The St. Paul Rodeo Ticket Office will contact you before sales to public begin regarding the status of your request. All requests are handled by date in which they are received. You are in no way guaranteed the specific tickets you are requesting until you have been notified by the St. Paul Rodeo Association and sign our Permanent Order Agreement form describing the seats entitled to a permanent order holder. Performances can only be chosen by date, not by day of the week, due to variances from year to year. Requests made after sales begin will not be processed before the upcoming event. They will be considered for the following year.
