66. CONSTRUCTION OF AGREEMENT: Each party has relied upon its own examination of this Agreement and the advice of its own counsel and other advisors in connection with this Agreement. This Agreement was negotiated at arm's length. Thus, this Agreement shall not be construed more strictly against the Fair notwithstanding that it has been drafted by the Fair and the Fair's counsel. Furthermore, the money, property, insurance or services which are the subject of this Agreement are for commercial purposes and not for personal, family or household purposes.

71. TYPEWRITTEN AND HANDWRITTEN PROVISIONS: Handwritten or typewritten provisions inserted into this Agreement and initialed and

dated by all parties shall control over all typewritten provisions in conflict therewith.

72. FURTHER ACTION: Each of the parties hereto shall execute and deliver any, and all additional papers, documents, and other assurances, and shall do any, and all acts and things reasonably necessary in connection with the performance of the obligations hereunder and to carry out the intent of the parties hereto. Moreover, Licensee agrees to cooperate with the Fair regarding any documentation or information requested concerning the economic impact of the Event.

74. VENUE: The venue of any legal proceeding brought in connection with this Agreement or any aspect of the relationship between the parties shall be in Palm Beach County, Florida.

75. FLORIDA LAW: This Agreement shall be considered to have been made and executed in Palm Beach County, Florida, and shall be interpreted, construed and enforced in accordance with the laws of Florida and no other.

76. TIME: Time is of the essence of all the provisions and terms of this Agreement.

77. MATTERS SURVIVING TERMINATION: Unless otherwise provided in this Agreement, none of the terms, provisions, and conditions shall survive termination of this Agreement. Notwithstanding the foregoing, the following shall expressly survive the expiration or earlier termination of this Agreement: all indemnification, defense, hold harmless, release, and waiver provisions (including the Waiver of Jury Trial); all insurance and subrogation-waiver obligations; all payment, reimbursement, audit, and record-retention obligations of Licensee; the lien granted to the Fair; the Public Records provisions; and the provisions of this Agreement governing attorney's fees, presuit mediation, venue, governing law, and construction of this Agreement.

78. RIGHTS IN THIRD PARTIES: Except as otherwise specifically provided, nothing expressed or implied in this Agreement is intended, or shall be construed to confer on or give any person, firm, or corporation, other than the parties and their respective officers, directors and shareholders, any rights and remedies under or by reason of this Agreement.

79. DEPENDENCE OF COVENANTS: The covenants contained in this Agreement regarding performance by Licensee shall be construed as dependent covenants. Default of one shall be deemed absolute whether substantial performance has occurred with regards to all or any other covenants herein.

80. RENEWAL: This Agreement is only for the Event dates as set forth in this Agreement. Licensee agrees that the fact that it has been granted space during the Event in the past shall not entitle the Licensee to any right to use the Fairgrounds in the future. The fact that the Licensee has been granted a particular space in the past does not create any right to such space in the future it being understood and agreed that Fair expressly reserves the right to allocate space in its sole and arbitrary discretion. Additionally, nothing shall prevent the Fair from granting an Agreement to an entity which is competitive to the Licensee hereunder.

81. SUCCESS: The Licensee agrees that it is solely responsible for its success. Licensee has not and shall not rely on any advice or direction from any employee, officer, Trustee, Director or agent of the Fair, except as may be required under this Agreement, in planning and carrying out its operation. The fact that the Licensee is restricted by and subject to the terms and conditions of this Agreement (including the Rules and Regulations) or is moved to another location from previous years is a risk that Licensee freely assumes. The Fair makes no warranty or representation as to historic or anticipated attendance, or revenue, from the Event.

82. FIDUCIARY DUTY: The parties to this Agreement specifically intend that neither this Agreement nor any course of dealings between them shall create fiduciary obligations. Nothing contained in the Agreement, and no course of dealings between the parties, shall be construed as establishing a partnership, joint venture or agency between the parties. The rights, duties and obligations of the parties are to be controlled exclusively by this Agreement. Any obligation or covenant of good faith and fair dealing, whether express, implied-in-fact or implied-in-law, is intended to be contractual only. This Agreement was negotiated at arm's-length. There is no "special relationship" between the parties. Neither party is or has been influenced or dominated by the other. Each party places in the other the trust and confidence that reasonable strangers dealing at arm's length in business relationships would place in one another. Neither party reposes special or extraordinary trust in the other. Each party to this Agreement represents that it is an independent, experienced and sophisticated business entity. Each party conducts its own investigations and obtains its own information about business transactions. Each party relies wholly on its own counsel and/or judgment in making decisions. The frequency, length, or closeness of dealings between the parties shall not create fiduciary obligations. In particular, extended dealing over a lengthy period of time shall not create fiduciary duties. Any advice given by one party to the other is offered unilaterally and accepted indifferently. Neither party undertakes to act for the benefit of the other, and neither accepts any trust unilaterally reposed by the other. Any disclosure obligations contained in or arising from this Agreement or the course of dealing between the parties are strictly contractual, and do not create fiduciary obligations. The parties intend that any disclosures of information, confidential or otherwise, during the course of business negotiations or dealings shall not be construed as creating additional disclosure obligations.

83. RELATION OF PARTIES: It is the intention of the parties to hereby create the relationship of Licensee and Licensor, and no other relationship whatsoever is hereby created. Nothing in this Agreement shall be construed to make the parties hereto partners or joint ventures or to render either party hereto liable for any obligation of the other.

84. WAIVER OF JURY TRIAL: The Fair and the Licensee hereby mutually knowingly, willingly and voluntarily waive their right to a trial by jury and no party nor any assignee, successor, heir, or legal representative of the parties (all of whom are collectively referred to below as the **"parties"**) shall seek a jury trial in any lawsuit, proceeding, counterclaim, or any other litigation or proceeding based upon or arising out of this Agreement or any related agreement or instrument, or any course of action, course of dealing, statements (whether verbal or written) or actions relating to this Agreement, including any tort claims or claims for fraud, misrepresentation, breach of fiduciary, antitrust, etc. The parties also waive any rights to consolidate any action in which a jury trial has not been waived. Licensee agrees that any claim shall be brought only in its individual capacity and

not as a plaintiff or class member in any purported class or representative action. The provisions of this paragraph have been fully negotiated by the parties, and the parties acknowledge that the inclusion of this provision is a material inducement for entering into this Agreement. The waivers contained in this paragraph is irrevocable, constitutes a knowing and voluntary waiver, and shall be subject to no exceptions.

85. PRESUIT MEDIATION: Prior to bringing any lawsuit under this Agreement, the parties hereto agree to submit any and all disputes to pre-suit mediation under the Florida Rules for Certified and Court-Appointed Mediators and the Florida Rules of Civil Procedures 1.700- 1.730 (and FRCP 1.750, excluding subsection (b)) together with the rules of the American Arbitration Association or the Foundation for Dispute Resolution. Accordingly, the parties agree to strictly follow said rules and abide by any agreement made as the result of mediation. Good faith compliance with this provision shall be a condition precedent to the right of any party hereto to bring a lawsuit under this Agreement. This provision is a material inducement to the Fair entering into this Agreement.

86. BINDING EFFECT: This Agreement shall be binding upon and inure to the benefits of the parties hereto and their respective successors in interest and/or assigns.

87. ENTIRE AGREEMENT: All terms and conditions of this Agreement shall be binding upon the parties, their heirs, and representatives and cannot be waived or modified by any oral representation or promise of any agent or other representative of the parties hereto unless the same be in writing and signed by the duly authorized agent or agents who executed this Agreement. Such written document must be incorporated by specific reference therein as a part of this Agreement. Neither party may rely on any oral representations and must look solely to the terms of this Agreement. Furthermore, Licensee agrees that, notwithstanding the possibility of significant damages to Licensee in the event the Fair exercises its unilateral right of cancellation and termination as provided herein, and the right to retain the deposit and other monies, and other rights under the Agreement, the Licensee agrees to the terms contained herein and executes this Agreement voluntarily and freely. This Agreement constitutes the entire agreement and understanding between the parties, whether oral or in writing, as to the subject matter hereof. Any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force or effect.

88. OUTDOOR SPACE

Must have Fair experience in order to be considered for Outdoor Space

No Pop Up Tents • No Food Trucks

FEES

Food, beverages & attractions		$110 per Foot
All others		$ 85 per Foot

Calculation of Space Fees - Space Fees are calculated on the footage used. Line locations are calculated using total amount of front footage used. Center locations are measured by adding the long side plus the short side. Corners are measured by the longest side. Space is sold in five foot increments with a minimum of 10 feet per location. Footage includes space used by awnings, non-removable hitches, doors and tent stakes.

Licensees on Percentage Sales - Food, beverage and attraction licensee space fees are the greater of their Space Fee (guarantee) or 20% of their gross sales after sales taxes. This calculation is done on a per booth, per location basis.

NO CASH REGISTERS WILL BE ALLOWED

All Vendors/Concessionaires, whose fee is based on a percentage of Gross Sales, must use a Clover or Square Register POS System. You can rent or purchase the Clover device from our designated South Florida Fair Clover rep. Clover rental/purchase forms will be emailed to all vendors with the pre-authorization form due back to Clover by Nov, 30, 2026. Any Vendor/Concessionaire who already owns a Square Register, will be allowed to use their Square Register in lieu of renting a Clover Device. Please make note that Square Register is the only approved Square device. Square Register is different from the Square Stand, Square Card Reader, etc. **See picture of the Square Register.** If you are using a Square Register, you must also be using a connected cash drawer and receipt printer to comply with the audit policy and procedures. **See Rules & Regulations To License Agreement** for more details.

Square Register

Maintenance Fees - A $125 maintenance fee is charged per booth, per location.

Electrical - Electrical connection charges are not included in rental rates. Please complete the applicable **Electrical Connection Form** and return it immediately. **Any GFI or cable requirements for electrical hookups are the responsibility of the licensee.**

Camping - On-site camping locations are limited. Camping locations are assigned on a first come first served basis. Please complete the **Campground Reservation Form** to reserve your locations. **Camping fees increase for any spaces sold after January 14th.**

Stock Trucks - All stock truck or trailers parked anywhere on the Fairgrounds, including general parking areas & campsites, require a permit. Please complete the **Stock Truck Permit Form** as soon as possible. **Stock Truck Permit fees increase for any permits sold after January 15th.**

Vendor Credentials - Each licensee and their authorized personnel must have a Fair issued photo identification badge or an admission ticket to enter onto the Fairgrounds. Please complete the **Credentials Form** as soon as possible and **return to the Concessions Manager.**

Move-in - Outdoor licensees may begin setup Sunday, January 10, 2027 at 9 am. Setup must be completed by 3 p.m. on Thursday, January 14th. All licensees must first check-in at the **Vendor Check-In located by the Credentials Office at Gate 2** to obtain badges, passes and parking permits. Anyone owing a balance or without proof of insurance, will not be permitted to setup. **No exceptions.**

Staffing - Booths must be staffed during Fair operating hours. Failure to man an exhibit is cause for loss of space and all expenses or rental fees will be forfeited. Hours of operation are subject to change depending on weather and crowd size. Approximate times are posed on the Fair's website.

Move-out - Licensees are required to obtain release forms from the Vendor Office on the final day of the Fair. Tear down may not begin until the Fair has closed. Violators will not be allowed to return the following year.
