

# SCRAPIE TAG 101

## WHAT IS A SCRAPIE TAG?

Scrapie is a fatal disease affecting sheep and goats. All market/breeding lambs and market/breeding goats must have a scrapie tag issued by the original producer before leaving the farm. When entering the tag number, **include both the premise ID/flock ID and the individual animal number.** Refer to the images below for guidance.

### SCRAPIE TAG EXAMPLES

**SCRAPIE TAGS REQUIRED: PROVIDING PROOF OF A SCRAPIE TAG DOES NOT GUARANTEE YOUR MARKET ANIMAL'S ENTRY. TO BE ELIGIBLE TO SHOW AT THE STANISLAUS COUNTY FAIR, YOU MUST ALSO COMPLETE YOUR ENTRY IN SHOWWORKS BY THE ENTRY DEADLINE.**
