Favorite Memories of Winter Carnival 1950
75 years ago! WOW!!

I was "Miss North Coast Limited",
sponsored by Northern Pacific Railroad,
representing Glen Ullin, N.D.

I was one of the 31 visiting princesses
who became Queen Mary Kay LeMires court.
We were treated royally!

My favorite memory? The ice palaces
and ice sculptures. So well done.

The parades were well received too.
A fun ride for us princesses —
Outstanding! Delightful —

Looking forward to Carnival 2026.

Sincerely,
Marilynn Easton Swanson
