all sales activity for each day. Please check the status of the receipt and journal tapes prior to a "Z" out to make sure there is no loss of any daily sales information due to lack of register tape. Attach the "Z" tape to the daily sales report so the Fair staff can double-check figures. When changing journal tapes, the used tape must be kept on grounds during the entire Fair.

With these procedures there will be an Audit Office where Licensee will turn in the previous day's daily sales report between 10:00 AM and 2:00 PM daily. Only complete daily sales reports will be accepted. Please allow enough time so that any questions concerning sales sheets or other issues can be addressed. Once sales figures are approved and calculated any amounts due must be paid to the Concessions Cashier. Fair will maintain a continuous running total of sales, which Licensee is welcome to review at any time with the Vendor Cashier. Any "Z" tapes not picked up after final settlement will be destroyed ten (10) days after the last day of the Event.

Register Tagging

Fair Auditors will check each stand/booth to record the model numbers and serial numbers for all cash registers, including backup registers. Once it is approved for use, each register will get its own register tag. Please be aware that registers cannot be used for sales until they have been tagged and the information has been recorded. The Audit team will set up an appointment with the Licensee to tag registers once Licensee is set up and ready.

Register Tapes

Under the License Agreement, all cash register tapes, documenting Licensee's sales are to be turned over to the Fair daily. For the purpose of maintaining an accurate audit trail, all cash register tapes need to be identified by the Fair register tag number, name of exhibit/stand, booth number and date. All tapes need to be clear and legible. No faded tape register receipts will be allowed so be sure to have a backup inking system available.

Receipts

All Licensees on percentage sales who are required to utilize a cash register as described above, MUST issue a sales receipt to the customer for each sales transaction. The receipt must be handed to the customer after every transaction. This procedure is not optional, and Licensees should not ask the customer if they want the option of receiving a receipt. Failure to issue receipts may result in the Licensee being required to issue a refund for the transaction for which the receipt was not issued.

Register Operation

Licensees must program their cash registers with either PLUs or programmable keys for each product on their menu. Entering amounts that are not attached to a programmed product is not permitted. Register keys may not be left in the register or in the drawer of the register and must only be accessible by a manager. The "no sale" key must be active and recorded to the "Z" report. Registers that do not record "no sale" transactions will not be approved.

Credit Card Sales

Licensees that operate registers must setup a payment type for credit card sales. Credit card sales cannot be entered as cash sales. All credit card batch reports must be submitted with the daily "Z" report when reporting sales each day. The total on the credit card batch report will be compared to the total credit card payments on the cash register "Z" reports. If the credit card payment total on the cash register "Z" report is less than the credit card batch report then the gross sales total will be adjusted upwards for the difference.

35. Licensee agrees to indemnify, defend and hold Fair harmless from any claims, damages, or costs, including legal fees, which might arise from use of any such material either by Licensee, or any other person or entity associated with the Event. The Fair name and logo are protected trademark/service marks and may not be used without the express written consent of Fair.

37. CANCELLATION AND TERMINATION: This Agreement shall terminate, and all rights and privileges hereunder shall cease immediately upon conclusion of the period referenced in the Agreement. This Agreement may also terminate, at Fair's option, either before or during the Event, upon default by the Licensee which shall be defined as the Licensee's failure to promptly and timely pay any and all sums due or to abide by the other terms, provisions conditions and rules and regulations of the Agreement as set forth herein. Default of one provision by Licensee shall be default of the entire Agreement. In the event of default, all money theretofore paid by Licensee shall not be refunded. Upon termination, Licensee shall not be entitled to utilize the Exhibit space set forth hereinabove for the period provided herein regardless of efforts, costs, expenditures or arrangements made by the Licensee. This Agreement may be terminated at any time by the Fair if the Licensee utilizes the Fairgrounds for a purpose or use different than that listed on page one of the License Agreement. Licensee expressly waives any and all damages against Fair by reason of its termination of Agreement, or disapproval of any performance, exhibit, etc. pursuant to this provision.

38. SECURITY: Fair agrees to provide general security for the Fairgrounds, which constitute approximately 135 acres. The Fair also agrees to lock and secure the buildings in which the Licensee will exhibit their specific items. Fair does not warrant or insure against theft, vandalism, or any loss due to natural consequences such as hurricane, flooding, etc. or any other loss, such as fire, to an Licensee and the Licensee shall obtain insurance to provide for any such loss and waives any claims for loss or damages against the Fair. Licensee agrees that it shall be solely responsible for the

safety and security of its own tangible personal property or tangible personal property owned by a third party but within Licensee's possession, custody or control. 39. NON-SMOKING/VAPING FACILITY: All of the buildings on the Fairgrounds are designated as non-smoking/vaping facilities. Licensee agrees to post such signs as may be necessary to inform all persons of this fact and to enforce this rule whenever necessary.

43. LOST ARTICLES: All found articles should be turned into the Guest Services/Lost Children Booth.

44. CANCELLATION BY THE FAIR: The Fair reserves the unilateral right to cancel this event for economic reasons, or for the public good, or for events including, but not limited to acts of God, fire, flood, natural disaster, a threat of or a tropical storm, a threat of or a hurricane, inclement weather, war or threat of war, acts or threats of terrorism, civil disorder, unauthorized strikes, governmental regulation or advisory, recognized health threats as determined by the World Health Organization, the Centers for Disease Control, or local government authority or health agencies (including but not limited to the health threats of COVID-19, H1N1, or similar infectious diseases), a pandemic, curtailment of transportation facilities, or other similar occurrence beyond the control of the parties. In addition, The Fair reserves the unilateral right to cancel this event in the event of any request by any Federal, State or County agency for use of the Fairgrounds under such circumstances, it being understood and agreed by the participant that its rights hereunder are subordinate and inferior to the right of use by any Federal, State or County agency or department. Should the Fair exercise its rights to cancel this event for any reason, including but not limited to those stated above, the Licensee agrees not to re-enter the Fairgrounds, or move any of its personal property, if such may pose additional risks to persons or property in the sole discretion of the Fair. The Licensee also agrees to forego any and all claims for damages against The Fair and further agrees to waive any and all rights which might arise by reason of the terms of this agreement and the participant shall have no recourse of any kind against the Fair.

45. OCCUPANCY INTERRUPTION: Licensee hereby waives any and all claims for compensation for any and all loss or damage sustained by reasons of any defect, deficiency or impairment of the electrical, computer systems, telephone, plumbing and air conditioning installations or, any part thereof, furnished for the Event on the Fairgrounds or for any loss or damage sustained resulting from fire, black-out, brown-out, water, wind, civil commotion, riot, labor strikes, or act of God.

46. FAIR'S RIGHT OF ENTRY: Duly authorized representatives of the Fair, such as its Trustees, Directors, officers, employees or other agents, may enter the area utilized by Licensee, at any time and occasion. Licensee hereby waives any and all claims for compensation for any and all loss or damages sustained by reason of interference by any public agency or Fair official in the Licensee's operation; however, such interference shall not relieve Licensee from any obligations hereunder.

47. PAYMENT FOR DAMAGES: Licensee agrees to pay all costs and expenses, as determined in the sole judgment of the Fair, of repair or replacement for any and all damages of whatever origin or nature which may have occurred during the term of this Agreement in order to restore the damaged property, fixtures and equipment or other parts of the Fairgrounds to a condition equal to that at the time this Agreement went into effect.

48. UNDERGROUND UTILITIES: Licensee shall not, nor will Licensee allow any of its agents, vendors, or employees to drive any stake, instrument or object of any kind into the asphalt or grassy area of the Fairgrounds without the written consent of the Fair. 60. RETENTION OF FAIR PRIVILEGES: The waiver or failure of the Fair to insist on strict and prompt performance of the terms of this Agreement, Rules and Regulations, or other Exhibits, and the acceptance of such performance thereafter shall not constitute or be construed as a waiver or relinquishment of the Fair's right thereafter to enforce the same strictly according to the terms thereof in the event of a continuous or subsequent default on the part of the Licensee.

61. PERFORMANCE BOND: The Fair, at its discretion, may require Licensee to deposit a performance bond either by cash, letter of credit, or by a duly accredited bonding company. The amount of the bond will be shown on the cover page of the Agreement.

62. CONDITIONS AND LIMITATIONS: It is agreed that this Licensee is subject to all the conditions and limitations set forth in all of the attachments, exhibits, rules and regulations and policies for the use of the Fairgrounds herein above referred to and Licensee shall be bound thereby. In the event of any conflict between the License and any exhibit, or attachment, the exhibit or attachment shall control.

63. APPROVAL: This Agreement is not approved until this Agreement is signed by the President/CEO of the Fair.

64. COMPLAINTS: All complaints by Licensee or its employees, agents, including, without limitation, those relating to this Agreement, the Fair's policies, the Fair's officers, trustees, directors, employees, or personnel, or the Fair's other licensees, shall be dated and in writing and promptly and immediately sent to the Exhibits or Concessions Managers at the Fair office either by hand delivery or by email to the aforesaid staff member's email address.

Notices delivered by certified or registered mail shall be effective upon receipt, or three (3) business days after deposit in the United States mails, whichever shall first occur. Notices sent by telecopy shall be effective on the date transmitted and received, provided that receipt occurs before 5:00 p.m. Eastern Standard Time on a business day. If the last day for giving any notice or performing any act under this License falls on a Saturday, Sunday, or on a day on which the United States Post Office is not open, the time shall be extended to the next day that is not a Saturday, Sunday, or Post Office holiday.

66. COUNTERPARTS AND DUPLICATE ORIGINALS: To facilitate the execution of this Agreement, any number of counterparts of this Agreement may be executed and delivered. It shall not be necessary that each party's signature appear on each counterpart, but it shall be sufficient that each party's signature appear on one or more of the counterparts. Each of the counterparts shall be considered an original and all of them, together, shall constitute one and the same instrument. Any number of duplicates of this Agreement may be executed and delivered, each of which shall be considered an original.

67. CONSTRUCTION OF AGREEMENT: Each party has relied upon its own examination of this Agreement and the advice of its own counsel and other advisors in connection with this Agreement. This Agreement was negotiated at arm's length. Thus, this Agreement shall not be construed more strictly against the Fair notwithstanding that it has been drafted by the Fair and the Fair's counsel. Furthermore, the money, property, insurance or services which are the subject of this Agreement are for commercial purposes and not for personal, family or household purposes.

68. EFFECTIVE DATE: The effective date of this Agreement shall be the date on which the last one of the Fair's representative and the Licensee's representative executes this Agreement.

69. LANGUAGE: Whenever used in this Agreement, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall include all genders where the context permits.

70. PARAGRAPH HEADINGS: The paragraph headings used in this Agreement are for convenience only and shall not be used in interpreting or construing any provision of this Agreement.

71. SEVERABILITY: If any term, covenant, or conditioning of this Agreement or the application thereof to any person or circumstance shall be to any extent held invalid or unenforceable, the remainder of this Agreement or the application of such terms, covenants, and conditions to the persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant, or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

72. TYPEWRITTEN AND HANDWRITTEN PROVISIONS: Handwritten or typewritten provisions inserted into this Agreement and initialed and dated by all parties shall control over all typewritten provisions in conflict therewith.

73. FURTHER ACTION: Each of the parties hereto shall execute and deliver any and all additional papers, documents, and other assurances, and shall do any and all acts and things reasonably necessary in connection with the performance of the obligations hereunder and to carry out the intent of the parties hereto. Moreover, Licensee agrees to co-operate with the Fair regarding any documentation or information requested concerning the economic impact of the Event.

74. ATTORNEY'S FEES: Any reference to attorney's fees in this Agreement applies only to the indemnity given by Licensee to the Fair and not to any other term, provision and condition hereof.

75. VENUE: The venue of any legal proceeding brought in connection with this Agreement or any aspect of the relationship between the parties shall be in Palm Beach County, Florida.

76. FLORIDA LAW: This Agreement shall be considered to have been made and executed in Palm Beach County, Florida, and shall be interpreted, construed and enforced in accordance with the laws of Florida and no other.

77. TIME: Time is of the essence of all the provisions and terms of this Agreement.

78. MATTERS SURVIVING TERMINATION: Unless otherwise provided in this Agreement, none of the terms, provisions, and conditions shall survive termination of this Agreement.

79. RIGHTS IN THIRD PARTIES: Except as otherwise specifically provided, nothing expressed or implied in this Agreement is intended, or shall be construed to confer on or give any person, firm, or corporation, other than the parties and their respective officers, directors and shareholders, any rights and remedies under or by reason of this Agreement.

80. DEPENDENCE OF COVENANTS: The covenants contained in this Agreement regarding performance by Licensee shall be construed as dependent covenants. Default of one shall be deemed absolute whether substantial performance has occurred with regard to all or any other covenants herein.

81. RENEWAL: This Agreement is only for the dates as set forth in this Agreement. Licensee agrees that the fact that it has been granted space during the Event in the past shall not entitle the Licensee to any right to use the Fairgrounds in the future. The fact that the Licensee has been granted a particular space in the past does not create any right to such space in the future it being understood and agreed that Fair expressly reserves the right to allocate space in its sole and arbitrary discretion. Additionally, nothing shall prevent the Fair from granting an Agreement to an entity which is competitive to the Licensee hereunder.

82. SUCCESS: The Licensee agrees that it is solely responsible for its success. Licensee has not and shall not rely on any advice or direction from any employee, officer, Trustee, Director or agent of the Fair, except as may be required under this Agreement, in planning and carrying out its operation. The fact that the Licensee is restricted by and subject to the terms and conditions of this Agreement or is moved to another location from previous years is a risk that Licensee freely assumes. The Fair makes no warranty or representation as to historic or anticipated attendance, or revenue, from the Event.

83. FIDUCIARY DUTY: The parties to this Agreement specifically intend that neither this Agreement nor any course of dealings between them shall create fiduciary obligations. Nothing contained in the Agreement, and no course of dealings between the parties, shall be construed as establishing a partnership, joint venture or agency between the parties. The rights, duties and obligations of the parties are to be controlled exclusively by this Agreement. Any obligation or covenant of good faith and fair dealing, whether express, implied-in-fact or implied-in-law, is intended to be contractual only. This Agreement was negotiated at arm's-length. There is no "special relationship" between the parties. Neither party is or has been

influenced or dominated by the other. Each party places in the other the trust and confidence that reasonable strangers dealing at arm's length in business relationships would place in one another. Neither party reposes special or extraordinary trust in the other. Each party to this Agreement represents that it is an independent, experienced and sophisticated business entity. Each party conducts its own investigations and obtains its own information about business transactions. Each party relies wholly on its own counsel and/or judgment in making decisions. The frequency, length, or closeness of dealings between the parties shall not create fiduciary obligations. In particular, extended dealing over a lengthy period of time shall not create fiduciary duties. Any advice given by one party to the other is offered unilaterally and accepted indifferently. Neither party undertakes to act for the benefit of the other, and neither accepts any trust unilaterally reposed by the other. Any disclosure obligations contained in or arising from this Agreement or the course of dealing between the parties are strictly contractual, and do not create fiduciary obligations. The parties intend that any disclosures of information, confidential or otherwise, during the course of business negotiations or dealings shall not be construed as creating additional disclosure obligations.

84. RELATION OF PARTIES: It is the intention of the parties to hereby create the relationship of Licensee and Licensors, and no other relationship whatsoever is hereby created. Nothing in this Agreement shall be construed to make the parties hereto partners or joint ventures or to render either party hereto liable for any obligation of the other.

85. WAIVER OF JURY TRIAL: The Fair and the Licensee hereby mutually knowingly, willingly and voluntarily waive their right to a trial by jury and no party nor any assignee, successor, heir, or legal representative of the parties (all of whom are collectively referred to below as the "parties") shall seek a jury trial in any lawsuit, proceeding, counterclaim, or any other litigation or proceeding based upon or arising out of this Agreement or any related agreement or instrument, or any course of action, course of dealing, statements (whether verbal or written) or actions relating to this Agreement, including any tort claims or claims for fraud, misrepresentation, breach of fiduciary, antitrust, etc. The parties also waive any rights to consolidate any action in which a jury trial has not been waived. The provisions of this paragraph have been fully negotiated by the parties, and the parties acknowledge that the inclusion of this provision is a material inducement for entering into this Agreement. The waiver contained in this paragraph is irrevocable, constitutes a knowing and voluntary waiver, and shall be subject to no exceptions.

86. PRESUIT MEDIATION: Prior to bringing any lawsuit under this Agreement, the parties hereto agree to submit any and all disputes to pre-suit mediation under the Florida Rules for Certified and Court-Appointed Mediators and the Florida Rules of Civil Procedures 1.700- 1.730 (and FRCP 1.750, excluding subsection (b)) together with the rules of the American Arbitration Association or the Foundation for Dispute Resolution. Accordingly, the parties agree to strictly follow said rules and abide by any agreement made as the result of mediation. Good faith compliance with this provision shall be a condition precedent to the right of any party hereto to bring a lawsuit under this Agreement. This provision is a material inducement to the Fair entering into this Agreement.

87. BINDING EFFECT: This Agreement shall be binding upon and inure to the benefits of the parties hereto and their respective successors in interest and/or assigns.

88. ENTIRE AGREEMENT: All terms and conditions of this Agreement shall be binding upon the parties, their heirs, and representatives and cannot be waived or modified by any oral representation or promise of any agent or other representative of the parties hereto unless the same be in writing and signed by the duly authorized agent or agents who executed this Agreement. Such written document must be incorporated by specific reference therein as a part of this Agreement. Neither party may rely on any oral representations and must look solely to the terms of this Agreement. Furthermore, Licensee agrees that, notwithstanding the possibility of significant damages to Licensee in the event The Fair exercises its unilateral right of cancellation and termination as provided herein, and the right to retain the deposit and other monies, and other rights under the Agreement, the Licensee agrees to the terms contained herein and executes this Agreement voluntarily and freely. This Agreement constitutes the entire agreement and understanding between the parties, whether oral or in writing, as to the subject matter hereof. Any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force or effect.

89. CREDIT CARDS: Many customers and Licensees are now electing to utilize credit cards for payment by the customer and acceptance of payment from the Licensee by the customer. Florida law declares the charging of a credit card holder a surcharge for the use of the credit card illegal. A recent Federal Court decision has called that law into question. Notwithstanding whether or not the law is enforceable, the Licensee agrees by operation of contract with Fair that Licensee is hereby waiving its legal rights and shall not charge the Fair's customers a surcharge or convenience fee, or any other type of charge associated with the use of a credit card.

90. E-VERIFY: Licensee warrants and represents that Licensee is in compliance with Section 448.095, Florida Statutes, as may be amended, and that Licensee: (1) is registered with and uses the E-Verify System (E-Verify.gov) to electronically verify the employment eligibility of all newly hired workers; and (2) has verified that all of the Licensee's subcontractors performing the duties and obligations of this Agreement are registered with and use the E-Verify System to electronically verify the employment eligibility of all newly hired workers.

91. CONSEQUENTIAL DAMAGES WAIVER: NOTWITHSTANDING ANY PROVISION TO THE CONTRARY IN THIS AGREEMENT AND TO THE FULL-EST EXTENT PERMITTED BY LAW, IN NO EVENT SHALL FAIR, OR ITS RESPECTIVE TRUSTEES, DIRECTORS, OFFICERS, OR EMPLOYEES, BE LIABLE TO LICENSEE FOR ANY INDIRECT INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, LOSS OF REVENUE, LOSS OF USE OR INTERRUPTION OF BUSINESS) ARISING OUT OF OR RELATED TO THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND LICENSEE RELEASES FAIR FROM ANY SUCH LIABILITY.
