

## **2022 Hornet 4 Cylinder Demolition Derby Rules**

Sunday July 3<sup>rd</sup>, 5:00pm (Chain & Go)

1<sup>st</sup> - \$2000, 2<sup>nd</sup> \$1000, & 3<sup>rd</sup> \$500

No full-size cars with 4 cylinder engines.

Dash must remain in vehicle, or a spread bar is required.

**(1)** One upright bar from the floor to roof must be as close to driver as possible to protect in case of rollover.

A maximum of **12"** steel plate must be bolted to the driver's side of vehicle minimum of **6"** from each wheel well. Passenger side is optional. **2** grader blades in place of steel plate acceptable.

All glass and burnable material must be removed. Seats remains.

Battery must be moved inside of vehicle.

Minimum of **3** point seatbelt harness must be used.

Windshields may remain (I suggest they be removed). **2** bars must be put in the windshield area to protect driver from large debris.

Doors, hood, trunk, hatch must be chained (not welded). Maximum of **4** chains on hood and **2** on doors and trunk/hatch.

Stock bumpers front & back (no reinforcing).

Disengage airbags.

No mirrors.

Fuel tank must be relocated to inside of vehicle or use fuel cell or metal tank. Metal boat tank acceptable with external fuel pump. – See addendum

**Must sign waiver and release form date of race.**

**Social Security Number required for any payout over \$200.00**

**Questions? Contact Jeff Gruenberg (509) 480-9112**

### **2022 4CLY. Demo Derby ADDENDUM**

*Fuel tanks located in front of rear axle can remain in car and be used. (driver AND passenger doors will then have mandatory channel or grader blades ran the length of the car minimum of 6" from each wheel well)*
