## EQUINE DEPARTMENT RULES & INFORMATION

Please also read the CWSF Rules and Regulations. All rules and regulations as stated apply to all exhibitors and entries.

- Please NO Smoking, NO alcohol, and NO dogs in the barns.
- Horses must be led from the barns to arenas. Riding is not allowed to or from arenas at any time. Failure to obey this rule may forfeit premiums earned. WILCO Arena gate must be closed and latched at all times. If you are using the arena during non-competitive, non-scheduled times, please make sure the West gate to the arena is closed and latched.
- Adverse treatment: absolutely no ill-treatment of your animal will be allowed. If observed doing so, you will be requested to leave, and premiums will be pulled.

## **Entries**

- Post–deadline entry and class changes will be accepted, but may be subject to a fine.
- All classes must be paid for prior the end of Fair. Entry fees cannot be taken out of premiums received.
- Entries are accepted on a “first come basis”. The number of horses that can be accommodated at the Fair is limited.
- Once full, a waiting list will be started, and entries will be taken from this list in order as cancellations are received.
- During Fair – Paper Entry form is not valid until signed by owner, and if a junior owner or rider, by parent or guardian. For paper entry during the fair, there will be a \$10 fee charged for each paper entry form submitted.
- Age of rider is required on entry form for all Youth riders. Rider’s age is noted as of Jan. 1<sup>st</sup> of the current year.”

## **Credentials**

- Credential packets will be issued from your Superintendent at the livestock meeting depending on first half, mid-week or second half of Fair.

## **Registration Papers**

- Grade (Unregistered) horses ARE ALLOWED in any classes that are NOT breed specific. Grade horses are NOT to be shown in Breed classes. Photocopies of registration papers or breeding certificate for each animal entered, showing the CORRECT OWNER, animal’s SIRE and DAM must accompany the entry form.
- **Entries submitted without proper registration papers or without classes listed, or without correct amount of fees will be returned and must be corrected and resubmitted. No stalls will be reserved without correct fees for stalls and classes entered on the entry forms.**

- Exception: For horses under one year of age, a confirmation paper showing that registration is being applied for or a signed statement explaining that the animal is eligible for registration and it has been applied for is acceptable, providing the name and number of the sire and dam are included.

## **Stabling**

- All stalls and tack rooms will be assigned on a first come/first serve basis with last year’s location given first priority if possible.
- Exhibitors wishing to stable together MUST submit their request on the entry form. Requests and locations are not guaranteed.
- No sleeping in the barns is allowed. No exceptions.
- Grooming and tacking up must be done in stall or designated stall for that purpose; must not be done in the aisle-way during time the Fair is open to the public. This is very dangerous practice. Premiums may be withheld if this occurs and a fine of \$25.00 each time will be assessed.
- No switching of stalls without permission of the superintendent.
- One horse per stall except mare with a sucking foal (this must be designated in the entry description).
- Exhibitors who end up bringing fewer horses than they have rented stalls for will have the stalls reverted back to the Fair. The stalls will then be offered to those people on the waiting list before being made available to the original exhibitor for storage. NO REFUNDS on any stalls after the entry deadline.

### **Tack Room Fee**

- Tack rooms are \$10.00 per user (shared or single occupancy) and your request for a tack room must be noted on your entry form.
- There are approximately 30 tack rooms available and they will be assigned on a "first come basis". Management reserves the right to assign more than one exhibitor to a tack room.
- No refunds of any tack room fee after the entry deadline.

### **Bedding**

- Shavings will be provided.

### **Weanling and Sucking Foals**

- Must be four months of age by Fair time in order to be entered.
- Sucking foals (accompanied by their dam, which also must be entered in the Fair, and still nursing) may be of any age. However, owners should be aware of the risks involved in exposing a young animal to a large number of other horses.

### **Championship and Best of Breed Classes:**

- Horses winning first and second place in regular halter classes must show in the Championship class or forfeit all prizes previously won.
- All Champion and Reserve Champions MUST show in Best of Breed or forfeit all prize money previously won.

### **Other Requirements**

- No riding in the arena with a halter, horses must be in a bridle.
- Horses are not to be led or rode out of designated horse areas.
  - No horses are to be beyond Barn D to the south and Barn C to the north.
- Please stay out of the cattle area.
- Exhibitors must scratch classes at the show office, not at the paddock in gate unless it is an emergency.
- Patterns will be posted approximately 30 minutes before each class.
- Equine Rule: "Once the exhibitor 18 years and younger enters the arena, they are required to wear an ASTM/SEI (American Society for Testing and Materials/Safety and Equipment Institute) riding helmet, properly secured at all times. All mounted riders 18 years and younger going to and from the arena must wear an ASTM/SEI riding helmet that is properly secured at all times. This rule includes all show times, warmups, carts, and free riding.

### **Class Rules**

- All classes will follow the Central Washington State Fair and Washington and Oregon State Association Breed Rules, and use USAE Standard Rules as a guideline, unless otherwise stated. Breed rules only apply to respective breeds and not to open or equitation classes.
- Classes with less than three (3) entries may be combined or canceled and premiums paid accordingly.

## **Restricted Classes Definitions**

Exhibitors are urged to use caution when entering restricted classes to be sure your entry is eligible as entered (i.e. novice, maiden, limit, green, etc.). Entry in a class for which the horse is not eligible may be reason for forfeiture of all prize money earned.

- In the Western section, snaffle, or hackamores (other than mechanical) will be allowed on horses 5 years and under and may be shown in any Western Class and be ridden with two hands.
- Horses shall be considered one year old on the first day of January following the date of foaling.
- A Green horse is one that has not shown prior to December 1 of the previous year.
- A Junior horse is one that is 5 years and under as of Jan. 1 of the current year.
- A Senior horse is one that is 6 years or older as of January 1 of the current year.
- Multiple registered horses may cross enter in breed classes, but only the class with the highest points awarded will be counted towards Hi-Point (more than one cross-entered class may not count for Hi-Point).
- Costume classes: a 3x5 card with information for costume must be submitted to the horse show office, written legibly, describing what the costume represents.

- To retain the newly created classes requested, at least 5 entries must participate during the scheduled show.
- All classes with age specifications will count for High Point for that age division except for Costume, Championship, Green, Halter, Amateur/Owner, Limit, and Novice.

## **CHANGEVER PROCEDURES**

FIRST WEEKEND: Monday, September 28

MID WEEK: Thursday, October 1

SECOND WEEKEND: Sunday, October 4

- Barns will be closed to the public at 6:00pm; Banner line will go up at 6:00pm. To assure guest safety no access will be allowed in the livestock area once the banner line has been installed.
- We are hopeful that we may clear the barn and livestock areas of fairgoers by 6:30pm, at which time exhibitors may finish hauling their tack & decorations.
- Please do not start dismantling any displays or decorations until 5:30pm.
- Once this procedure is completed, we will have a general release with an estimated release time of 6:30pm.
- Please keep in mind that this depends on getting the barn areas cleared of fairgoers in a timely fashion.
- You will be informed by your Superintendent of a definite release time once management (Livestock Show Supervisor) feels it is safe.
- Long hauls will be given consideration for an earlier release if it is safe.
- Gators and drivers will be available to assist you in hauling your tack and/or display items.
