

Memories of Teri Theno-Erb

This is a picture of my mother and father when they were 14 & 16 at the Saint Paul Winter Carnival in 1946, Mary Swenson and Roger Theno. They shared their love of carnival when we were young. My first memory of carnival was in 1970 when our parents took us to see the Osmond Brothers who were in town for the carnival. I've been hooked ever since!

(And not Teri has been crowned the 2026 Queen of the Northlands, Senior Royalty!)
