Entry Rules

NUMBER OF ENTRIES

Due to space limitations, no more than six (6) items per person may be submitted for judging, however exhibitors may enter only two (2) entries per class.

SIZE AND PREPARATION GUIDELINES

- Maximum size limits for a carving entered item are as follows: length 55 inches, width 32 inches, height 48 inches. Except for walking sticks, which may be up to 75 inches in length. - Relief carvings must be submitted ready to hang with strong hooks, loops, or wire. Entered items not ready to hang will be disqualified.

WOODCARVING RULES

- The definitions and class categories must be strictly observed.
- It is the exhibitor's responsibility to select a class for each carving being submitted. Information written under "Entered Item Description" on the Entry Form must match what is submitted; substitutions will not be permitted. The South Florida Fair and judges may change either the division or the class as appropriate.
- Entered items are to be made of wood. Other materials may be used for habitat and structural purposes; however, they are to be hand formed except for eyes.
- Identical items cannot be entered into more than one Division or State Fair competition.

GENERAL ENTRY RULES

Judging and Awards

The Fair ensures the judges are knowledgeable in the division in which they are judging and will be impartial. Judges reserve the right to reassign entries to a more appropriate division or class. Judging will be done using a scorecard to assist in keeping decisions as objective as possible. *The decision of the judge(s) is final.*

If, at the judge's discretion, an entry does not merit a placing, the judge shall give no award under any circumstance. This rule applies whether there are one or more exhibits in the class.
