PREMIUMS: 1st (Blue) - \$4.00 2nd (Red) - \$2.00 3rd (White) – Ribbon Only

ADULT VALLEY PRODUCE DEPARTMENT RULES

Please also read the CWSF Rules and Regulations. All rules and regulations as stated apply to all exhibitors and entries

- Valley Produce Department is **open to all exhibitors 5 years and older**.
- All exhibits must be grown by the exhibitor or their immediate family. Exhibits will be of the current year's crop and be properly labeled with the correct name.
- Selecting fruit for exhibit is judged according to size, quality, color, trueness to variety type, freedom from blemishes, uniform in size & mature. Quality should be of the highest. **Fruits should retain their stems and must be free from bruises and broken skin.** Color should be characteristic of the variety. Color may be brightened by polishing with a soft cloth. **Fruit that has been artificially oiled or waxed will not qualify for awards.** This includes fruit with Commercial Warehouse Wax. Prunes, plums, and grapes should never be polished and on these it is best to retain all the natural bloom possible.
- Selecting vegetables for exhibit. Any produce for display should be well-grown, of highest quality and as nearly alike as possible. The Fair strives for quality; therefore, we will reject entries that are not up to quality standards. **Please make sure there is no indication of disease or insects. Vegetables must be cleaned or will not be accepted.**
- Entries will be displayed space permitting. Entries may be displayed in other areas of the Ag Building or other buildings.
- You may enter any amount of fruit or vegetable as long as it is a different variety.
- If the judges find no entry in a class that qualifies for a particular award, they may choose to omit that award.

Lee Rosenkranz Memorial Award

The Central Washington State Fair will award a plaque in memory of Lee Rosenkranz, who for 15 years was our Horticulture Superintendent. This plaque will be awarded to the exhibitor who has grown the best display of apples from the Major Commercial Varieties. The Central Washington State Fair wishes to acknowledge an outstanding apple grower in honor of Lee, an outstanding apple orchardist himself.

Ken & Gen Duffield Award

The Central Washington State Fair would like to present the Ken & Gen Duffield Award to the open exhibitor that has the highest number of points in the Valley Produce Department. Ken was the Agriculture Building Superintendent for 15 years, and his wife Gen worked each fair with him. They both were great supporters and were involved with Fair activities since the 1940's.

A \$25.00 cash prize will be awarded along with a plaque.

DIVISION 400

ADULT FRUIT CLASSES

Please list the varieties on the entry form.

Class

1. Apples - 3-4 of each variety
2. Grapes – 2 large clusters each variety
